

Ahora estás en el **panel de control** . Haz clic en **Herramientas** para comenzar a configurar un nuevo dispositivo.

The screenshot shows the DISH Dashboard interface. The top navigation bar includes the 'Dashboard' title and icons for a calendar, settings, and user profile. A dark blue sidebar on the left contains the following menu items: DASHBOARD, RESTAURANT, KITCHEN, SALES, MARKETING, LOCALISATION, **TOOLS** (highlighted with an orange box), and SYSTEM. The main content area displays six summary cards:

- Total Orders**: 0
- Total Sales**: €0.00
- Total Delivery Orders**: €0.00
- Total Pick-up Orders**: €0.00
- Total Lost Sales**: €0.00
- Reports Chart**: A chart area with a legend for 'Orders' and a date range selector set to 'March 28, 2021 - April 26, 2021'.

At the bottom left of the sidebar, the version number 'version : 1.32.0' is visible.

Haga clic en **los dispositivos** para continuar.

The screenshot displays the DISH Dashboard interface. On the left, a dark blue sidebar contains a menu with the following items: DASHBOARD, RESTAURANT, KITCHEN, SALES, MARKETING, LOCALISATION, TOOLS, **Devices** (highlighted with an orange box), Media Manager, Ordering Widget, and SYSTEM. The main dashboard area features a grid of six summary cards:

- Total Orders:** 0
- Total Sales:** €0.00
- Total Delivery Orders:** €0.00
- Total Pick-up Orders:** €0.00
- Total Lost Sales:** €0.00
- Reports Chart:** A chart area with a date range selector set to "March 28, 2021 - April 26, 2021". A legend indicates "Orders" with a blue bar.

At the bottom left of the sidebar, the version number "Version: 1.32.0" is visible.

Luego haga clic en **nuevo** para agregar un dispositivo.

👉 Ingrese el **nombre del dispositivo** y seleccione la **ubicación** a la que desea conectarlo.

The screenshot shows the 'Devices Create' interface in the DISH system. The left sidebar contains navigation options: DASHBOARD, RESTAURANT, KITCHEN, SALES, MARKETING, LOCALISATION, TOOLS, and SYSTEM. The main content area is titled 'Devices Create' and includes a 'Save & Close' button. The form contains the following fields:

- Device name:** A text input field containing 'Device no. 1'. Below it, a note reads: 'Device name that will help recognize device'.
- Location:** A dropdown menu showing 'TestJordan'. Below it, a note reads: 'Restaurant location name'.
- Api key:** A text field displaying 'YTIjNmlxZTJkOTYy' with a copy icon. Below it, a note reads: 'This key is displayed only once. It should be used in mobile app setup page.'
- Restaurant ID:** A text field displaying 'test\_jordan'. Below it, a note reads: 'Restaurant ID is part of full website address: test\_jordan.order.dish.co'.

Asegura la **clave API** y **el ID del restaurante** . Debes introducirlos en tu terminal de pedidos. **Nota:** Aquí encontrarás el tutorial correspondiente <https://bit.ly/3s0OuFq> .

The screenshot shows the 'Devices Create' form in the DISH admin interface. The form is divided into several sections. The top section contains a 'Save & Close' button. Below this, there are four input fields arranged in a 2x2 grid:

- Device name:** A text input field containing 'Device no. 1'. Below it, a note reads: 'Device name that will help recognize device'.
- Location:** A dropdown menu showing 'TestJordan'.
- Api key:** A text input field containing 'YTIjNmIxzTJKOTYy' with a copy icon. Below it, a note reads: 'This key is displayed only once. It should be used in mobile app setup page.'.
- Restaurant ID:** A text input field containing 'test\_jordan'. Below it, a note reads: 'Restaurant ID is part of full website address: test\_jordan.order.dish.co'.

The 'Api key' and 'Restaurant ID' fields and their associated notes are highlighted with an orange border. The left sidebar contains navigation options: DASHBOARD, RESTAURANT, KITCHEN, SALES, MARKETING, LOCALISATION, TOOLS (with sub-items: Devices, Media Manager, Ordering Widget), and SYSTEM. The version number '1.32.0' is visible at the bottom left.

Ahora haga clic en **guardar y cerrar** para aplicar los cambios.

The screenshot shows the 'Devices Create' interface in the DISH system. On the left is a dark blue sidebar with navigation options: DASHBOARD, RESTAURANT, KITCHEN, SALES, MARKETING, LOCALISATION, TOOLS, and SYSTEM. The 'TOOLS' section is expanded to show 'Devices', 'Media Manager', and 'Ordering Widget'. The main content area is a light gray form with the following fields:

- Device name:** A text input field containing 'Device no. 1'. Below it is the text 'Device name that will help recognize device'.
- Location:** A dropdown menu showing 'TestJordan'. Below it is the text 'Restaurant location name'.
- Api key:** A text input field containing 'YTIjNmlxZTJkOTYy' with a copy icon. Below it is the text 'This key is displayed only once. It should be used in mobile app setup page.'
- Restaurant ID:** A text input field containing 'test\_jordan'. Below it is the text 'Restaurant ID is part of full website address: test\_jordan.order.dish.co'.

At the top of the form, there is a 'Save & Close' button with a lock icon, which is highlighted with an orange border. The top of the page has a header with the 'DISH' logo, the text 'Devices Create', and icons for a cart, settings, and a user profile.

-  La **ventana emergente de confirmación** verde en la parte superior de la pantalla indica que el dispositivo se creó correctamente.

The screenshot displays the DISH interface for managing devices. At the top, a green notification box with a close button (X) states "Devices created successfully". Below this, the page title is "Devices allowed to use API". The interface includes a sidebar with navigation options: DASHBOARD, RESTAURANT, KITCHEN, SALES, MARKETING, LOCALISATION, TOOLS (with sub-items: Devices, Media Manager, Ordering Widget), and SYSTEM. The main content area features a table with columns "DEVICE NAME" and "RESTAURANT LOCATION NAME". A single device is listed: "Device no. 1" at "TestJordan". Above the table are buttons for "+ New" and "Delete", and a filter icon.

DEVICE NAME	RESTAURANT LOCATION NAME
Device no. 1	TestJordan

Una vez que haya creado un dispositivo, haga clic en el **ícono de lápiz** de su nuevo dispositivo.

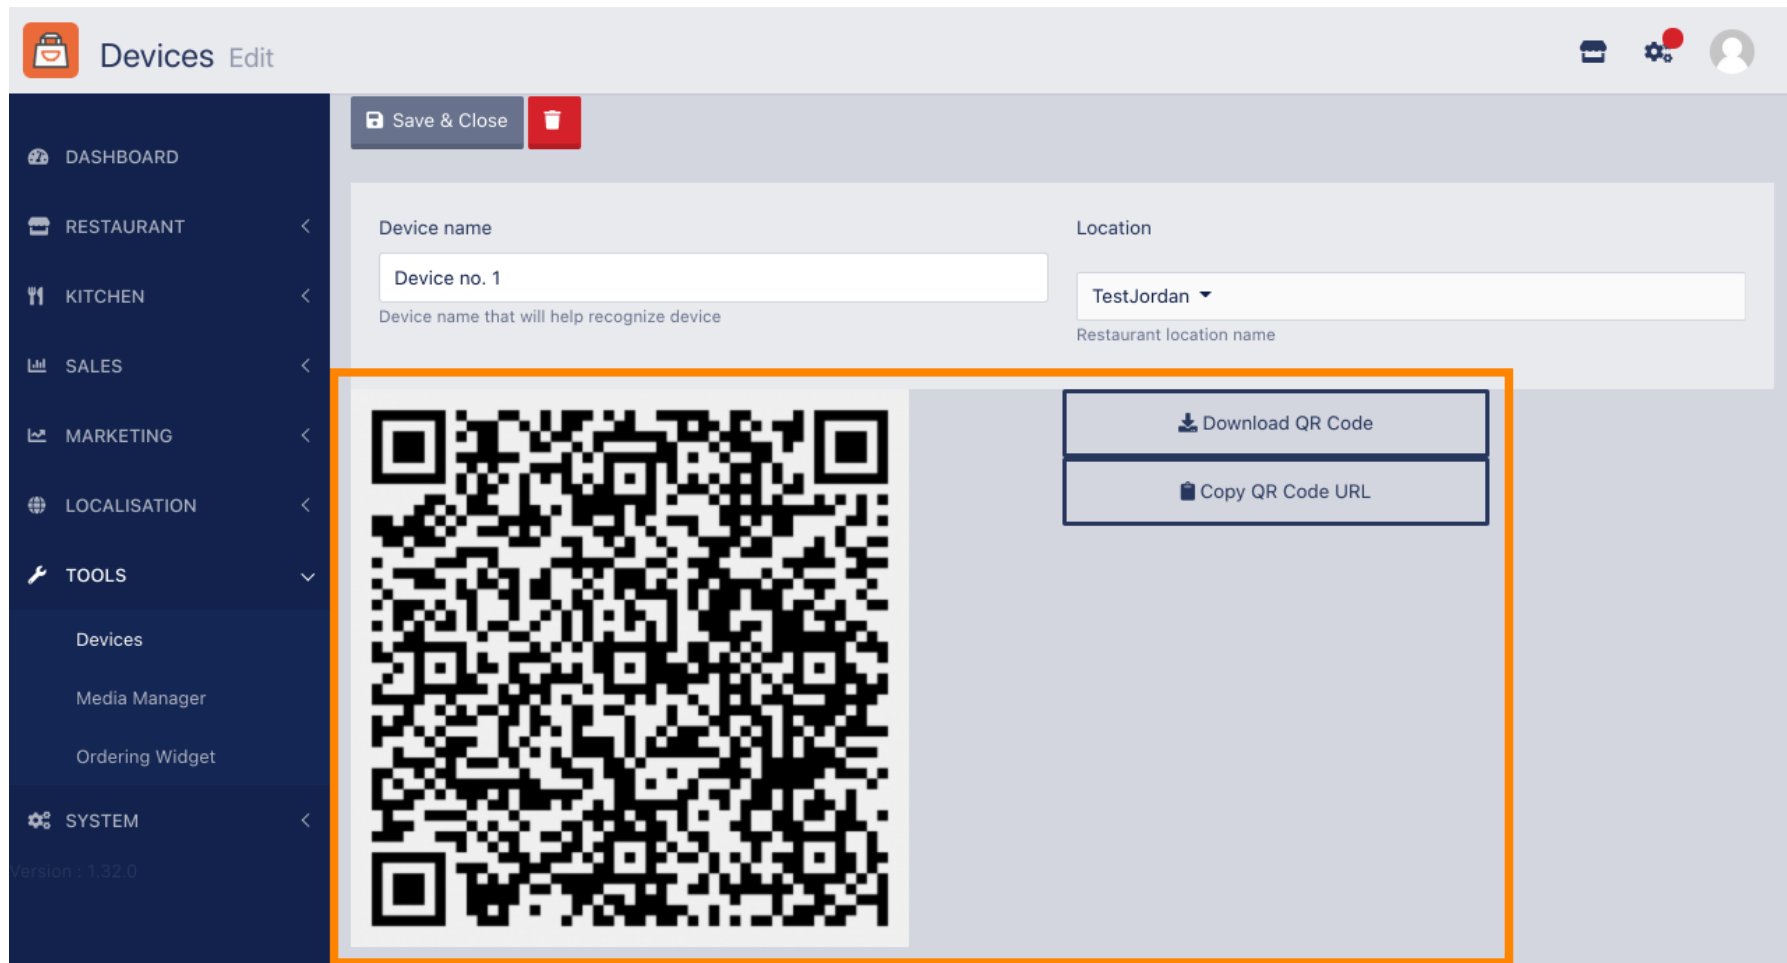

The screenshot shows the 'Devices allowed to use API' management page. At the top, there is a green notification banner that says 'Devices created successfully'. Below the notification, there are '+ New' and 'Delete' buttons. The main content is a table with two columns: 'DEVICE NAME' and 'RESTAURANT LOCATION NAME'. The table contains one row with the device name 'Device no. 1' and the location name 'TestJordan'. The pencil icon next to the device name is highlighted with an orange square, indicating it is the target for the next step.

DEVICE NAME	RESTAURANT LOCATION NAME
Device no. 1	TestJordan
