

Welcome to the dashboard of **DISH Reservation**. In this tutorial, we show you how to change your password.

The screenshot shows the DISH Reservation software interface. On the left is a dark sidebar with white icons and text for Reservations, Table plan, Menu, Guests, Feedback, Reports, Settings, and Integrations. A red box highlights the 'Reservations' option. At the top right, there's a notification bell, the text 'Test Bistro Training' with a dropdown arrow, a British flag icon, and a refresh button. A teal banner at the top says, 'Have a walk-in customer? Received a reservation request over phone / email? Don't forget to add it to your reservation book!' with 'WALK-IN' and 'ADD RESERVATION' buttons. Below this is a date range selector ('Thu, 19 Oct - Thu, 19 Oct') and a dropdown for 'All services'. A message states 'There is 1 active limit configured for the selected time period' with a 'Show more' link. Below are filter buttons for 'All' (selected), 'Completed', 'Upcoming', and 'Cancelled', and status counts: 0 checked, 0 guests, and 0/37 reservations. A large central area displays a placeholder image of a person with binoculars and the text 'No reservations available'. At the bottom are 'Print' and '? Help' buttons, and footer links for FAQ, Terms of use, Imprint, Data privacy, and Privacy Settings. The bottom left also has a note about guest limits and online reservations.

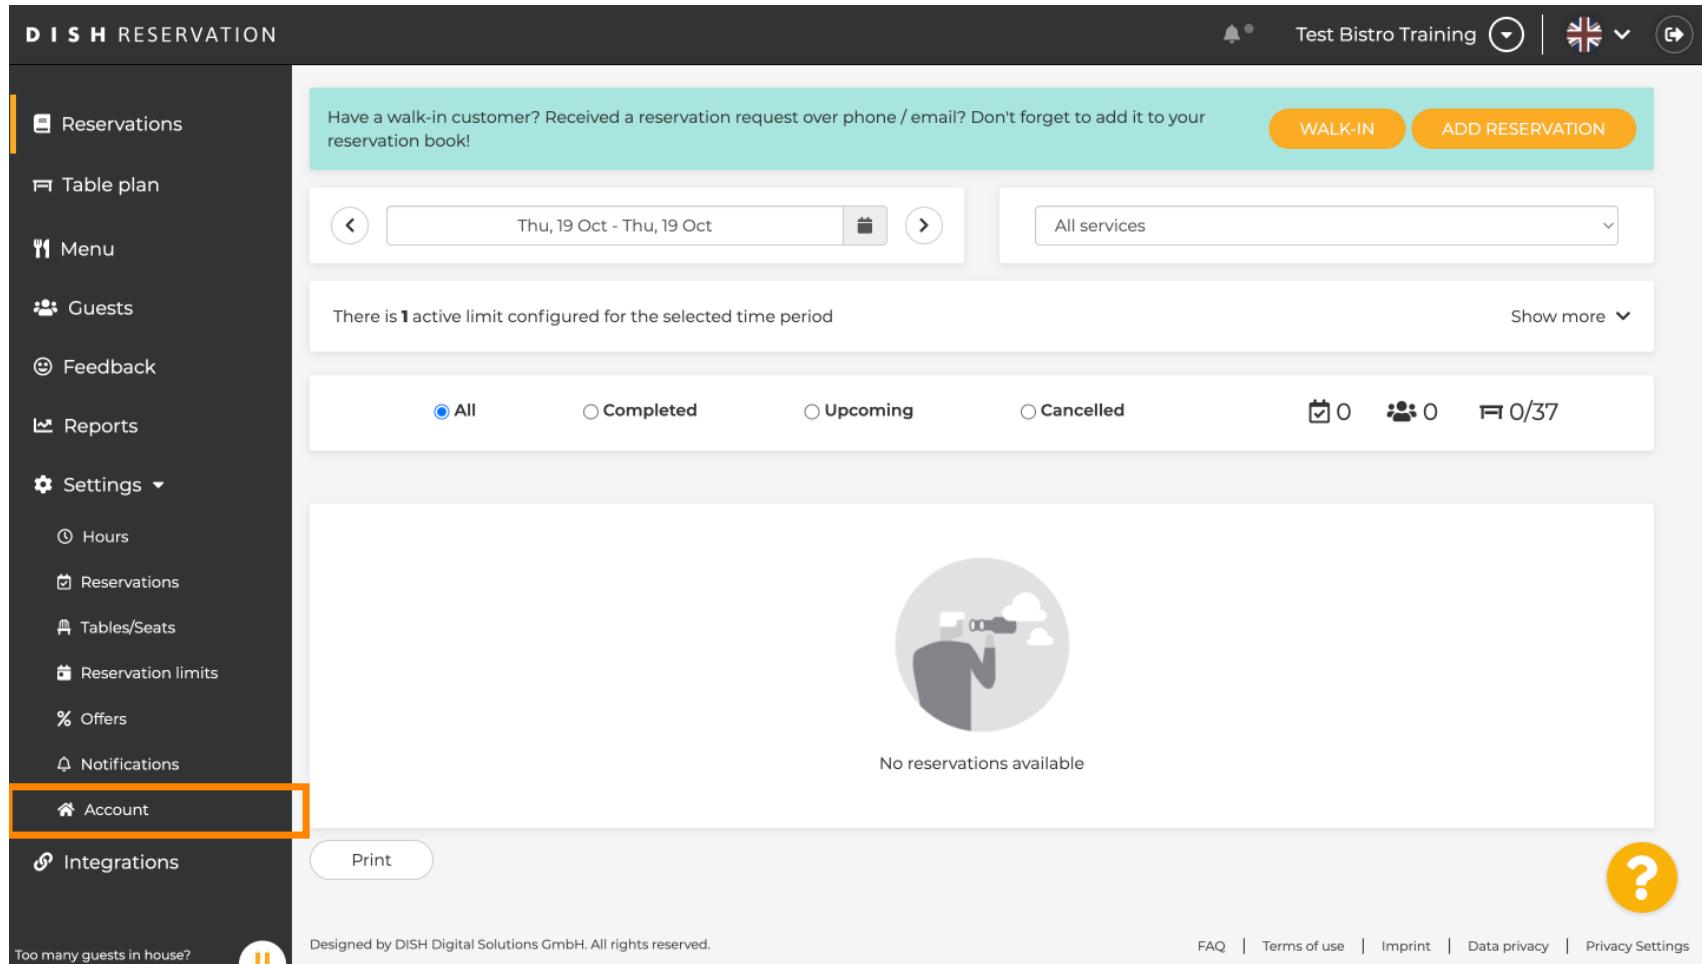

First, go to **Settings** on the menu to your left.

The screenshot shows the DISH Reservation software interface. On the left, a dark sidebar lists navigation options: Reservations, Table plan, Menu, Guests, Feedback, Reports, Settings (which is highlighted with an orange border), and Integrations. At the bottom of the sidebar, there are two messages: "Too many guests in house? Pause online reservations" and a yellow circle with a double vertical bar icon. The main content area has a teal header bar with the text "Have a walk-in customer? Received a reservation request over phone / email? Don't forget to add it to your reservation book!" and two buttons: "WALK-IN" and "ADD RESERVATION". Below this is a date range selector showing "Thu, 19 Oct - Thu, 19 Oct" and a dropdown for "All services". A message states "There is 1 active limit configured for the selected time period" with a "Show more" link. Below the filters are four radio buttons: "All" (selected), "Completed", "Upcoming", and "Cancelled", followed by guest count (0), staff count (0), and a total count of "0/37". The central part of the screen displays a large "No reservations available" message with a magnifying glass icon. At the bottom, there's a "Print" button and a yellow circular icon with a question mark. The footer contains the text "Designed by DISH Digital Solutions GmbH. All rights reserved." and links for FAQ, Terms of use, Imprint, Data privacy, and Privacy Settings.

And then select Account.

The screenshot shows the DISH Reservation software interface. On the left, a dark sidebar lists various options: Reservations, Table plan, Menu, Guests, Feedback, Reports, Settings (with sub-options Hours, Reservations, Tables/Seats, Reservation limits, Offers, Notifications), Account (which is highlighted with an orange border), and Integrations. At the bottom of the sidebar, there is a message: "Too many guests in house?" followed by a yellow circular icon with two vertical bars. The main content area has a teal header bar with the text "Have a walk-in customer? Received a reservation request over phone / email? Don't forget to add it to your reservation book!" and two buttons: "WALK-IN" and "ADD RESERVATION". Below this is a date range selector showing "Thu, 19 Oct - Thu, 19 Oct" and a dropdown menu set to "All services". A message states "There is 1 active limit configured for the selected time period" with a "Show more" link. Below these are four filter buttons: All (selected), Completed, Upcoming, and Cancelled, along with counts for each: 0, 0, and 0/37 respectively. The central part of the screen displays a placeholder image of a person looking through binoculars and the text "No reservations available". At the bottom, there is a "Print" button and a small "Designed by DISH Digital Solutions GmbH. All rights reserved." notice. The footer contains links for FAQ, Terms of use, Imprint, Data privacy, and Privacy Settings, along with a yellow circular icon containing a question mark.

You are now in the overview of your establishment and contact information. Click on **My Data**, to access your personal information.

The screenshot shows the DISH Reservation software interface. On the left is a sidebar with various menu items: Reservations, Table plan, Menu, Guests, Feedback, Reports, Settings (with Hours, Reservations, Tables/Seats, Reservation limits, Offers, Notifications, Account, and Integrations), and Integrations. The 'Account' item is currently selected. The main area is titled 'My Establishment' and contains 'Establishment details' and 'Contact' sections. The 'Establishment details' section includes fields for Name (Test Bistro Training), Street (Training Street 007), Additional (empty), Country (Germany), Postal code (10000), City (Berlin), and Time zone (Europe/Berlin). The 'Contact' section includes fields for Phone (+49 9876543210), Email (training@dish.digital), Website (https://test-bistro-training-bar.eatbu.com/), and Contact language (Deutsch). At the bottom, it shows the current time in the time zone as 04:15 PM. A large orange 'SAVE' button is located at the bottom right. The footer includes links for FAQ, Terms of use, Imprint, Data privacy, and Privacy Settings, along with a note that the site is designed by DISH Digital Solutions GmbH.

A new window will open where you can change your password.

The screenshot shows a web-based password change form. At the top left is the DISH logo with the text "by METRO". At the top right is a language selection dropdown set to "English". The main title "Change Password" is centered above three input fields. Each field has an "eye" icon to its right for password visibility. The first field is labeled "Password", the second "New Password", and the third "Confirmation". Below these fields are two buttons: "Back to application" on the left and a larger orange "Save" button on the right.

- ⓘ You need to enter your current **password**, your **new password** and for confirmation your new password again.

The screenshot shows a web-based application interface for changing a password. At the top left is the DISH logo with 'by METRO'. At the top right is a language selection dropdown set to 'English'. The main title 'Change Password' is centered above a form area. The form is enclosed in a red box and contains three input fields: 'Password', 'New Password', and 'Confirmation', each with an eye icon to toggle visibility. Below the form are two buttons: 'Back to application' and a large orange 'Save' button.

That's it. You have completed the tutorial and now know how to change your password.

The screenshot shows a web-based password change interface. At the top left is the DISH logo. At the top right is a language selection dropdown set to "English". Below the header is a green success message: "Your password has been updated." The main title is "Change Password". There are three input fields: "Password" (containing masked text), "New Password" (containing masked text), and "Confirmation" (containing masked text). Each input field has an "eye" icon to its right for password visibility. At the bottom are two buttons: "Back to application" (in a white box) and "Save" (in an orange box).
