

Bine ați venit la tabloul de bord al **rezervării DISH**. În acest tutorial, vă arătăm cum să vă schimbați parola.

The screenshot shows the DISH RESERVATION dashboard. At the top, there's a header with the logo and navigation options like 'Test Bistro Training' and a language selector. A teal banner at the top right contains the text 'Have a walk-in customer? Received a reservation request over phone / email? Don't forget to add it to your reservation book!' with 'WALK-IN' and 'ADD RESERVATION' buttons. Below this is a date range selector set to 'Thu, 19 Oct - Thu, 19 Oct' and a service filter set to 'All services'. A message states 'There is 1 active limit configured for the selected time period' with a 'Show more' link. Filter tabs include 'All' (selected), 'Completed', 'Upcoming', and 'Cancelled', along with counts for calendar, guests, and tables (0/37). The main content area shows 'No reservations available' with an icon of a person looking through binoculars. A 'Print' button is at the bottom left, and a help icon is at the bottom right. A footer contains copyright information and links for FAQ, Terms of use, Imprint, Data privacy, and Privacy Settings.
