The screenshot shows the DISH RESERVATION dashboard. At the top, there's a header with the logo and navigation options like 'Test Bistro Training' and a language selector. A teal banner at the top right contains the text 'Have a walk-in customer? Received a reservation request over phone / email? Don't forget to add it to your reservation book!' with 'WALK-IN' and 'ADD RESERVATION' buttons. Below this is a date range selector set to 'Thu, 19 Oct - Thu, 19 Oct' and a service filter set to 'All services'. A message states 'There is 1 active limit configured for the selected time period' with a 'Show more' link. A filter bar shows 'All' selected, along with 'Completed', 'Upcoming', and 'Cancelled' options, and counts for calendar, guests, and tables (0/37). The main content area displays 'No reservations available' with an illustration of a person looking through binoculars. A 'Print' button is at the bottom left, and a help icon is at the bottom right. The footer includes a status message 'Too many guests in house? Pause online reservations', a copyright notice 'Designed by DISH Digital Solutions GmbH. All rights reserved.', and links for 'FAQ', 'Terms of use', 'Imprint', 'Data privacy', and 'Privacy Settings'.
