 Acum vă aflați în secțiunea **Descriere site** , unde puteți ajusta setările și edita descrierile.

The screenshot shows a user interface for managing a website. On the left is a dark sidebar with a menu containing: Dashboard, Restaurant details, Settings, Reservation options, Food ordering, Design and content (highlighted), Design, Gallery media, Description (highlighted), Content, Legal, Web Address, DISH WEBLISTING, and Account. The main content area is titled "Website Description" and features three sections: "Welcome title" with a text input field containing "With our exquisite ingredients we will make your stay u...", "Tagline" with a text input field containing "Test Bistro Training - Austrian Cuisine", and "Description" with a radio button selected for "Automatic" and a text input field containing "The easiest way to manage your website description. Let our algorithms write the search". A rich text editor toolbar with icons for bold (B), italic (I), and a question mark is visible at the bottom right of the description field.

-  Derulați în jos la secțiunea de descriere. La **Descriere**, descrierea principală a unității dvs. poate fi editată.

- Pentru a activa funcția de descriere AI, faceți clic pe **automat**. **Notă: Descrierea automată este o caracteristică inclusă numai în DISH Professional.**

The screenshot shows the DISH website management interface. At the top, there's a header with the restaurant name 'Test Bistro Train..' and location 'TRAINING STREET 007, BERLIN, DE'. There are navigation icons for moon, light, and sun, a 'VISIT WEBSITE' button, and a language selector set to 'English'. A left sidebar contains various menu items: Dashboard, Restaurant details, Settings, Reservation options, Food ordering, Design and content (highlighted), Design, Gallery media, Description (highlighted), Content, Legal, Web Address, DISH WEBLISTING, and Account.

The main content area is titled 'Description'. It has two radio button options:

- Automatic** (selected and highlighted with an orange box): The easiest way to manage your website description. Let our algorithms write the search engine optimized description for you! Based on the information you provided us, our artificial intelligence will generate the text! Learn more about SEO on our [FAQs](#).
- Manual**: Manually enter the main description text or edit the generated text to have more control on the way you want to communicate with your customers. This text should be written in compliance with the SEO guidelines! If you are not sure about how to write a SEO optimized text, please read our [FAQs](#) or use the automatic description service above.

To the right of the 'Automatic' option is a preview window showing a rich text editor with buttons for bold (B), italic (I), list, and link. The preview text reads:

**Our restaurant is the best.
You can trust us.**

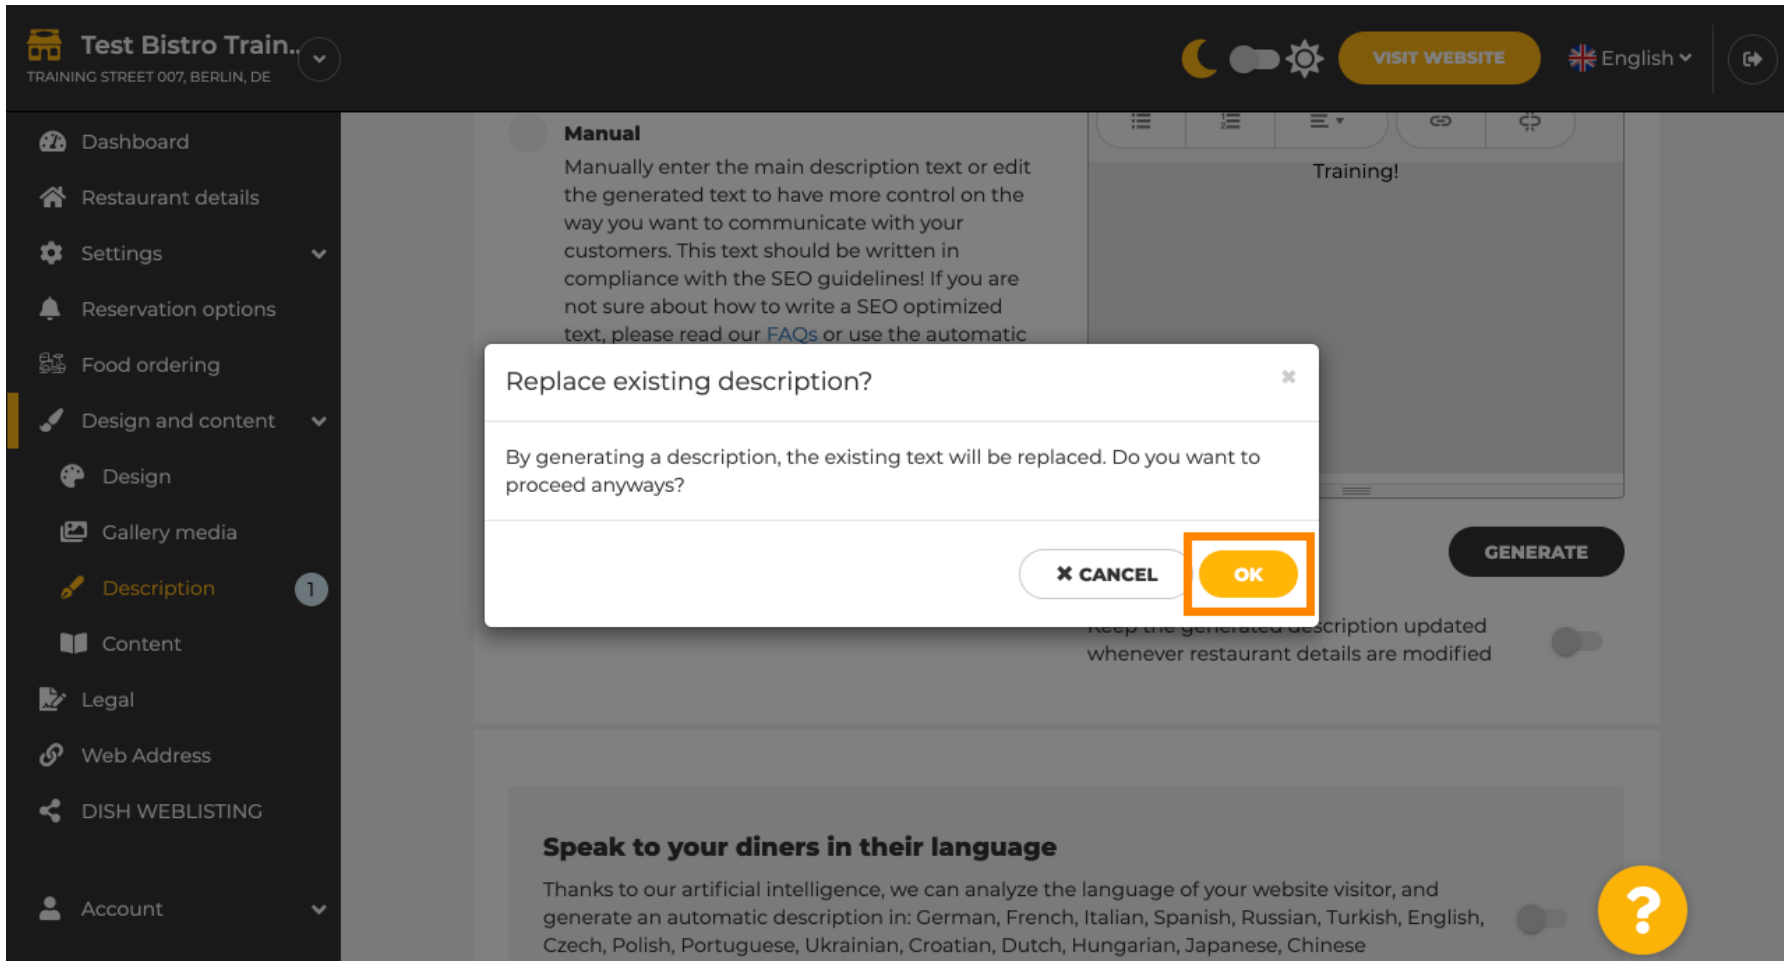

We offer you authentic Austrian specialties at our place.

We are happy to welcome you at Test Bistro Training!

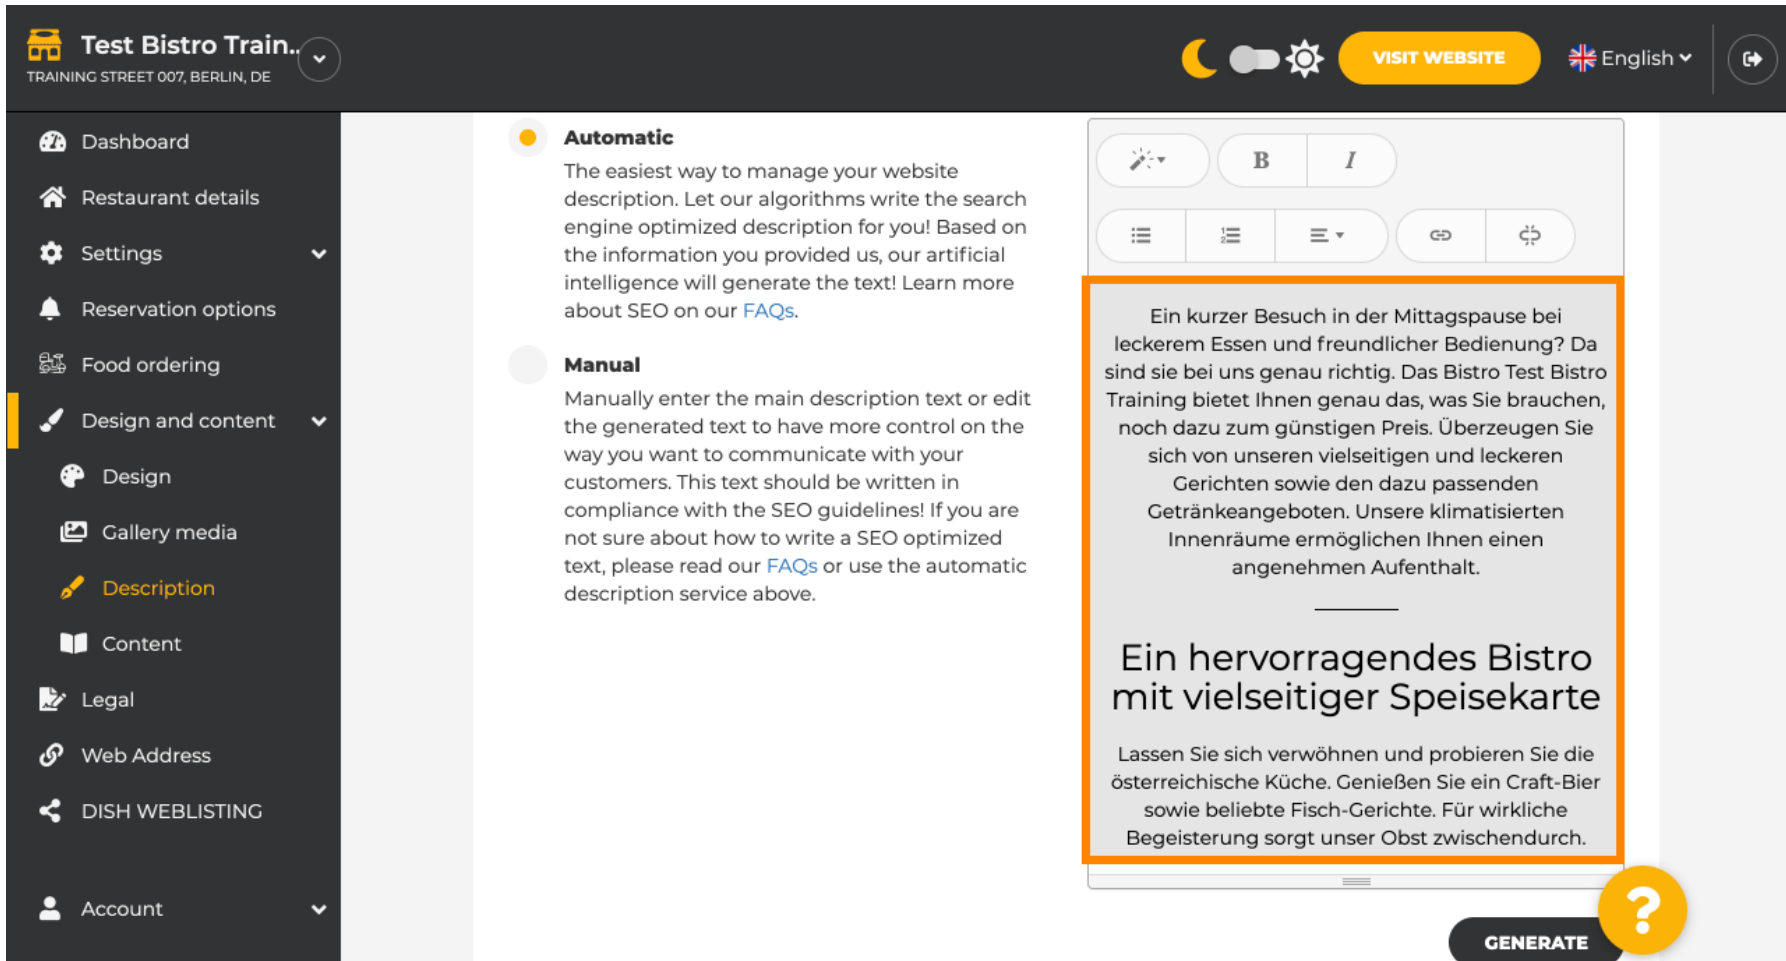

- 🕒 Pentru ca noua setare să devină efectivă, faceți clic pe **generare** . Aceasta va genera textul dvs. individual de descriere optimizat de Google pe baza detaliilor sediului dvs.

The screenshot shows the DISH website management dashboard for 'Test Bistro Train..' located at 'TRAINING STREET 007, BERLIN, DE'. The interface includes a top navigation bar with a 'VISIT WEBSITE' button and a language selector set to 'English'. A left sidebar menu lists various management options, with 'Description' highlighted and marked with a notification badge '1'. The main content area features a 'Manual' section with instructions on how to manually enter or edit description text. Below the instructions is a preview window showing the text 'Training!'. A prominent orange-bordered 'GENERATE' button is located below the preview. At the bottom of the page, there is a toggle for 'Speak to your diners in their language' with a list of supported languages and a question mark icon.

Descrierea dvs. existentă va fi înlocuită. Faceți clic pe **OK** pentru a continua.

 Noua **descriere generată** este afișată în limba setată a contului dvs. DISH.

The screenshot shows the DISH website management interface. On the left is a dark sidebar with a menu including: Dashboard, Restaurant details, Settings, Reservation options, Food ordering, Design and content (highlighted), Design, Gallery media, Description (highlighted), Content, Legal, Web Address, DISH WEBLISTING, and Account. The main content area has a dark header with the restaurant name 'Test Bistro Train...' and address 'TRAINING STREET 007, BERLIN, DE'. It also features a 'VISIT WEBSITE' button, a language selector set to 'English', and a moon icon for dark mode. Below the header, there are two radio button options: 'Automatic' (selected) and 'Manual'. The 'Automatic' option is described as the easiest way to manage the website description. The 'Manual' option allows for editing the generated text. To the right is a text editor with bold (B) and italic (I) buttons, and a list of bulleted points. The generated text, highlighted with an orange border, is in German and describes the restaurant's offerings. At the bottom right, there is a 'GENERATE' button with a question mark icon.
