By clicking delete account and confirming your choice we will delete your WEBLISTING account and the data you provided us about your business from our data base. Please note: This will not delete the listing on Google. The listing will simply remain in the same state as it is right now. In case you want to delete your Google listing you have to declare it "permanently closed" in Google.

• Or export personal data by clicking on Export data.

It is also possible to delete your account by clicking Delete account.

• At Google Admin Management you can invite another user to manage the business listing of your location by enter the email address.
