The screenshot shows a web interface for DISH by METRO. At the top, there is a navigation menu with 'Our solutions', 'Addons', 'Pricing', and 'Resources'. A user profile icon and 'English' language selector are also visible. A modal dialog box is centered on the screen, titled 'Do you want to downgrade your subscription?'. The dialog contains the following text: 'Are you sure? You will not be able to access your table plan and your guests will not be able to book a table with Google. Please click on 'Learn more' to understand the features of your current plan.' Below this is a 'Learn More' link. A text input field is highlighted with an orange border, containing the placeholder text 'Type 'Confirm''. Below the input field, it says 'Please note that your subscription will be downgraded by the end of the current billing cycle. You'll lose all access to your current plan features once downgraded.' At the bottom of the dialog are 'Cancel' and 'Confirm' buttons. The background shows a blurred view of a subscription plan selection screen with 'Choose' buttons and a 'Your Plan' section.

Klik vervolgens op **Bevestigen** om door te gaan.

The screenshot shows a confirmation dialog box on the DISH website. The dialog has a white background and a grey border. At the top left is the DISH logo, and at the top right is a close button (X). The main text asks, "Do you want to downgrade your subscription?" and provides a warning: "Are you sure? You will not be able to access your table plan and your guests will not be able to book a table with Google. Please click on 'Learn more' to understand the features of your current plan." Below this is a blue link labeled "Learn More". A text input field contains the word "Confirm". At the bottom of the dialog are two buttons: "Cancel" and "Confirm". The "Confirm" button is highlighted with an orange border. The background of the website is dimmed, showing navigation links like "Our solutions", "Addons", "Pricing", and "Resources", and a table with columns for "Choose", "Your Plan", "Choose", and "Choose".
