**Area(s)**

If your establishment has multiple areas or rooms, you may want to define an area before you start assigning tables to it. e.g.: Indoor, Outdoor, Bar, Lounge, etc. Your active areas are listed below:

Indoor, Outdoor

**Table(s)**

Tables are assigned to specific areas. When you pause a whole area, all tables assigned to that area will be paused. This may make some of your future reservations invalid. Don't worry, you can just move them to other available table(s). You can also assign tables a booking priority between 1 (high) and 3 (low). The tables with high priority will be preferred for incoming reservations.

Table name	Seats (22)	Area name	Priority	Status
1	4	Indoor	1	Active
2	8	Indoor	1	Active
3	2	Indoor	1	Active
4	4	Outdoor	2	Active
5	4	Outdoor	2	Active
