One day after their visit, your guests receive an email / SMS asking them to give feedback about their dining experience. Feedback is limited to one response per reservation and only your guests can provide it. Your guests may choose to provide their feedback anonymously. You can choose to publish and display reviews on your DISH website. If you want to publish feedback on your own website, you can find instructions [here](#).

The screenshot shows the DISH RESERVATION management interface. On the left is a navigation menu with options: Reservations, Menu, Guests, Feedback, Reports, Settings, and Help. The main content area displays a table of customer feedback with columns for Feedback date, Food, Service, Customer, and Comments. A modal window titled "Reply to customer feedback" is open, featuring a text input field with the placeholder "Required message (will be sent to the customer via email)" and a "Reply" button. The background table shows a feedback entry from 05/06/2021 with 5-star ratings for Food and Service, and a comment: "Thank you for the wonderful food! Definitely a recommendation." The interface also includes a "Website Setup" dropdown, a language selector (UK flag), and a "Start Co-Browsing" button at the bottom.
