SAVE

Too many guests in house? Pause online reservations

Then select the button **export data** to export or save your data.

The screenshot displays the DISH Reservation user interface. On the left is a dark sidebar with navigation options: Reservations, Menu, Guests, Feedback, Reports, Settings (expanded), Hours, Reservations, Tables/Seats, Offers, Notifications, Account (highlighted), and Help. At the bottom of the sidebar, there is a notification: "Too many guests in house? Pause online reservations" with a pause icon.

The main content area is titled "My Establishment" and "My Data". It is divided into three sections:

- Personal information:** Includes fields for Salutation (Please select), First name (Test Max), Last name (Trainer), and Login e-mail (training@hd.digital). A "SAVE" button is located below these fields.
- Export data:** Contains the text: "You have the right to receive your data in a structured, commonly used and machine-readable format in order to transmit it to another controller." Below this text is a button labeled "Export data" with a download icon, which is highlighted with an orange border.
- Delete account:** Contains the text: "To delete your DISH Reservation account, please log into DISH".

At the bottom of the page, there is a footer with the text "Designed by Hospitality Digital GmbH. All rights reserved." and a "Help" icon (a question mark in a circle). On the right side of the footer, there are links for "FAQ", "Terms of use", "Imprint", and "Data privacy".

That's it. You have completed the tutorial and now know how to export your data.

The screenshot shows the 'My Data' page in the DISH Reservation system. The page is divided into two main sections: 'Personal information' and 'Export data'. The 'Personal information' section contains a form with the following fields: 'Salutation *' (a dropdown menu with 'Please select' as the current value), 'First name *' (text input with 'Test Max'), 'Last name *' (text input with 'Trainer'), and 'Login e-mail' (text input with 'training@hd.digital'). A 'SAVE' button is located below the form. The 'Export data' section features a paragraph explaining the user's right to receive their data in a structured format, followed by an 'Export data' button. Below this, there is a 'Delete account' section with a link to log into DISH to delete the account. The page also includes a 'Change password' section with a link to reset the password. The footer contains the text 'Designed by Hospitality Digital GmbH. All rights reserved.' and links for 'FAQ', 'Terms of use', 'Imprint', and 'Data privacy'. A help icon is visible in the bottom right corner.
