

Open the DISH Order terminal app. You will automatically be directed to the open orders. Now tap on the **drop-down menu icon** for opening the categories.

Choose the category **opening hours** by clicking.

 Here you can select if you want to accept **delivery** and/or **pick-up orders**.

With a tab on **delivery/pick-up hours**, you can see your current opening hours.

Select **change** to open the menu to change your opening hours.

-  Here you can choose the same hours options like in your admin panel. You can decide between being open **24/7**, **daily** or **flexible**. **Note: 24/7 means that your establishment is open every day without exception.**

The screenshot shows the 'Pick-up Hours' configuration screen. At the top, there is a back arrow and the title 'Pick-up Hours'. Below this, the 'Pick-up Days' section has three buttons: '24/7', 'DAILY' (which is highlighted in red), and 'FLEXIBLE'. Underneath, a row of seven buttons represents the days of the week: 'M', 'T', 'W', 'T', 'F', 'S', and 'S'. The 'T' button is highlighted in red. The 'Pick-up Hours' section contains two time slots, each with a start time, a 'to' separator, an end time, and a delete icon (an 'X' in a circle). The first slot is '10:00 to 15:00' and the second is '17:30 to 22:00'. Both time input fields are enclosed in an orange rectangular box. Below the time slots is a red link that says 'Add another'. At the bottom of the screen, there are two buttons: 'Undo Changes' with a red 'X' icon and 'Save changes' with a green checkmark icon.

- ☞ Select the **hour** and the **minutes** you want to enter and confirm by clicking **ok**.

Click on **add another** to add an additional opening time.
