The screenshot shows the Instagram account settings page. On the left is a navigation menu with options: Push Notifications, Manage Contacts, Privacy and Security, Login Activity, Emails from Instagram, and Switch to Personal Account. Below this is the Meta Accounts Center section. The main content area contains fields for Website, Bio, Personal Information (with a note: 'Provide your personal information, even if the account is used for a business, a pet or something else. This won't be a part of your public profile.'), Email, Confirm Email, Phone Number, Gender, and Similar Account Suggestions (with a checked box for 'Include your account when recommending similar accounts people might want to follow.'). At the bottom of the settings area are two buttons: 'Submit' (highlighted with an orange border) and 'Temporarily disable my account'. The footer contains links for Meta, About, Blog, Jobs, Help, API, Privacy, Impressum/Terms/NetzDG/UrhDaG, Top Accounts, Hashtags, Locations, Instagram Lite, and copyright information: 'English © 2021 Instagram from Meta'.

Regresa a tu perfil y haz clic en el **enlace** para comprobar si funciona.
