

Welcome to your **DISH Weblisting dashboard**. In this tutorial we show you how to connect your Google account.

After completing the onboarding flow of DISH Weblisting, sometimes it happens that you still need to connect your current Google account to DISH Weblisting.

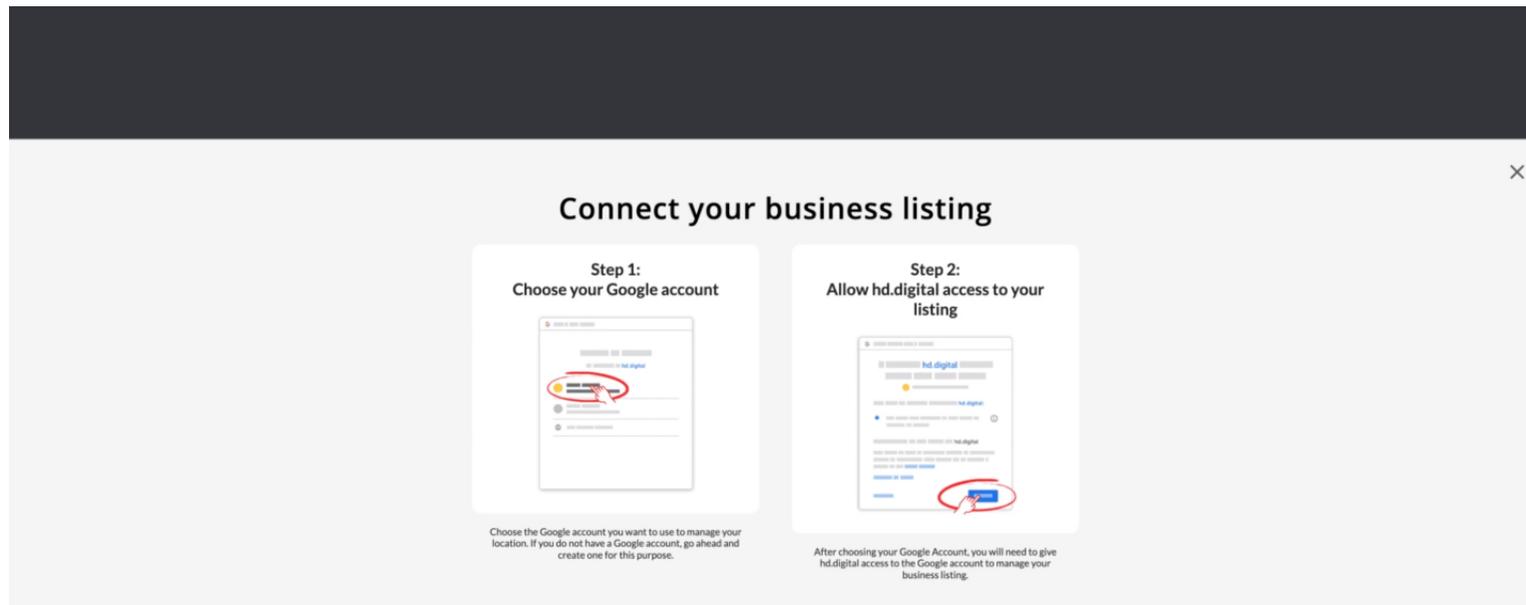

Click on **CONNECT LISTING**, to allow DISH Weblisting to connect to your Google account.

The screenshot shows the DISH Weblisting dashboard for a business named "Cafe Porto" located at "Am Schlagbaum 1". The dashboard is divided into four main sections, each with a "CONNECT LISTING" button:

- Your business on Google:** A warning icon indicates that the business listing is not connected to a Google account. Text explains that data synchronization is required. The "CONNECT LISTING" button is highlighted with an orange box.
- Profile Completeness:** A circular progress indicator shows 66% completion. A list of items to improve includes Website, Description, and Payment options. The "UPDATE PROFILE" button is highlighted in yellow.
- Overall rating on Google:** A warning icon indicates that Google ratings are not available because the listing is not connected. Text states that connecting will allow ratings to be displayed. The "CONNECT LISTING" button is highlighted in black.
- Rating on other networks:** A warning icon indicates that reviews on other networks are not available because the listing is not connected. Text states that connecting will allow reviews to be loaded. The "CONNECT LISTING" button is highlighted in black.

The top navigation bar includes "DISH WEBLISTING" on the left and "Cafe Porto Am Schlagbaum 1" with a profile icon and help icon on the right. Below the navigation bar are icons for "DASHBOARD", "PROFILE", "REVIEWS", and "POSTS". The bottom footer contains links for "Contacts", "Terms of use", "Data privacy", and "Cookie settings".

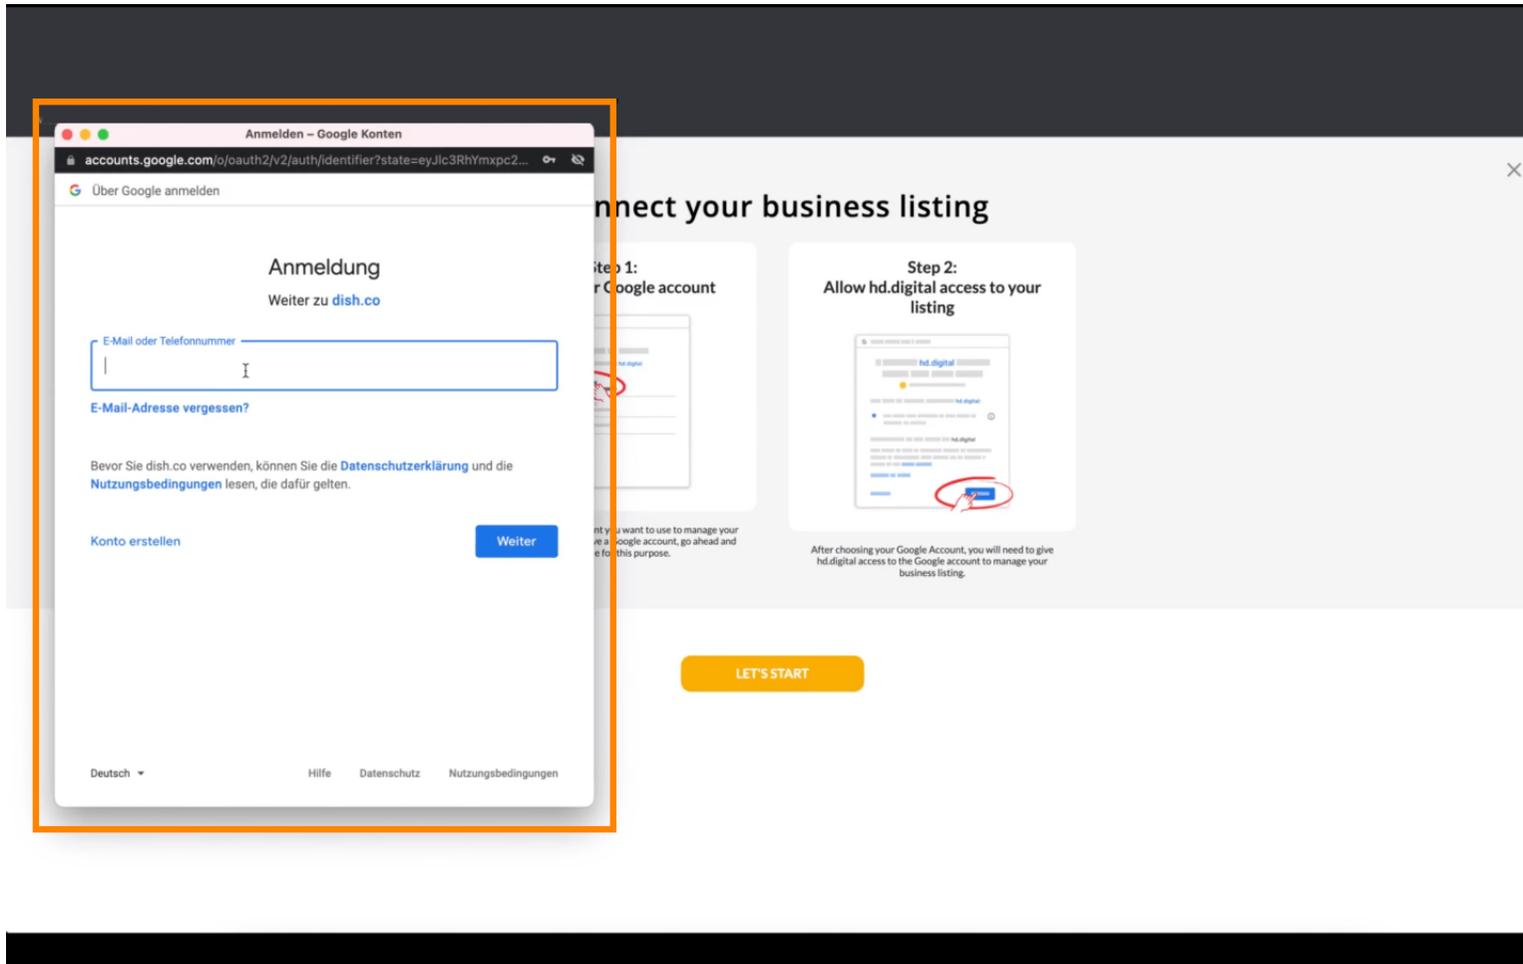

- 📌 A new window will open, introducing to you the following process of connecting your business account from Google. Click **LET'S START** to continue.

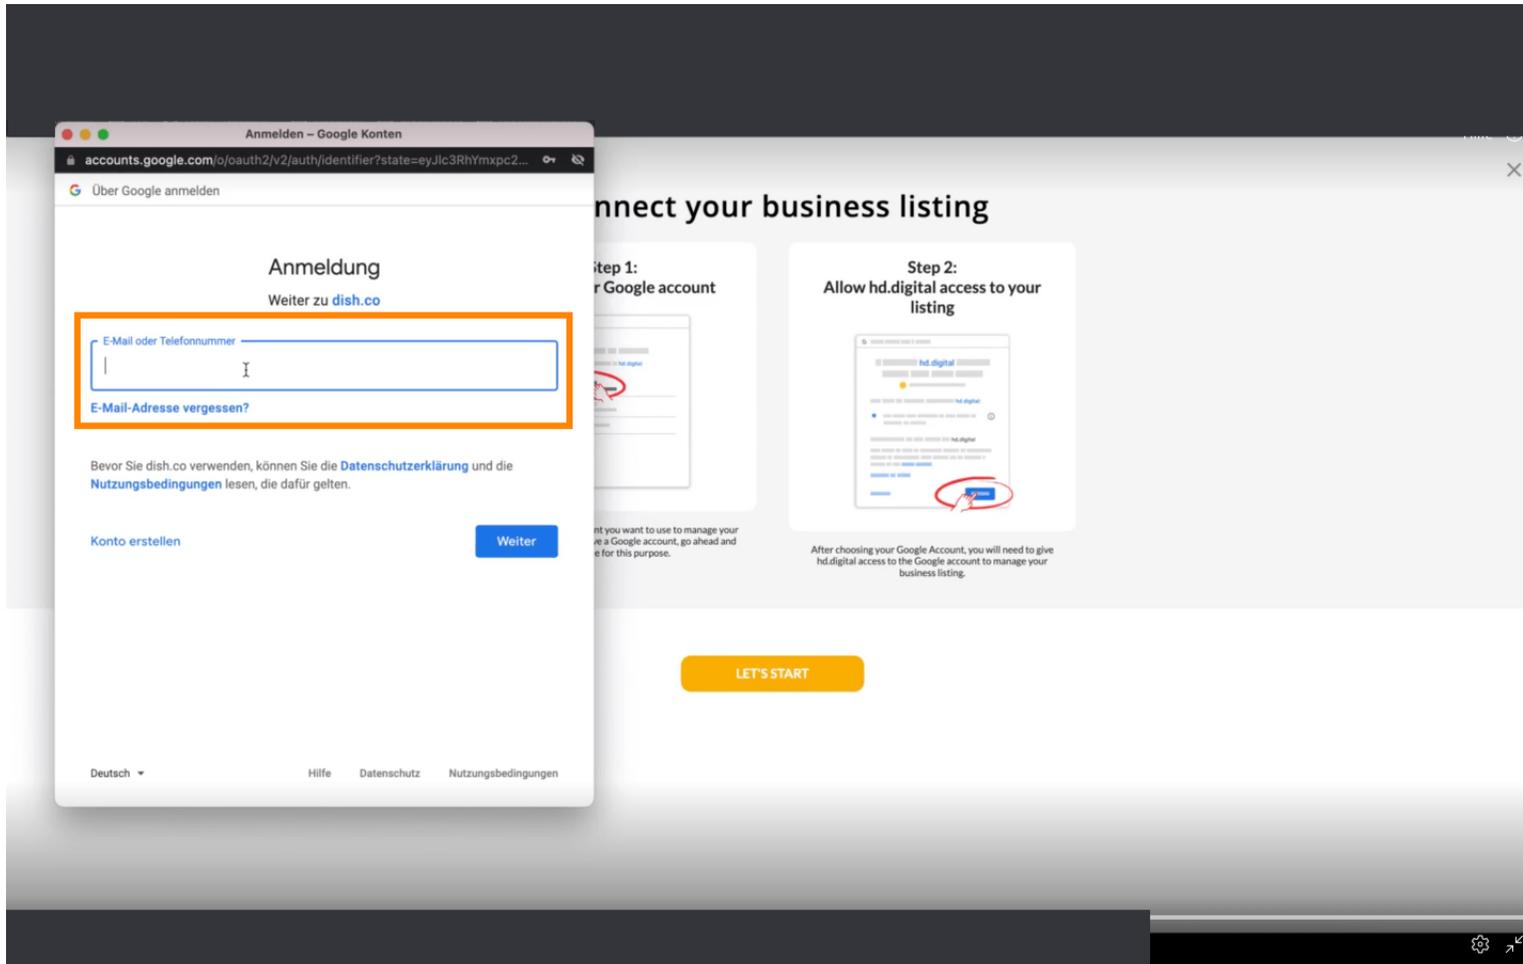

LET'S START

A Google pop-up window will then be displayed asking you to insert your Google account credentials.

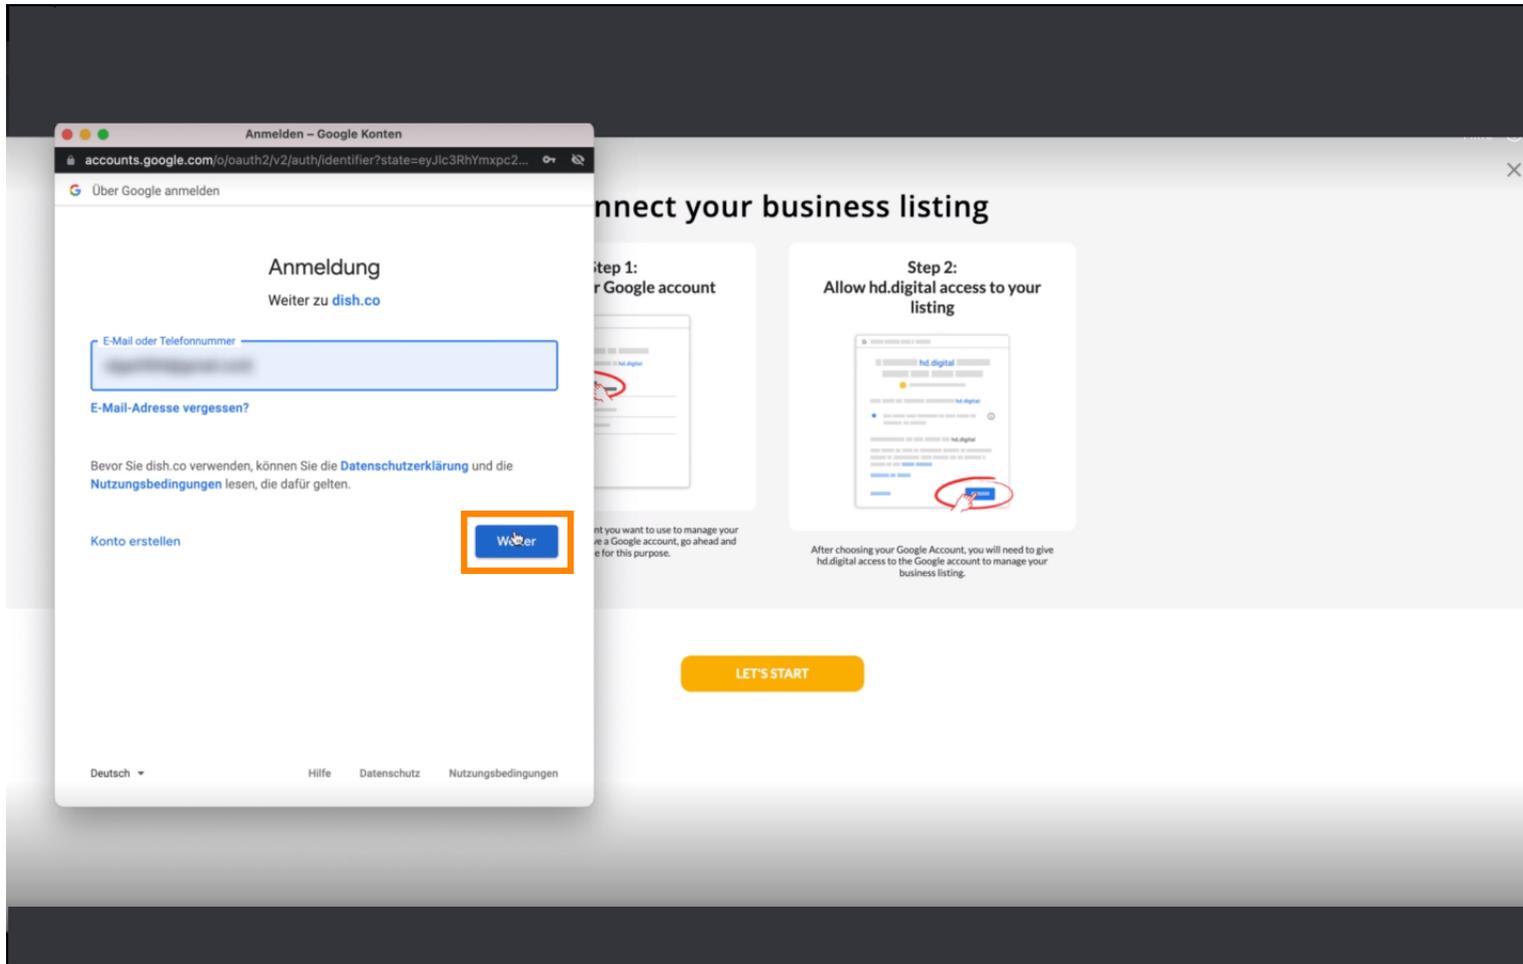

- Enter your email-address into the perspective **text field**.

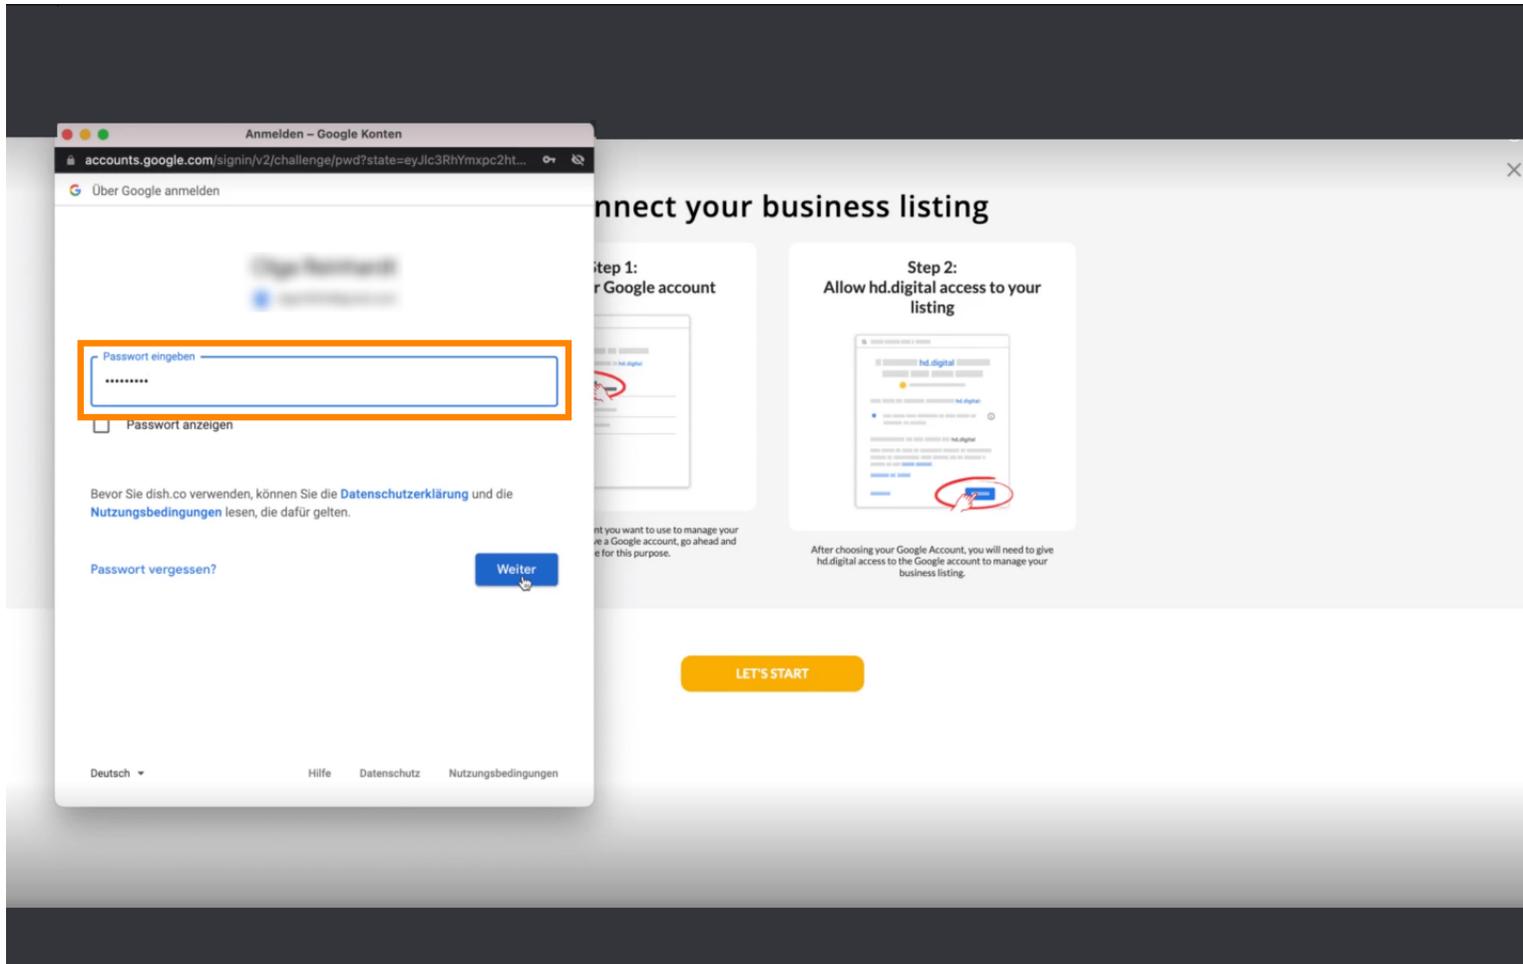

Then click on **Continue**.

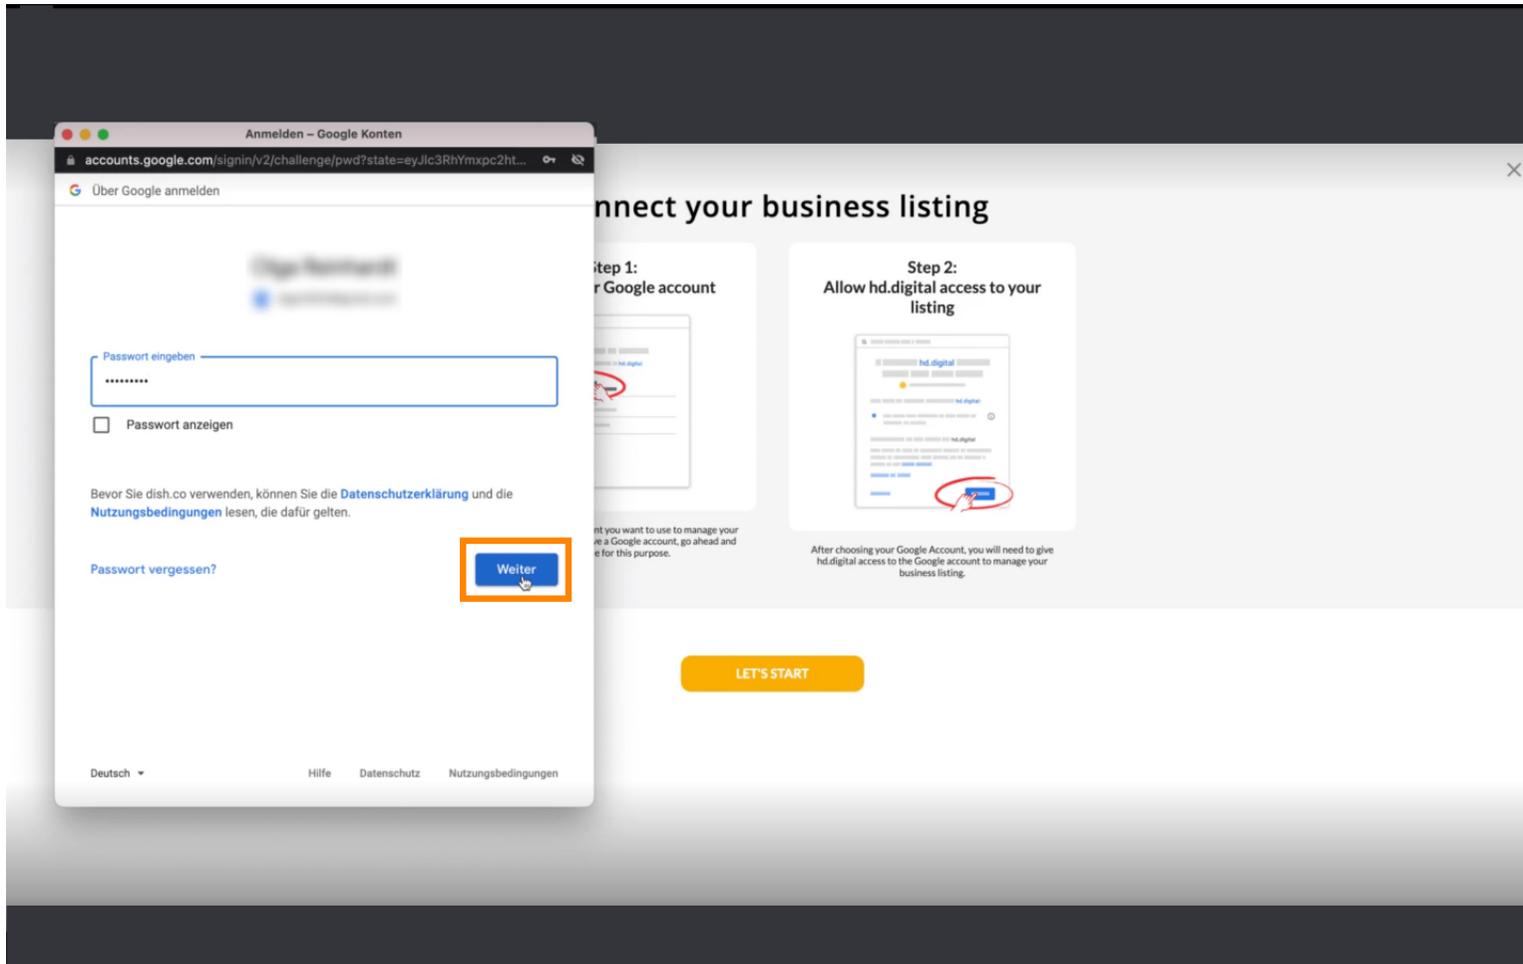

And enter your password into the perspective **text field**.

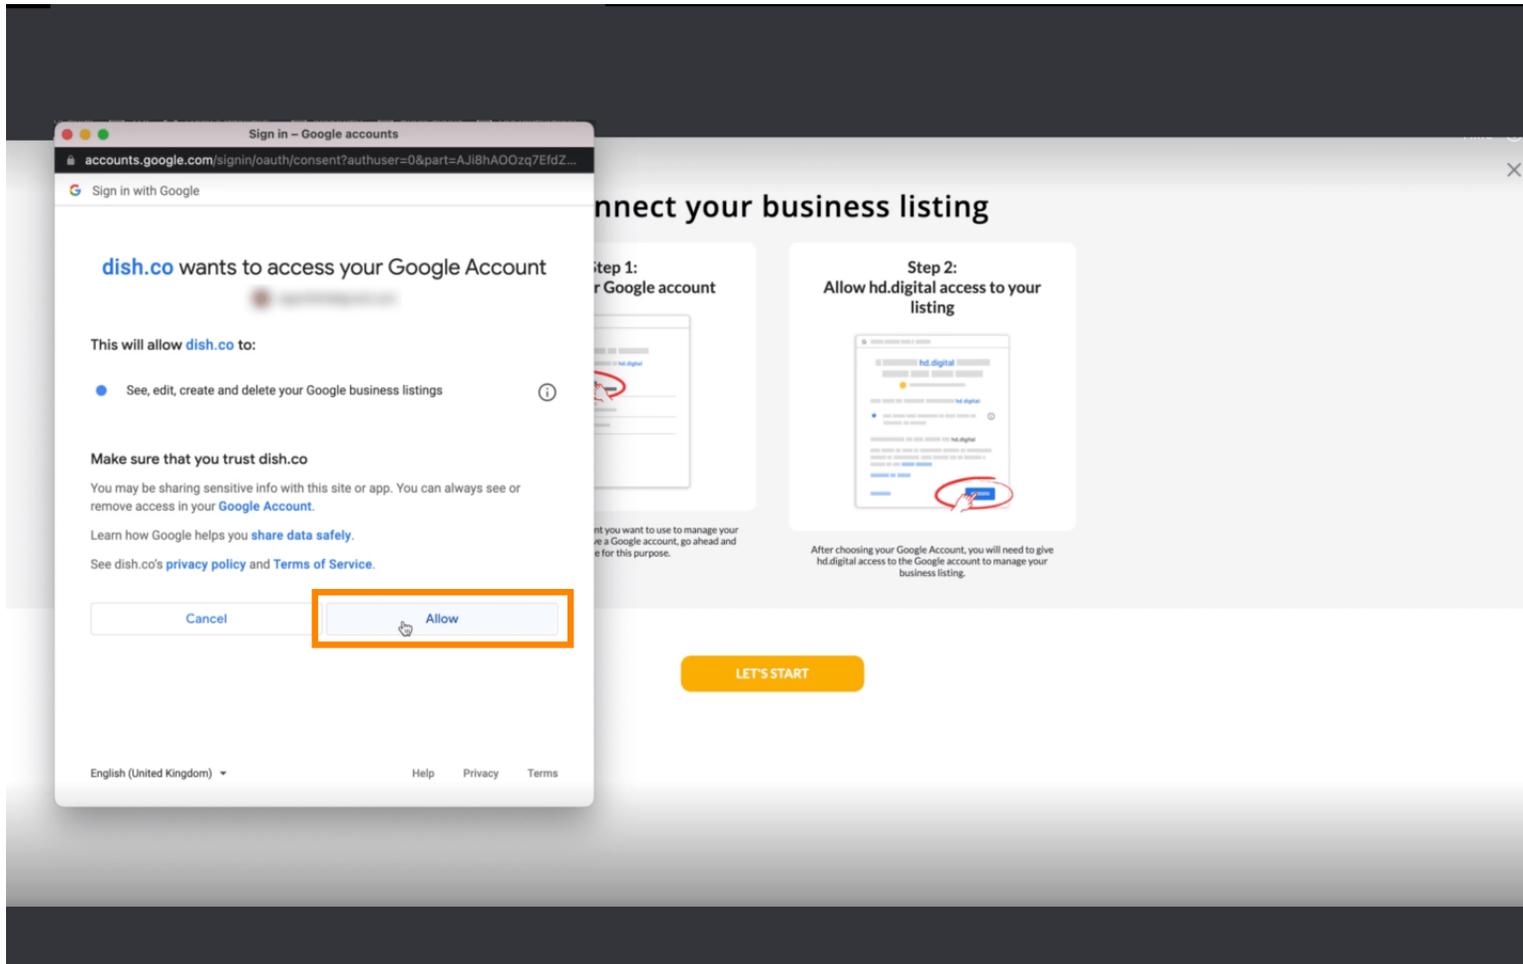

And again click on **Continue**.

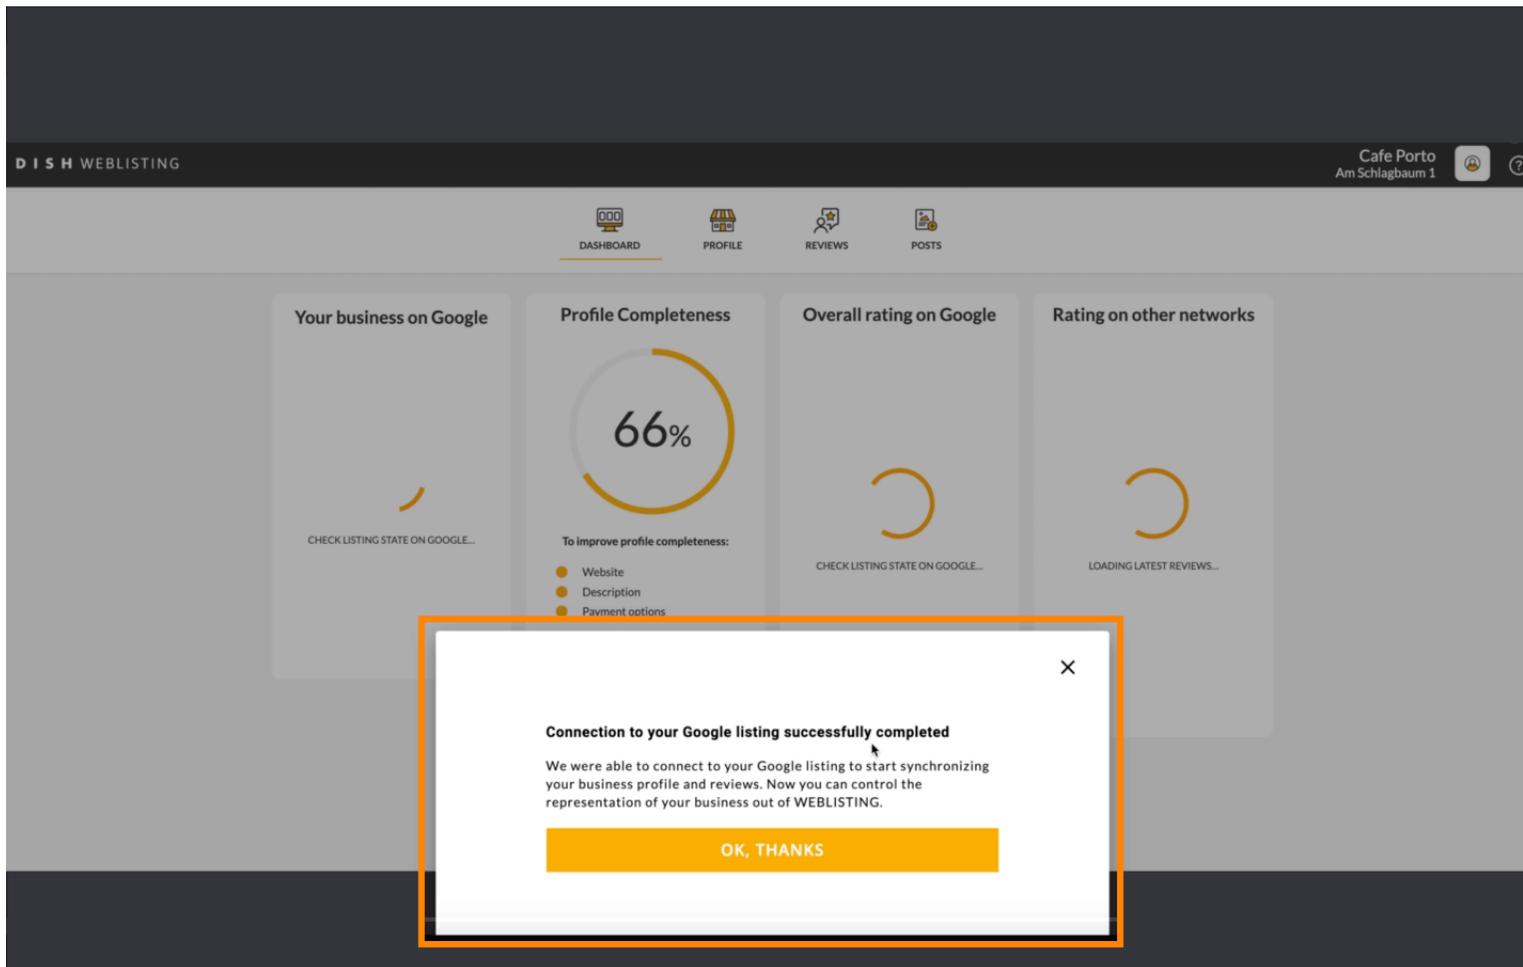

Now click on **Allow** to give DISH Weblisting rights to access your Google account.

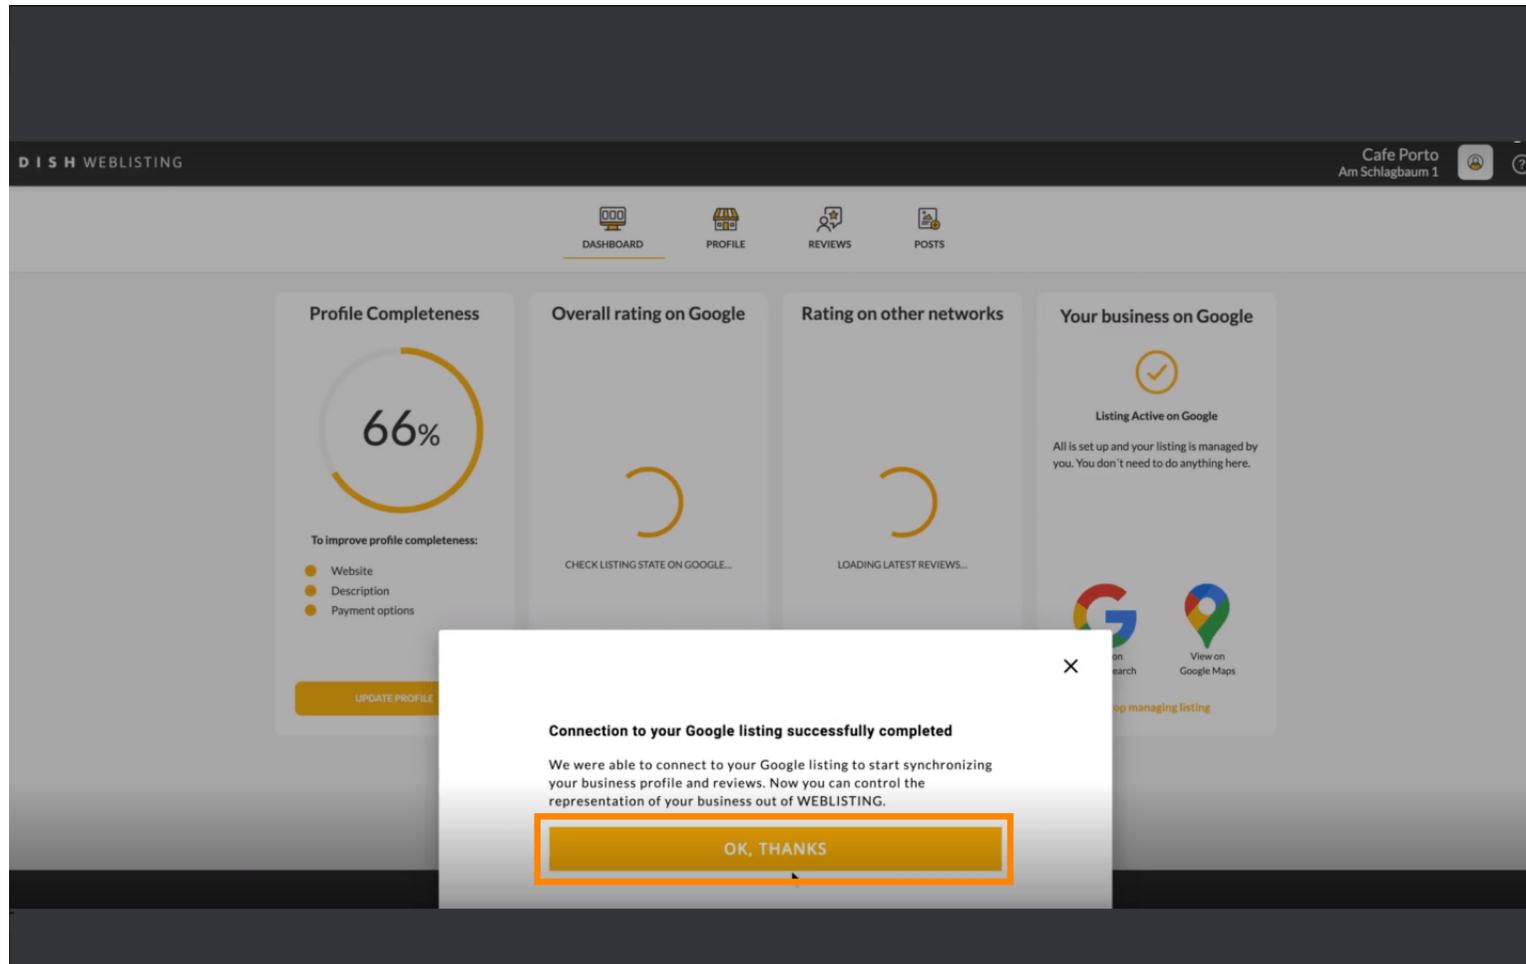

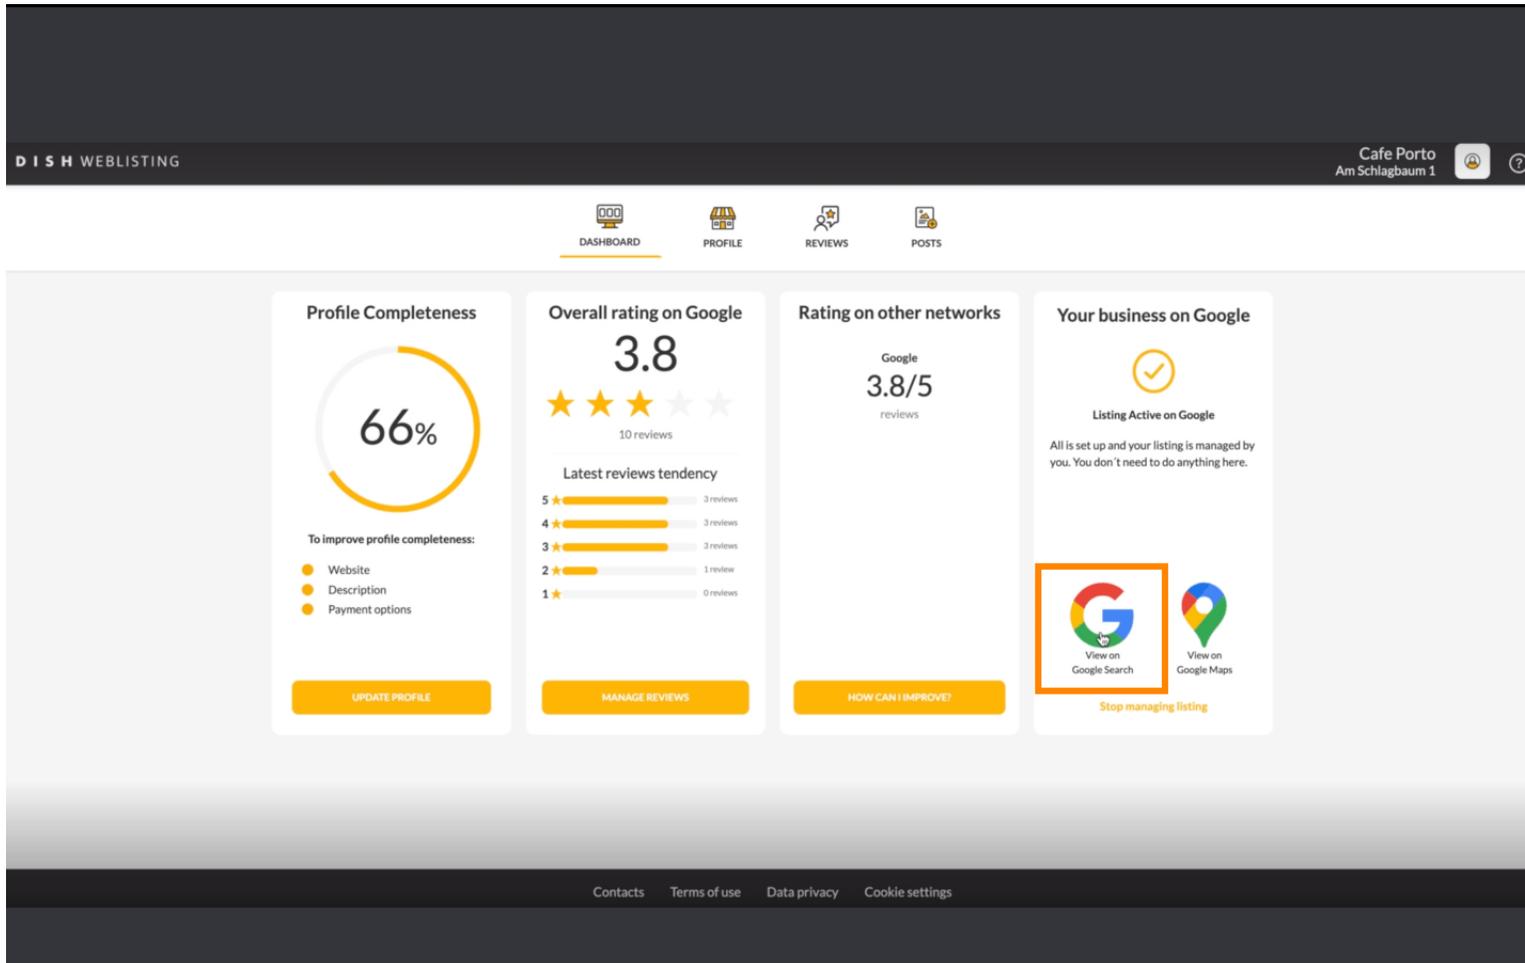

You will receive a notification that you are now in full control of your Google account from DISH Weblisting.

Click now on **OK, THANKS** to complete the process.

To take a look at your restaurant's Google business listing, click on the **Google icon**.

That's it. You completed the tutorial and now know how to connect your Google account.
