The screenshot shows the Google Business Profile Help form. At the top, there is a search bar with the text "Describe your issue". Below the search bar, there are several input fields: "Business name *", "Business address *", and "What are you trying to accomplish? *". The "What are you trying to accomplish? *" dropdown menu is open, showing the option "Opt out of working with a specific part...". Below this, there is a section titled "Why would you like to opt out of working with specific partners? *" with a "Select one" dropdown menu. The option "I am not happy with the services provided by the provider(s)" is highlighted with an orange border. Other options include "The provider(s) is not our preferred provider at this time", "I did not authorize the provider(s) to fulfill our online orders", and "The provider(s) did not take action after multiple tries". There is also a radio button for "Canada". Below the dropdown menu, there is a text box for "Please describe your opt-out reason." and a section for "Please submit an attachment that describes the concern/issue with the feature." with a "No files chosen" message.
