The screenshot displays the DISH website management dashboard. On the left is a vertical navigation menu with items: Dashboard, Restaurant details, Settings, Reservation options, Food ordering, Design and content (highlighted with an orange bar), Design Template, Template customization, Gallery media, Description, Content, Section layout, Legal, Web Address, DISH WEBLISTING, and Account. The main content area is titled 'Content' and includes a sub-header: 'Add content blocks or blogs to populate your website with more information and to inform your customers about your business, news, activities, vouchers, or events. Communication and content is key to have new customers visiting your business!'. Below this are three content blocks: 'About Us', 'Vouchers', and 'Events'. The 'Events' block is highlighted with a thick orange border. Each block has a plus sign icon to its right. At the top right of the dashboard, there are icons for a dark mode toggle, a 'VISIT WEBSITE' button, a language selector set to 'English', and a help icon. At the bottom right, there is a question mark icon. The footer contains the text 'Designed by Dish Digital Solutions GmbH. All rights reserved.' and a row of links: 'Imprint | FAQ | Terms of Use | Data Privacy | Privacy Settings'.
