

Manually open/close e-commerce sales channels

Press on the left top on the **menu**

Manually open/close e-commerce sales channels

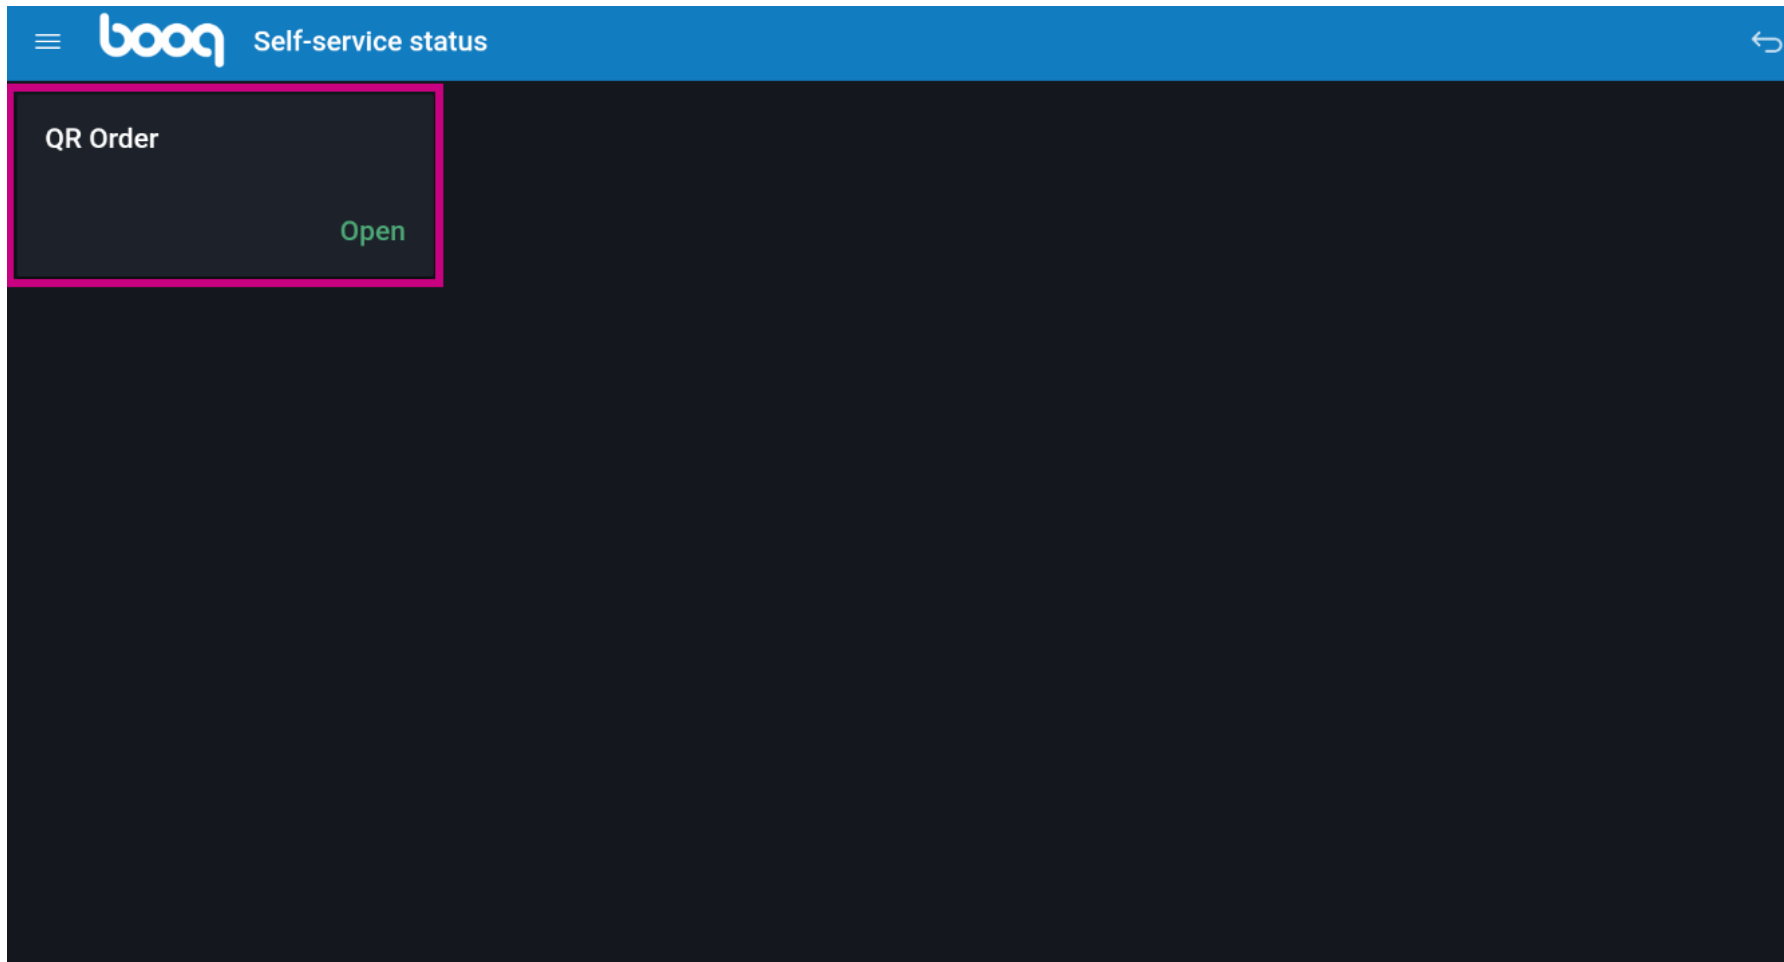

Click on **Self-service status**

The screenshot displays the Roltex POS system interface. The top navigation bar is dark blue and contains the text 'FACILITIES' and 'OPEN ORDERS' in white, along with a back arrow icon on the right. Below the navigation bar, the main area is dark grey and shows two large buttons: 'Terrace' and 'Direct Sale'. On the left side, there is a vertical menu with a dark blue header containing a user profile icon and the Roltex logo (ROLTEX SLIMME BEDRIJFSVOERING). The menu items are: 'Support User', 'PIN/EFT terminals', 'Unexpected payments', 'booq Tutorials', 'Self-service status' (highlighted with a pink border), 'Disable ticket printing' (with a checkbox), 'Reprint/Reopen order', 'Settings', and 'Logout'.

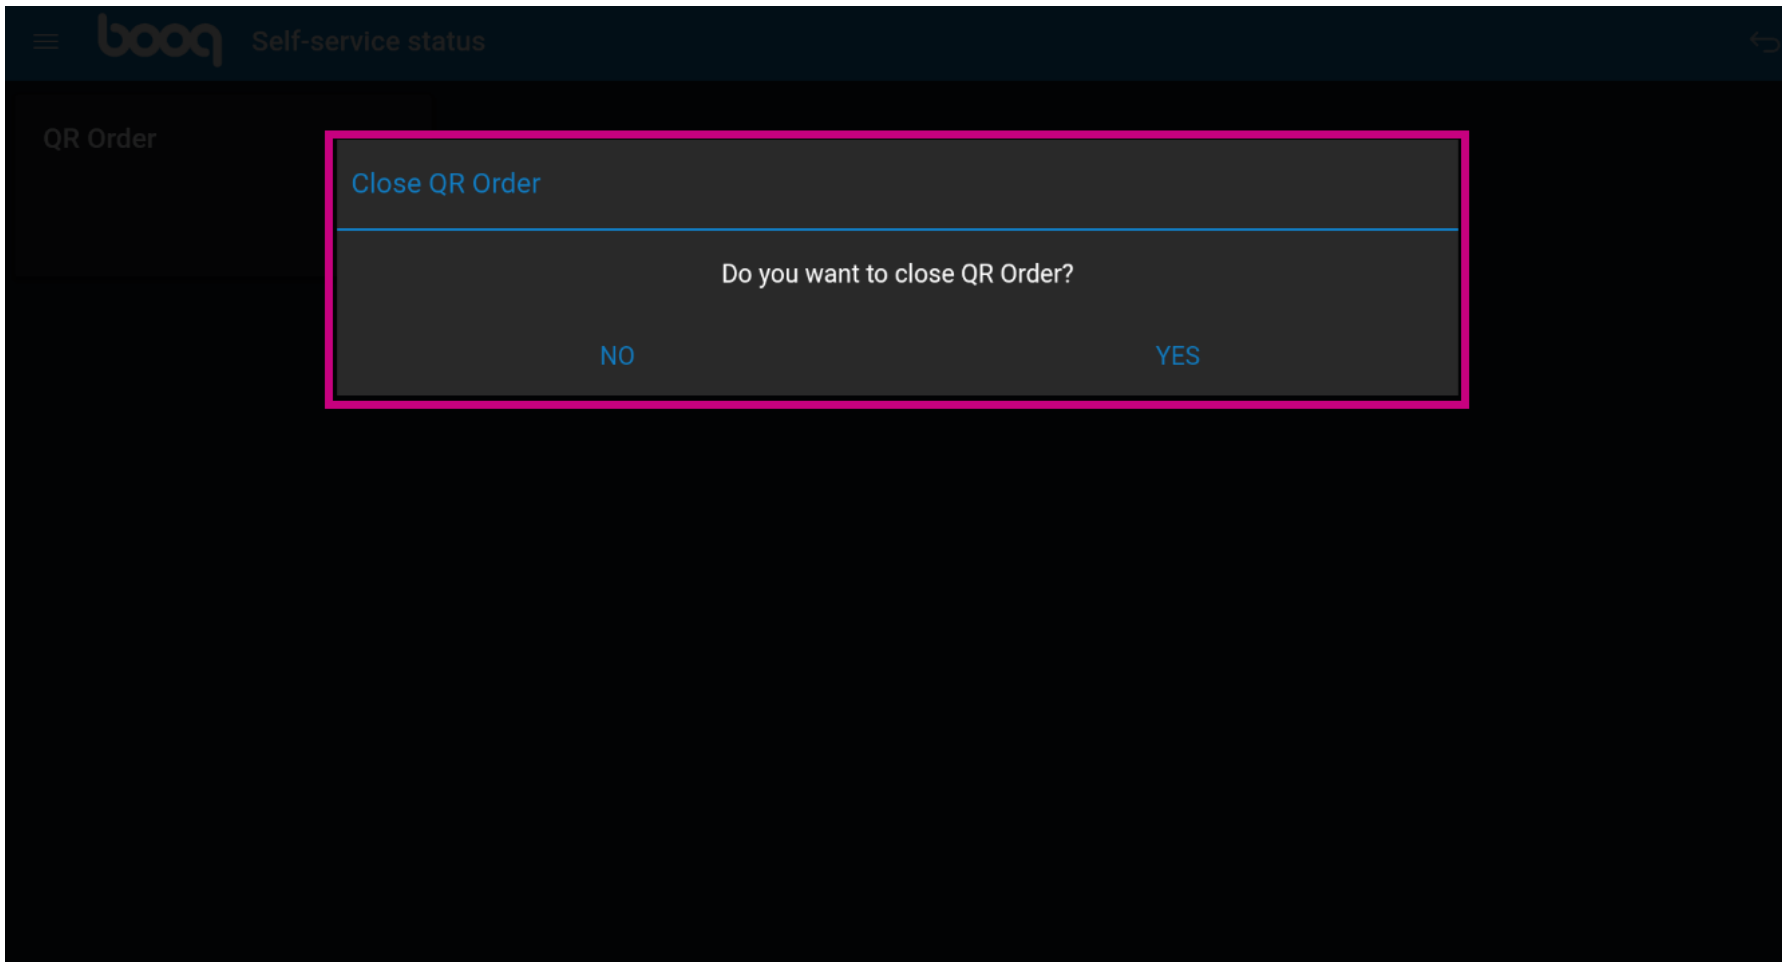

Manually open/close e-commerce sales channels

- Click on the **sales channel** whose status you want to change. **Ex. If you have QR ordering and Kiosk you will see multiple channels.**

- Click **Yes** to close the selected sales channel. **Note: The sales channel will automatically become available again on the next day in accordance with the opening hours that have been set.**
