Below this, it states: "With DISH Weblisting customers can easily find you on Google Maps and Google Search." Three key features are listed:

- You can **manage all the information** that needs to be shown on your Google listing and also upload pictures to make sure your restaurant looks appealing online.
- It is also possible to **reply to reviews** received on Google from your customers directly from DISH Weblisting.
- Lastly, you can **create Google posts** to interact more with your audience. You may have a new drink you want to share with your customers or a new event at your establishment you would like to inform about!

 At the bottom, there is a summary section with metrics: Profile Completeness, Overall rating on Google, Rating on other networks, and Your business on Google. To the right, a "Web Listing" preview shows a "Review details" card for a user named Luka Carvalho with a 5-star rating and a review text. A question mark icon is visible in the bottom right corner of the dashboard area.

En el menú **Sus datos** , tiene la posibilidad de **modificar datos personales existentes** y **exportar datos personales** .

The screenshot displays the administration interface for 'Test Bistro Train...'. The top navigation bar includes a 'VISIT WEBSITE' button and a language selector set to 'English'. A sidebar on the left lists various management options, with 'Account' and 'Profile' highlighted. The main content area is divided into two sections: 'User profile' and 'Change your password'. The 'User profile' section contains a form with the following fields: 'Salutation*' (Mr.), 'First Name*' (Test Max), 'Last name*' (Trainer), and 'E-mail*' (training@hd.digital). A 'SAVE' button is located below the form. The 'Change your password' section includes a 'CHANGE YOUR PASSWORD' button and a help icon (question mark) in the bottom right corner.
