The screenshot shows the 'Customers' management page in the DISH system. The interface includes a sidebar with navigation options like Dashboard, Restaurant, Kitchen, Sales, Marketing, Users, Design, Localisation, Tools, and System. At the top of the main content area, there are action buttons: '+ New', 'Enable', 'Disable', 'Download CSV list', and 'Download Excel list'. The 'Download CSV list' and 'Download Excel list' buttons are highlighted with an orange box. Below these buttons is a table with columns for 'FULL NAME', 'EMAIL', 'TELEPHONE', 'DATE REGISTERED', 'STATUS', and 'MARKETING CONSENT'. A single customer record for 'Jane Doe' is visible, with a status of 'Enabled' and 'NO' for marketing consent. The bottom right corner of the interface features a help icon (a question mark in a circle) and links for 'Privacy Settings | FAQ | New Features'.
