The screenshot displays the DISH POS v2.49.0 interface. The top navigation bar includes the user profile 'dish_en_video@hd.digital' and the title '(V) Demo EN Video'. The left sidebar menu is expanded to show the 'Facilities' option under the 'General' category. The main content area is titled 'Facilities' and features a search bar with the placeholder 'Type to search'. Below the search bar is a yellow warning message: 'Be extra careful when you use QR ordering through CMS: QR codes are linked to facilities. Once created, these QR codes cannot be reassigned to a different facility.' The main content area contains a table with one facility listed: 'HD Video Demo English'. A red box highlights a downward arrow icon next to the facility name, indicating that it can be expanded.

Quindi fare clic sull'icona **di modifica** della struttura a cui si desidera assegnare il menu derivato.

The screenshot displays the 'Edit sales point' interface in the DISH POS system. On the left, a sidebar menu lists various settings categories like 'Articles', 'Finances', and 'General'. The main area is titled 'Edit sales point' and contains a 'Menu' configuration section. In this section, the 'Name' field is set to 'Terrace' and the 'Parent' dropdown is set to 'HD Video Demo English'. Below these, there are two dropdown menus for 'POS menu' and 'Self-service menu', both of which are set to 'Inherit'. The 'POS menu' dropdown is highlighted with a red rectangular box. Underneath, the 'Menu planning' section is visible, featuring a table with two columns: 'Period' and 'Menu'. Both columns currently have 'None' selected in their respective dropdown menus. A '+ Add' button is located to the right of the table. At the bottom right of the interface, there is a red 'Save' button.

E seleziona il tuo **menù**.

Per applicare le modifiche, fare clic su **Salva** .
