Save

Pour activer l'impression du QR code, cochez la **case** correspondante .

The screenshot displays the DISH POS v2.49.0 settings interface. On the left is a dark sidebar menu with categories like 'Dashboard', 'Articles', 'Finances', 'General', 'Production stations', 'Facilities', 'Cash stores', 'Printers', 'App links', 'Table map', 'Users', 'Usergroups', 'POS devices', 'Courses', 'Customers', 'Currencies', 'Turnover groups', 'Translations', 'Package profiles', 'Payment', and 'Self-service'. The 'Settings' option is highlighted in the sidebar. The main content area is titled 'Settings' and includes a 'CLOSE' button. At the top, there are input fields for 'Name' (HD Video Demo English) and 'Language' (English). The settings are organized into three columns: 'General Settings', 'Receipt Settings', and 'Facility Settings'. Under 'General Settings', there are checkboxes for 'Uses cash drawer shifts' (checked), 'Keep closed order in view', and 'Reset stock daily'. Under 'Production ticket settings', there is a dropdown for 'Shared product details' set to 'Production station ...'. The 'DISH POS payment QR ticket settings' section contains a checkbox labeled 'Print first round QR', which is highlighted with a yellow box. Below this checkbox is a note: 'Check the box below to print a DISH POS payment QR ticket with every first round of the order.' The 'Receipt Settings' column has a 'Ticket Header' text area. The 'Facility Settings' column has two numeric input fields for 'Facility discoloration time 1' (set to 5) and 'Facility discoloration time 2' (set to 10). At the bottom right, there is a red 'Save' button.

Vous pouvez ensuite ajuster l'imprimante par défaut pour ces codes QR. Il suffit de cocher la case correspondante .

The screenshot displays the DISH POS v2.49.0 settings interface. On the left is a dark sidebar menu with categories like 'General', 'Production stations', 'Facilities', 'Cash stores', 'Printers', 'App links', 'Table map', 'Users', 'Usergroups', 'POS devices', 'Courses', 'Customers', 'Currencies', 'Turnover groups', 'Translations', 'Package profiles', 'Payment', and 'Self-service'. The 'Settings' menu item is highlighted in orange. The main content area is titled 'Settings' and includes a 'CLOSE' button with an 'X' icon. At the top, there are input fields for 'Name' (HD Video Demo English) and 'Language' (English). The settings are organized into three columns: 'General Settings', 'Receipt Settings', and 'Facility Settings'. Under 'General Settings', there are checkboxes for 'Uses cash drawer shifts' (checked), 'Keep closed order in view', and 'Reset stock daily'. Under 'Production ticket settings', there is a dropdown for 'Shared product details' set to 'Production station ...'. The 'DISH POS payment QR ticket settings' section includes a checkbox for 'Print first round QR' (checked) and a 'Printer selection' section with two radio buttons: 'POS device printer' (selected and highlighted with an orange box) and 'Fixed printer'. Under 'Receipt Settings', there are text areas for 'Ticket Header', 'Bill Footer', and 'Order Overview Footer'. Under 'Facility Settings', there are two input fields for 'Facility discoloration time 1' (value 5) and 'Facility discoloration time 2' (value 10). A 'Save' button is located at the bottom right of the settings panel.

Si vous avez sélectionné l'option d'une imprimante fixe, vous devez définir l'imprimante correspondante. Pour ce faire, utilisez le **menu déroulant** correspondant .

The screenshot shows the DISH POS v2.49.0 settings interface. On the left is a navigation menu with categories like 'General', 'Production stations', 'Facilities', 'Cash stores', 'Printers', 'App links', 'Table map', 'Users', 'Usergroups', 'POS devices', 'Courses', 'Customers', 'Currencies', 'Turnover groups', 'Translations', 'Package profiles', 'Payment', and 'Self-service'. The 'Settings' menu item is selected, leading to a 'Settings' panel with a 'CLOSE' button in the top right.

The 'Settings' panel has a header with 'Name \* HD Video Demo English' and 'Language English'. Below this are three columns of settings:

- General Settings:** Includes checkboxes for 'Uses cash drawer shifts' (checked), 'Keep closed order in view', and 'Reset stock daily'.
- Production ticket settings:** Includes a 'Shared product details' dropdown set to 'Production station ...'.
- DISH POS payment QR ticket settings:** Includes a checked checkbox for 'Print first round QR' and a 'Printer selection' section with two radio buttons: 'POS device printer' (unselected) and 'Fixed printer' (selected).

Below the 'Fixed printer' radio button is a dropdown menu labeled 'Fixed printer \*', which is highlighted with a yellow box. To the right, the 'Receipt Settings' column contains 'Ticket Header', 'Bill Footer', and 'Order Overview Footer' text areas. The 'Facility Settings' column contains 'Facility discoloration time 1 \*' (set to 5) and 'Facility discoloration time 2 \*' (set to 10). A 'Save' button is located at the bottom right of the settings panel.

Une fois que vous avez tout configuré, cliquez sur **Enregistrer** pour appliquer les modifications.

The screenshot displays the DISH POS v2.49.0 settings interface.
