You are now in the overview of your app links. To create a new app link, click on **+ Add app link**.

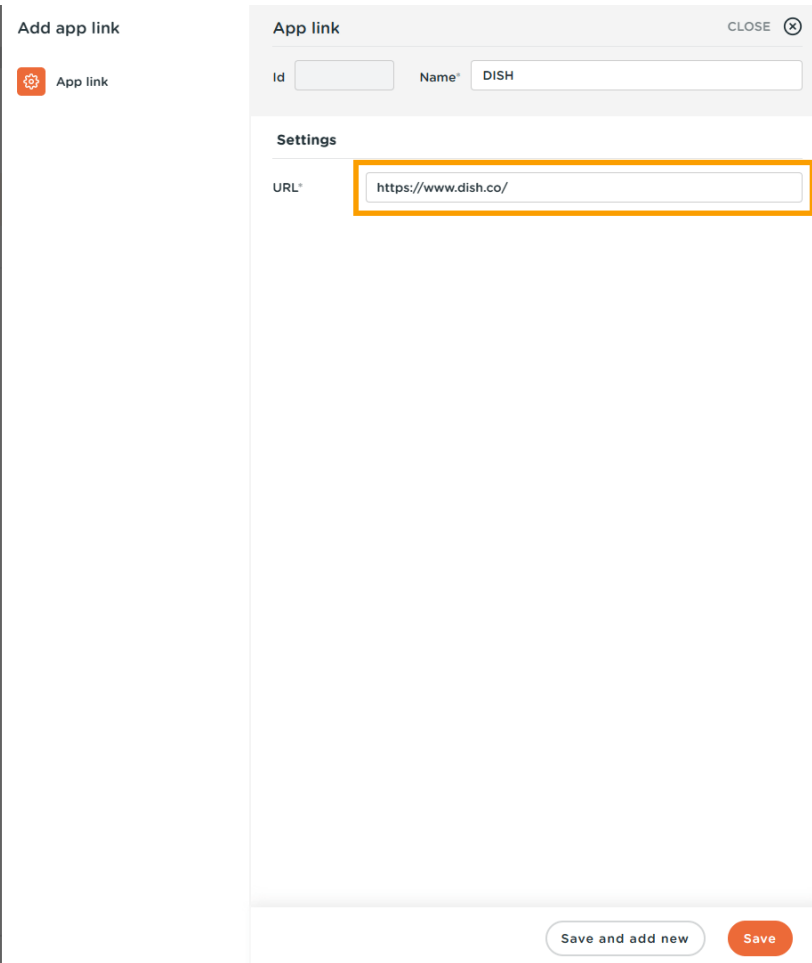

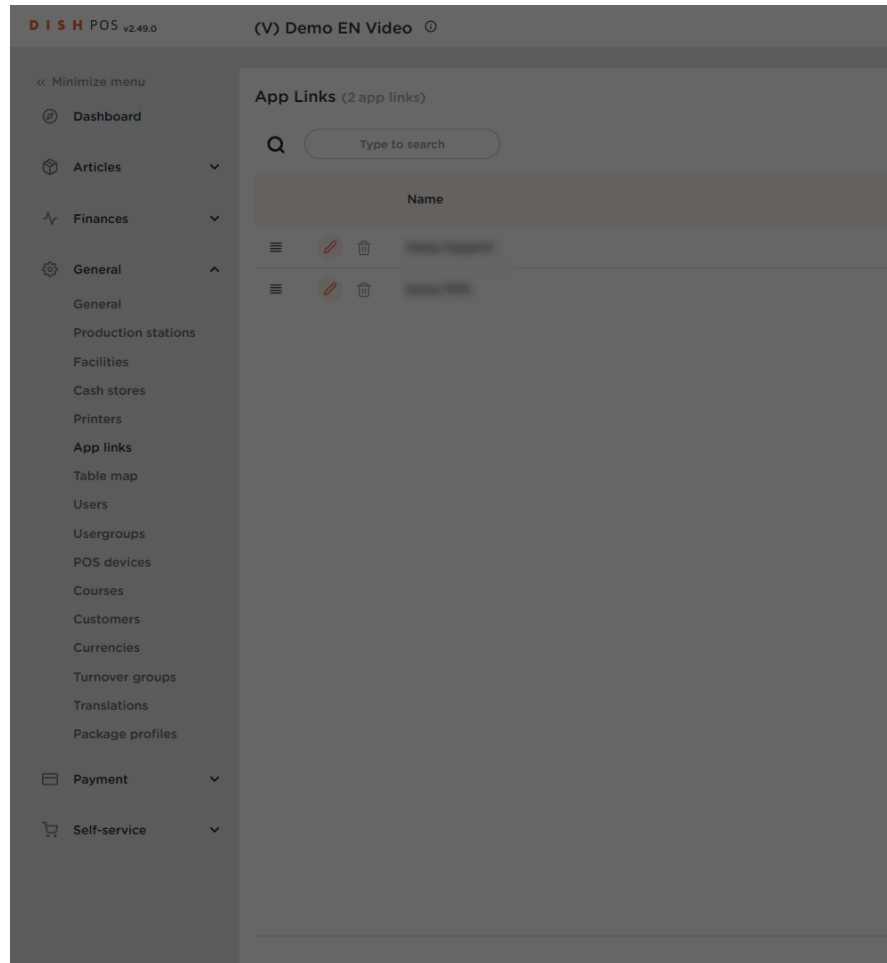

The screenshot shows the DISH POS v2.49.0 interface. The top navigation bar includes the version number, a video player title '(V) Demo EN Video', a 'DISH POS Tutorials' link, an 'Update available' notification, and a user profile 'dish_en_video@hd.digital'. The left sidebar menu is expanded to 'App links'. The main content area is titled 'App Links (2 app links)' and features a search bar, a 'Show 50 records' dropdown, and a '+ Add app link' button highlighted with an orange box. Below this is a table with two columns: 'Name' and 'URL'. Two rows of app links are visible, each with a menu icon, an edit icon, and a delete icon.

Click the **text field** next to **Name*** and give the link a name. A new window will open, where you can enter the information of the new app link. Start by entering the name into the respective **text field**.

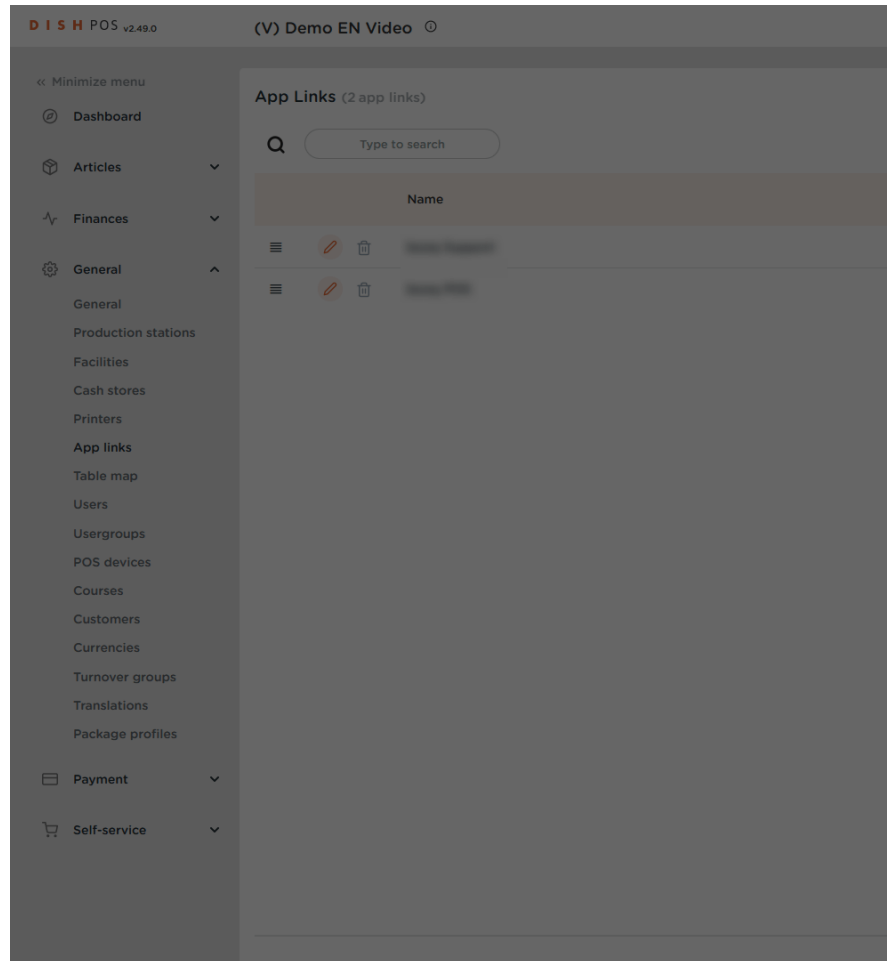

The screenshot displays the DISH POS v2.49.0 interface. On the left is a dark sidebar menu with options like Dashboard, Articles, Finances, General, Production stations, Facilities, Cash stores, Printers, App links, Table map, Users, Usergroups, POS devices, Courses, Customers, Currencies, Turnover groups, Translations, Package profiles, Payment, and Self-service. The main area shows 'App Links (2 app links)' with a search bar and a table with columns for Name and icons for edit/delete. A modal window titled 'Add app link' is open, showing a form with 'App link' settings. The 'Name' field is highlighted with an orange border and contains the text 'DISH'. Below it is a 'URL*' field. At the bottom of the modal are 'Save and add new' and 'Save' buttons.

Then enter the URL of the app link into the corresponding **text field**.

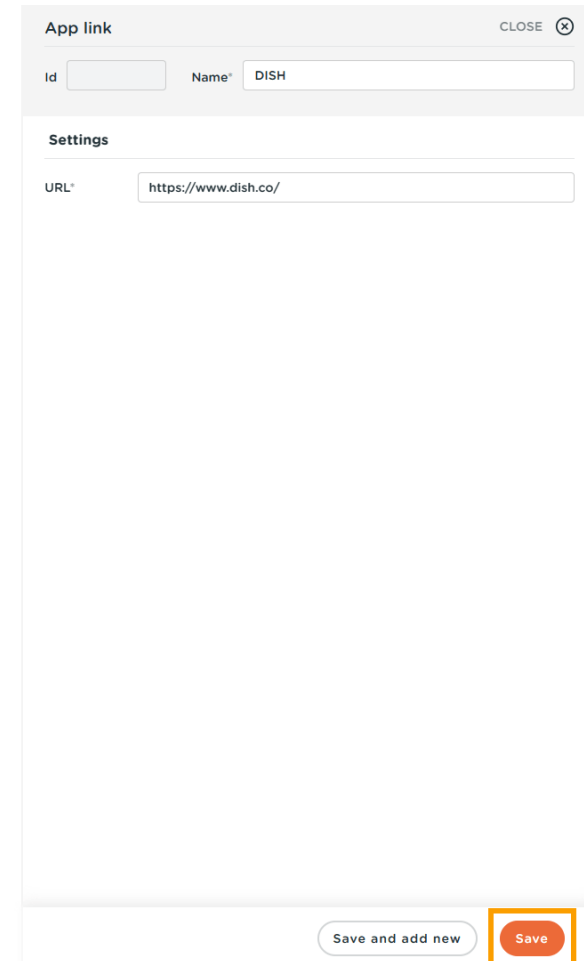

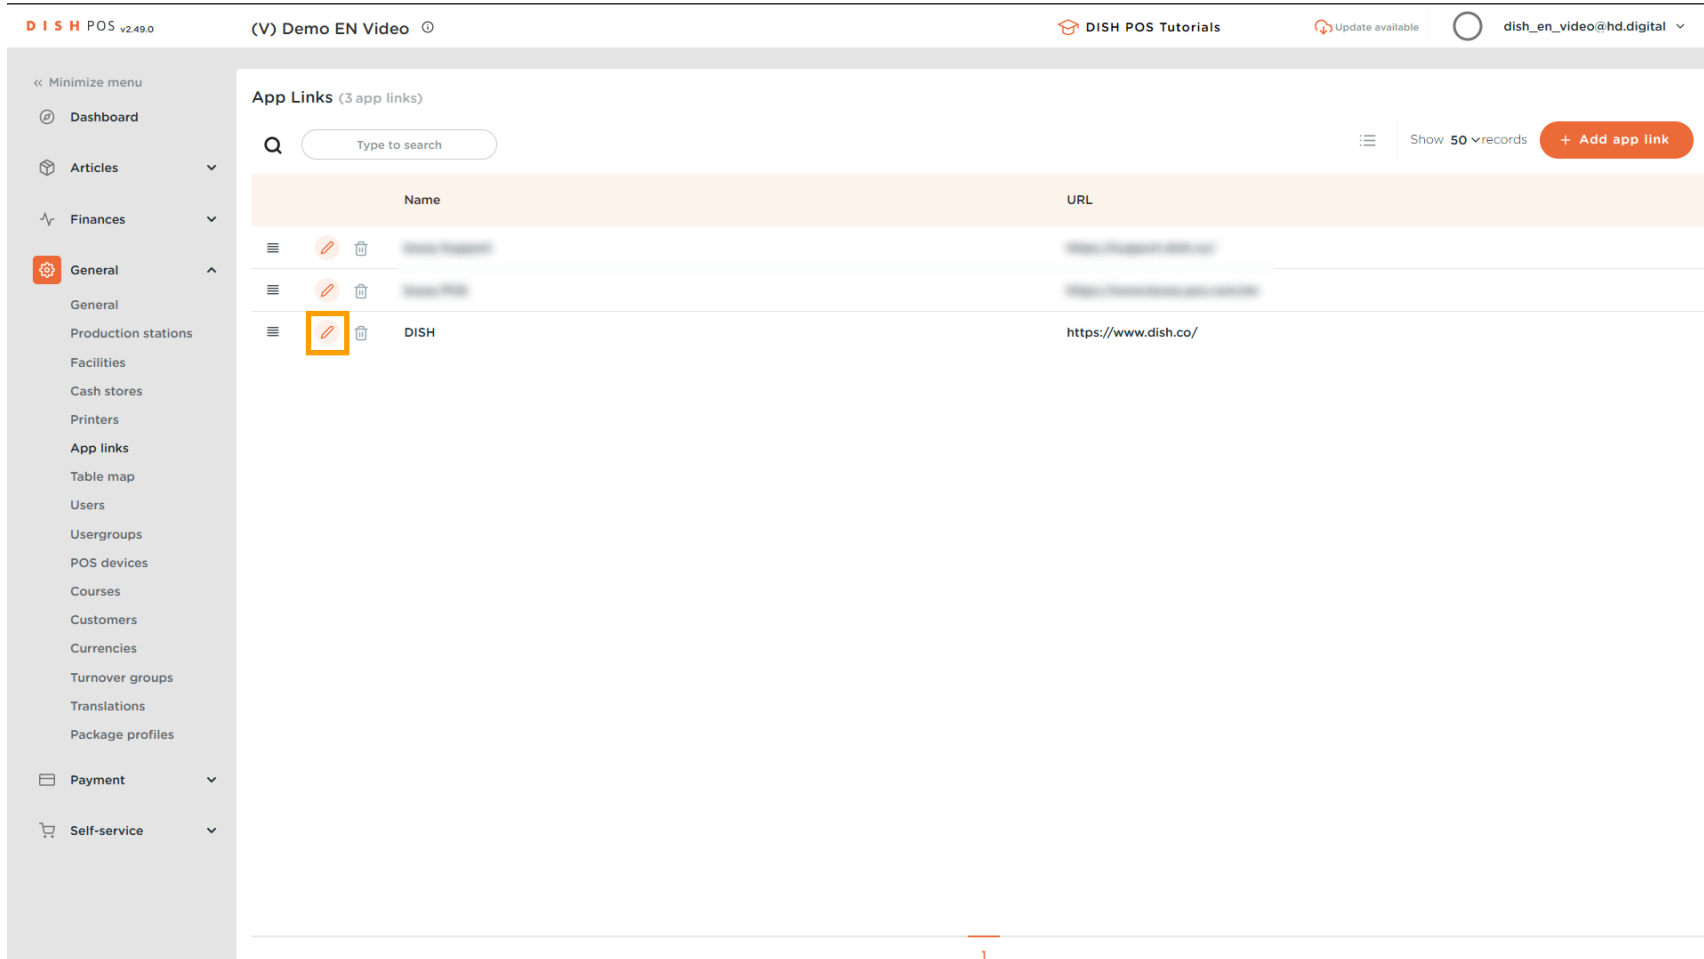

Once you entered all the information, click on **Save** to apply the changes.

Add app link

Back in the overview, use the **edit icon** to adjust an app link.

The screenshot displays the DISH POS v2.49.0 interface. The top navigation bar shows the version, a video player title '(V) Demo EN Video', and user information 'dish_en_video@hd.digital'. The sidebar menu is expanded to 'General', which includes 'App links'. The main content area is titled 'App Links (3 app links)' and features a search bar, a 'Show 50 records' dropdown, and an 'Add app link' button. A table lists three app links:

Name	URL
[Redacted]	[Redacted]
[Redacted]	[Redacted]
DISH	https://www.dish.co/

The 'edit icon' (pencil) for the 'DISH' link is highlighted with a yellow box.

To delete an app link, click on the **bin icon**.

The screenshot shows the DISH POS v2.49.0 interface. The top navigation bar includes the version number, a video player title '(V) Demo EN Video', 'DISH POS Tutorials', an 'Update available' notification, and a user profile 'dish_en_video@hd.digital'. The sidebar menu on the left lists various system components, with 'App links' highlighted. The main content area displays 'App Links (3 app links)' with a search bar and a '+ Add app link' button. A table lists the app links with columns for 'Name' and 'URL'. The table contains three entries, with the third entry, 'DISH' with URL 'https://www.dish.co/', having its 'bin icon' highlighted by a yellow box.

Name	URL
[Redacted]	[Redacted]
[Redacted]	[Redacted]
DISH	https://www.dish.co/

To make sure you are not deleting an item by accident, you will be asked to confirm your action. To do so, click on **Delete**.

The screenshot shows the DISH POS v2.49.0 interface. The top navigation bar includes 'DISH POS Tutorials', 'Update available', and the user profile 'dish_en_video@hd.digital'. The left sidebar contains a menu with categories like 'Dashboard', 'Articles', 'Finances', 'General', 'Production stations', 'Facilities', 'Cash stores', 'Printers', 'App links', 'Table map', 'Users', 'Usergroups', 'POS devices', 'Courses', 'Customers', 'Currencies', 'Turnover groups', 'Translations', 'Package profiles', 'Payment', and 'Self-service'. The main content area is titled 'App Links (3 app links)' and features a search bar, a 'Show 50 records' dropdown, and an 'Add app link' button. A table lists three app links with columns for 'Name' and 'URL'. The third row, labeled 'DISH' with the URL 'https://www.dish.co/', is selected. A confirmation dialog box is centered on the screen, asking 'Are you sure to delete the selected item?' with 'Cancel' and 'Delete' buttons. The 'Delete' button is highlighted with a yellow border.

Name	URL
[Redacted]	[Redacted]
[Redacted]	[Redacted]
DISH	https://www.dish.co/

That's it. You completed the tutorial and now know how to create app links for your POS devices.

The screenshot shows the DISH POS v2.49.0 interface. The top navigation bar includes the logo, version number, user name (dish_en_video@hd.digital), and a tutorial link. The sidebar menu is on the left, with 'App links' highlighted. The main content area displays 'App Links (2 app links)' with a search bar, a table with columns 'Name' and 'URL', and an '+ Add app link' button. The table contains two rows of app links, each with a menu icon, edit icon, and delete icon.
