Adding and managing cash stores

Welcome to the DISH POS dashboard. In this tutorial, we show you how to add and manage cash stores.

First, click on General.

Then go to Cash stores.

Adding and managing cash stores

You are now in the overview of your cash stores. To create a new one, click on + Add cash store.

A new window will open, where you can enter the information of the new cash store. Start by entering the name into the respective text field.

If you wish to allow multiple shifts, set the corresponding checkmark.

To make the cash store visible in the app, set the corresponding checkmark.

To create an order for your cash stores, enter number into the corresponding field.

Once you set up all the information, click on Save to apply the changes.

That's it. You completed the tutorial and now know how to add and manage cash stores.
