New Imprint Legal Information Update

Dear Website Builder Customer, in order to always provide you with the best experience and information we have updated our Imprint form. Please **update your imprint information** accordingly and check in each case whether they are correct and complete. Please consider that you, as the owner of this website, are responsible for the correct and complete imprint information of your own Restaurant Website. If you have any questions or need our assistance in completing the form, please contact our Support Centre at any time.

Food ordering

● INACTIVE

You can now enable your website visitors to order food "to go" from your establishment! Simply enable the option below and make sure to upload your menu. Please stick to the laws and actual rules in your country, when enabling this functionality

Once this option is enabled, make sure you monitor your emails closely so that you do not miss any food ordering requests.

Disable Enable

Link to your preferred Food Ordering service

Add the link to your preferred Food Order service so your customers can be redirected accordingly.

By default and if it has not been modified, the DISH Order Storefront link is automatically loaded in this field.

Se uma URL válida foi adicionada, a seguinte Nota aparecerá confirmando que as alterações foram bem-sucedidas.

The screenshot shows the management interface for a restaurant named "Test Bistro Train...". The left sidebar contains navigation options: Dashboard, Restaurant details, Settings, Reservation options, Food ordering (highlighted), Design and content, Legal, Web Address, DISH WEBLISTING, and Account. The main content area displays a green notification box with a checkmark and the text "Your changes were saved successfully." Below this, there is a section for enabling food ordering, with a toggle switch currently set to "Enable". Further down, there are sections for "Receive orders outside of my opening hours", "Services available" (with checkboxes for Pickup, Delivery, and Eat In), and "Payment methods available" (with checkboxes for Cash, Credit card, Debit card, and EC card). At the bottom, there is a section for "Link to your preferred Food Ordering service" with a text input field containing a URL. A "SAVE" button is visible in the bottom right corner of the settings area.
