Create content block at the **desired position**. We recommend to position it under "About Us"

The screenshot shows the DISH website management interface. The left sidebar contains a menu with the following items: Dashboard, Restaurant details, Settings, Reservation options, Food ordering, Design and content (highlighted), Design Template, Template customization, Gallery media, Description, Content, Legal, Web Address, DISH WEBLISTING, and Account. The main content area is titled 'Content' and includes a sub-header: 'Add content blocks or blogs to populate your website with more information and to inform your customers about your business, news, activities, vouchers, or events. Communication and content is key to have new customers visiting your business!'. Below this, there are three content blocks: 'About Us', 'Vouchers', and 'Events'. Each block has a plus icon in the top right corner, indicating it can be edited or added. A large orange box highlights the 'About Us' block, and a question mark icon is visible in the bottom right corner of the content area. At the top of the interface, there is a header with the 'San Marino' logo, address 'WOLLGRASWEG 65, WOLFSBURG, DE', a 'VISIT WEBSITE' button, and a language selector set to 'English'.

Click **ADD A CONTENT BLOCK**.

The screenshot shows the DISH website management interface. On the left is a dark sidebar with a menu. The main area has a top header with the user's name 'San Marino' and address 'WOLLGRASWEG 65, WOLFSBURG, DE'. Below the header, there's a pink notification box about imprint information with an 'Update Imprint' button. The 'Content' section is active, showing a list of content blocks: 'About Us', 'Vouchers', and 'Events'. The 'About Us' block is expanded, showing a 'New content block' section with an 'ADD A CONTENT BLOCK' button highlighted by an orange box. A yellow question mark icon is visible on the right side of the interface.
