Crea un blocco di contenuto nella **posizione desiderata** . Ti consigliamo di posizionarlo sotto " **Chi siamo** "

The screenshot shows the management interface for a website. On the left is a dark sidebar menu with the following items: Dashboard, Restaurant details, Settings, Reservation options, Food ordering, Design and content (highlighted), Design Template, Template customization, Gallery media, Description, Content, Legal, Web Address, DISH WEBLISTING, and Account. The main content area has a dark header with the restaurant name 'San Marino' and address 'WOLLGRASWEG 65, WOLFSBURG, DE', a 'VISIT WEBSITE' button, and a language selector set to 'English'. Below the header is a light pink informational box with the text: 'and complete. Please consider that you, as the owner of this website, are responsible for the correct and complete imprint information of your own Restaurant Website. If you have any questions or need our assistance in completing the form, please contact our Support Centre at any time.' and an 'Update Imprint' button. The main section is titled 'Content' and includes a sub-header: 'Add content blocks or blogs to populate your website with more information and to inform your customers about your business, news, activities, vouchers, or events. Communication and content is key to have new customers visiting your business!'. Below this, three content blocks are listed: 'About Us', 'Vouchers', and 'Events', each with a plus icon to its right. A large orange question mark icon is positioned at the bottom right of the content area. At the very bottom, there is a footer with the text 'Designed by Hospitality Digital GmbH. All rights reserved.' and a row of links: 'Imprint | FAQ | Terms of Use | Data Privacy | Privacy Settings'.

Fare clic su **AGGIUNGI UN BLOCCO DI CONTENUTO** .

The screenshot shows the DISH website management interface. At the top, there is a dark header with the 'San Marino' logo and address 'WOLLGRASWEG 65, WOLFSBURG, DE'. On the right, there are icons for a moon, a gear, a 'VISIT WEBSITE' button, a language selector set to 'English', and a share icon.

A left sidebar contains a menu with the following items: Dashboard, Restaurant details, Settings, Reservation options, Food ordering, Design and content (highlighted), Design Template, Template customization, Gallery media, Description, Content, Legal, Web Address, DISH WEBLISTING, and Account.

The main content area features a pink notification box with the text: 'and complete. Please consider that you, as the owner of this website, are responsible for the correct and complete imprint information of your own Restaurant Website. If you have any questions or need our assistance in completing the form, please contact our Support Centre at any time.' Below this is an 'Update Imprint' button.

The 'Content' section is titled 'Content' and includes the instruction: 'Add content blocks or blogs to populate your website with more information and to inform your customers about your business, news, activities, vouchers, or events. Communication and content is key to have new customers visiting your business!'.

Below the instruction, there are three content block categories: 'About Us', 'Vouchers', and 'Events'. The 'About Us' block is expanded to show a 'New content block' area with a '+ ADD A CONTENT BLOCK' button highlighted in orange. A yellow question mark icon is visible in the bottom right corner of the interface.

T Digita il **titolo** del nuovo contenuto. Ad esempio: Il tuo ordine tramite WhatsApp

T Descrivi il blocco digitando il **testo desiderato** . Es: Scrivici su WhatsApp

Per impostare il titolo del pulsante individuale sul sito web, fare clic su **Titolo personalizzato**. I pulsanti non vengono visualizzati nella modalità "Classico" del modello di progettazione.

T Digitare il **titolo del pulsante individuale** . Ad esempio: Clicca per chattare

Ora inserisci o digita il link Click to Chat del tuo numero WhatsApp. **Come creare il tuo link WhatsApp Click to Chat puoi leggere qui: <https://faq.whatsapp.com/5913398998672934>**

The screenshot shows the 'San Marino' website management interface. The top navigation bar includes the restaurant name, address, a 'VISIT WEBSITE' button, and a language selector set to 'English'. A dark sidebar on the left contains a menu with items like 'Dashboard', 'Restaurant details', 'Settings', 'Reservation options', 'Food ordering', 'Design and content', 'Design Template', 'Template customization', 'Gallery media', 'Description', 'Content', 'Legal', 'Web Address', 'DISH WEBLISTING', and 'Account'.
