En nuestro caso hicimos clic en Descripción del sitio web y fuimos redirigidos a la página de edición de nuestra sección seleccionada.

The screenshot shows the 'Website Description' editing page for 'Jono's Nonna'. The interface includes a sidebar with navigation options like 'Dashboard', 'Restaurant details', 'Settings', and 'Design and content'. The main content area is titled 'Website Description' and contains three sections for editing:

- Welcome title:** A greeting to your visitors, this appears on the top of your website. The current text is 'Welcome to Italian cuisine'.
- Meta Description:** The meta description is an HTML attribute that provides a brief summary of a web page, which is often displayed on search engines such as Google. The current text is 'French Cuisine'.
- Description:** This section offers two options:
  - Automatic:** The easiest way to manage your website description and tagline. Let our algorithms write the search engine optimised description for you! Based on the information you provided us, our artificial intelligence will generate the text! Learn more about SEO on our [FAQs](#).
  - Manual:** Manually enter the main description text and tagline or edit the generated text to have more control on the way you want to...

The 'Automatic' option is selected. A rich text editor toolbar is visible above the description text, which includes icons for bold, italic, link, and unlink. The current text in the editor is in French: 'Enfin, du temps pour deux – dans notre établissement parfaitement équipé, vous trouverez le temps pour se détendre et flâner. Au « Jono's Nonna », savons particulièrement chouchouter nos clients et leur offrir une expérience parfaite à eux et à leur famille avec notre service rapide et amical ainsi que de nombreux événements et programmes. nn Goûtez notre cuisine casher. En raison de vos'.

Cada galería se mostrará de forma individual y se moverá por separado para que cada una de ellas pueda aparecer exactamente donde quieras.

The screenshot shows the management interface for the website 'Jono's Nonna'. On the left is a navigation menu with options: Dashboard, Restaurant details, Settings, Reservation options, Food ordering, Design and content (highlighted), Design Template, Template customization, Gallery media, Description, Content, Section layout, Legal, Web Address, DISH WEBLISTING, and Account. The main area displays a list of website sections that can be reordered. Each section has a grid icon, up/down arrows, the section name, and an external link icon. The sections listed are: Description, Map, Food Order, Reservation Widget, French (highlighted with an orange border), Opening hours, Payment options, New album, and Galleries. At the top right, there are icons for dark mode, a 'VISIT WEBSITE' button, and a language selector set to 'English'. A question mark icon is visible in the bottom right corner of the interface.
