In the highlighted box, you can enter a **Welcome text**.

The screenshot shows the 'Edit QR' settings page in the DISH POS v3.54.1 application. The left sidebar contains navigation options: Minimise menu, Dashboard, Products, Finance, General, Payment, and Self-service. The 'Payment' section is expanded, showing Time schedules, Sales channels, and QR codes. The main settings area lists: General, Content (highlighted), Appearance, Tipping, Legal notice, and Opening hours. The 'Content' modal is open, showing a 'Name*' field with a hyphen. Below it are three text editors: 'Welcome text' (highlighted with an orange border), 'General information', and 'Payment text'. Each editor has a toolbar with 'Normal', 'B' (bold), 'I' (italic), and 'U' (underline) options. At the bottom of the modal are 'Cancel' and 'Save' buttons.

Click on **Appearance**.

The screenshot displays the DISH POS v3.54.1 interface. On the left is a dark sidebar menu with options: Minimise menu, Dashboard, Products, Finance, General, Payment, and Self-service. The 'Self-service' section is expanded to show Time schedules, Sales channels, and QR codes. The main area is titled 'Edit QR' and contains a list of settings: General, Content, Appearance (highlighted with an orange box), Tipping, Legal notice, and Opening hours. A 'Content' dialog box is open, featuring a 'Name*' field with a hyphen. It has three text editors: 'Welcome text', 'General information', and 'Payment text'. Each editor has a toolbar with 'Normal', 'B' (bold), 'I' (italic), and 'U' (underline) options. At the bottom of the dialog are 'Cancel' and 'Save' buttons.

Choose your preferred **primary color** by clicking on the color.

The screenshot shows the 'Edit QR' settings interface for DISH POS v2.65.7. The left sidebar contains a navigation menu with options like Dashboard, Articles, Finance, General, Payment, and Self-service. The 'Appearance' section is selected in the sidebar. The main content area is titled 'Appearance' and includes a 'Name*' input field. Below this, the 'Colours' section has 'Primary colour' and 'Secondary colour' input fields. The 'Primary colour' field is highlighted with a red box, and a color picker is open, showing a red color selected. The 'Default product overview' section has a 'Grid view' button. The 'Logo' section has a file upload area with a red arrow icon and text: 'Files supported: .png, .jpg, .jpeg, .svg (max 1 MB) Drop your file here or browse'. The 'Images' section has two file upload areas: 'Welcome image' and 'Success image', both with red arrow icons and text: 'Files supported: .png, .jpg, .jpeg (max 4 MB) Drop your file here or browse'. A red 'Save' button is located at the bottom right of the settings panel.

Click on the highlighted color to select the **secondary color**.

The screenshot displays the 'Edit QR' settings interface for DISH POS v2.65.7. On the left is a dark sidebar menu with options: Dashboard, Articles, Finance, General, Payment, and Self-service. The 'Appearance' option is highlighted in orange. The main content area is titled 'Edit QR' and contains several settings sections: 'General', 'Content', 'Appearance' (highlighted), 'Tipping', 'Legal notice', and 'Opening hours'. The 'Appearance' section is expanded, showing a 'Name*' field, a 'Colours' section with 'Primary colour' and 'Secondary colour' pickers (the secondary color picker is highlighted with a red box), a 'Default product overview' section with a 'Grid view' button, and a 'Logo' section with a file upload area. Below these are 'Images' sections for 'Welcome image' and 'Success image', each with a file upload area. A 'Save' button is located at the bottom right of the settings panel.

Select a **Default product overview**.

The screenshot shows the 'Appearance' settings panel for DISH POS v2.65.7. The left sidebar contains a menu with options: Dashboard, Articles, Finance, General, Payment, and Self-service. The 'Appearance' option is selected. The main panel has a 'Name*' field at the top. Below it are sections for 'Colours' (Primary and Secondary colour), 'Default product overview' (with a dropdown menu set to 'Grid view'), 'Logo', and 'Images' (Welcome image and Success image). A 'Save' button is located at the bottom right.

Click on **browse** to select and upload a **Logo** from your files. **Note: The file size should not exceed 1 MB.**

The image shows the 'Appearance' settings modal for 'Order2POS'. The modal has a title bar with a close button. Below the title bar is a 'Name' field containing 'Order2POS'. The main content area is divided into sections: 'Logo', 'Images', and 'Error image'. Each section contains a dashed box with an upload icon, supported file types, and a 'browse' link. The 'Error image' section has a red box around the 'browse' link. At the bottom of the modal are 'Cancel' and 'Save' buttons.

Click on **Tipping**.

The screenshot displays the DISH POS v3.54.1 interface. On the left is a dark sidebar menu with options: Minimise menu, Dashboard, Products, Finance, General, Payment, and Self-service. The 'Self-service' section is expanded to show Time schedules, Sales channels, and QR codes. The main area is titled 'Edit QR' and contains a list of settings: General, Content, Appearance, **Tipping** (highlighted with an orange box), Legal notice, and Opening hours. To the right, the 'Appearance' settings panel is open, showing a 'Name' field with a dash, 'Colours' section with Primary and Secondary colour pickers, 'Default product overview' section with a 'Grid view' dropdown, and 'Logo' and 'Images' sections, each with a file upload area. The upload areas specify supported file formats and sizes. At the bottom of the panel are 'Cancel' and 'Save' buttons.

Click on the **toggle** to enable or disable **Tipping**.

The screenshot shows the DISH POS v3.54.1 interface. On the left is a dark sidebar menu with options: Minimise menu, Dashboard, Products, Finance, General, Payment, and Self-service. The 'Tipping' option is highlighted in orange. The main content area is titled 'Edit QR' and lists settings: General, Content, Appearance, Tipping (highlighted), Legal notice, and Opening hours. The 'Tipping' settings panel is open, showing a 'Name*' field with a dash. Under 'Tipping active', a toggle switch is highlighted with an orange box. Below this is an orange 'ADVICE' box stating: 'We advise you to use a maximum of three tipping options.' A table with columns 'Value' and 'Type' is present, with a '+ Add tipping option' link below it. Under 'Open amount', there is a toggle switch for 'Open amount authorised'. At the bottom are 'Cancel' and 'Save' buttons.

Click on **+ Add tipping option** to determine the tipping options.

The screenshot shows the DISH POS v3.54.1 interface. On the left is a dark sidebar menu with options: Minimise menu, Dashboard, Products, Finance, General, Payment, and Self-service. The 'Self-service' menu is expanded, showing Time schedules, Sales channels, and QR codes. The main content area is titled 'Edit QR' and lists settings: General, Content, Appearance, Tipping (highlighted with a red square), Legal notice, and Opening hours. The 'Tipping' settings panel is open, showing a 'Name*' field with a hyphen. Under 'Tipping active', the toggle is turned on. Under 'Tipping options', there is an orange advisory box: 'ADVICE: We advise you to use a maximum of three tipping options.' Below this is a table with columns 'Value' and 'Type', and a '+ Add tipping option' button highlighted with a red box. At the bottom, there is an 'Open amount authorised' toggle which is turned off, and 'Cancel' and 'Save' buttons.

 Add the **tipping value**.

Select the **opening hours** as configured on the opening hours page to apply to the sales channel. **Note:** Changes can be made on the opening hours page.

The screenshot shows the DISH POS v3.54.1 interface. On the left is a dark sidebar menu with options: Minimise menu, Dashboard, Products, Finance, General, Payment, and Self-service (with sub-items: Time schedules, Sales channels, QR codes). The 'Opening hours' option is highlighted with an orange icon. The main content area is titled 'Edit QR' and lists settings: General, Content, Appearance, Tipping, Legal notice, and Opening hours (highlighted with an orange icon). The 'Opening hours' modal is open, showing a 'Name*' field with a hyphen. Below it, the 'Opening hours' section contains a text box with the instruction: 'Select a time schedule to use as opening hours for this sales channel. Reusable time schedules can be created and changed can be made on the Time schedules page.' A dropdown menu is open, showing 'Always open' selected, with a red box around it. At the bottom of the modal are 'Cancel' and 'Save' buttons.

Finally, click on **Save**.

The screenshot shows the left sidebar of the DISH POS interface. At the top, it says "DISH POS v3.54.1". Below that is a "Minimise menu" button. The main menu items are: Dashboard, Products (with a dropdown arrow), Finance (with a dropdown arrow), General (with a dropdown arrow), Payment (with a dropdown arrow), and Self-service (with an upward arrow). Under Self-service, there are three sub-items: Time schedules, Sales channels, and QR codes.

The screenshot shows the "Edit QR" settings menu. It has a title "Edit QR" and a list of settings categories: General, Content, Appearance, Tipping, Legal notice, and Opening hours. The "Opening hours" category is highlighted with an orange clock icon.

The screenshot shows the "Opening hours" configuration dialog. At the top, it has the title "Opening hours" and a close button (X). Below the title is a "Name*" input field containing a hyphen (-). Underneath is a section titled "Opening hours" with a horizontal line. Below the line is a text instruction: "Select a time schedule to use as opening hours for this sales channel. Reusable time schedules can be created and changed can be made on the Time schedules page." Below this instruction is a label "Opening hours" followed by a dropdown menu showing "Always open" with a close (X) and expand (v) button. At the bottom of the dialog, there are two buttons: "Cancel" and "Save". The "Save" button is highlighted with a red border.

To send changes to your facility, go to **General**.
