

- 📱 In this tutorial, you are going to learn how to manage team members in the DISH App. First open the **DISH app** on your mobile phone.

The next step is to open the menu by tapping on the **menu icon**.

You'll then have to tap on the **My Team** section.

In the upper right corner you'll see an **Add** button, tap on it.

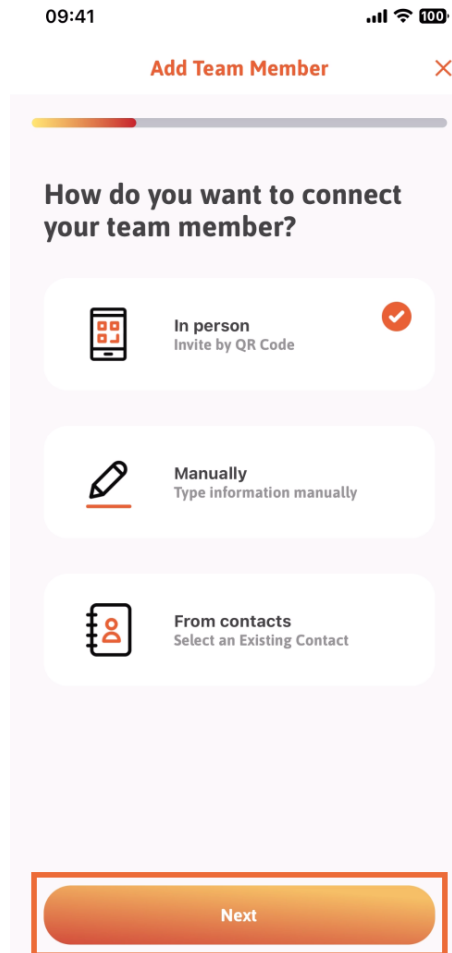

If you want to add a team member in person, you can generate a QR Code by tapping on the first section **In person**. **Note: There are 3 ways in which you can add a new team member. We will explain them all in this tutorial.**

After you have selected the In person mode, you can click on **Next**.

- In the next step, you can now enter the details of the new member. If you click on the **pencil icon** on the profile picture, you can add a photo of the new member.

- You can decide between **Take a picture**, **Choose from gallery**, **Remove picture** or dismiss through the button **No, keep**.

After filling in the First e the Last name, tap on **Add Team Member**. **Note: Filling the Last Name section is optional.**

Note: Filling the Last Name section is optional.

Add Team Member

- On the next step, you'll have to select the **position** your new member is occupying. We have selected, for example, **Kitchen**.

You'll then have to tap on **Assign role**.

- You can also choose which tools your new team member can use. If you decide he can use a tool on **DISH Website**, tap on it to move to the next section.

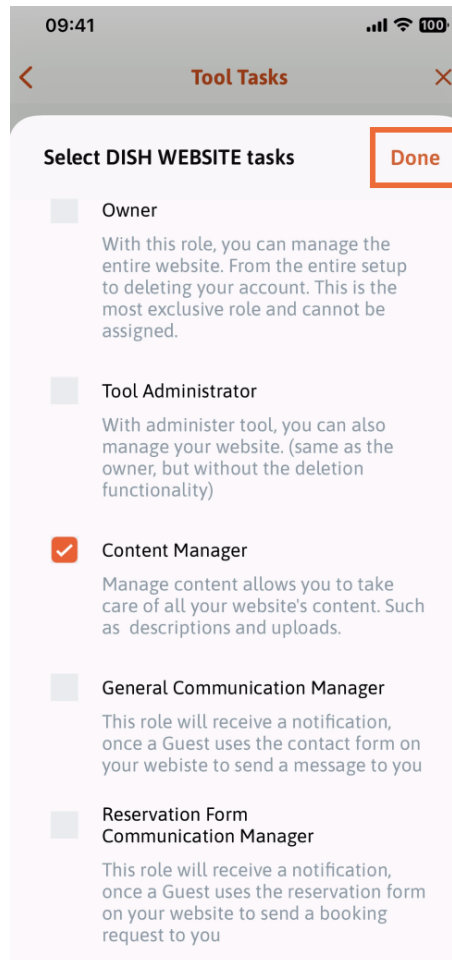

- A drop-down menu is going to open, offering you different possibilities. In our case, we are going to select **Content Manager**.

After you have selected the task, the corresponding square is going to become orange. You can click on **Done**.

You can now click on **Assign tool task**.

 In this step, you can verify if the QR code has been successfully created.

You have now created a new QR code that you can show to your new team member. You can click on **Done**.

- When you have successfully added your new team member, e you don't wish to add another one, you can click on **Not right now**.

In the My Team section, you can visualize all your team members by the role, tapping on **By Job Role**.

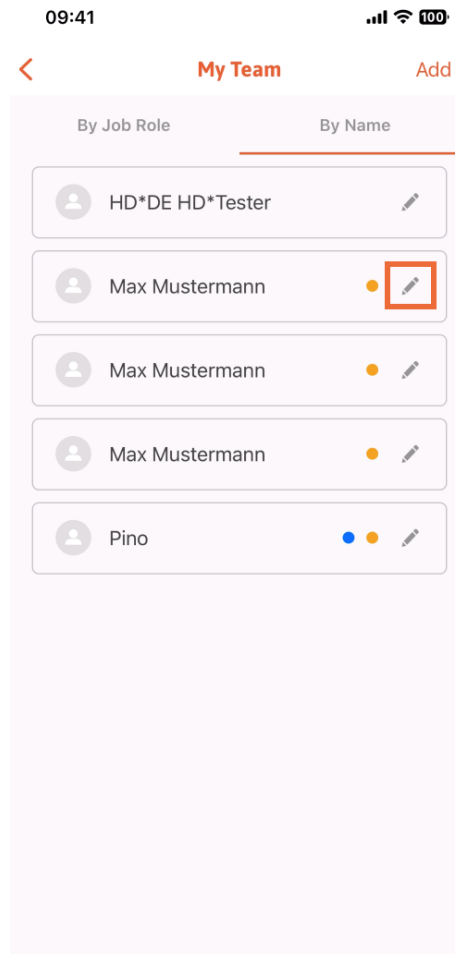

Or you can choose to visualize them tapping on **By Name**.

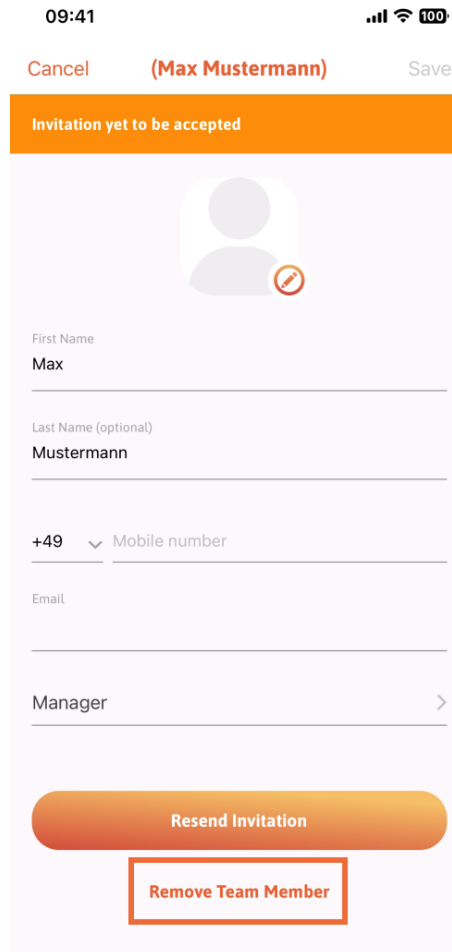

If you wish to edit a team member's information or remove them, you can click on the **pencil icon** on the right side of their name.

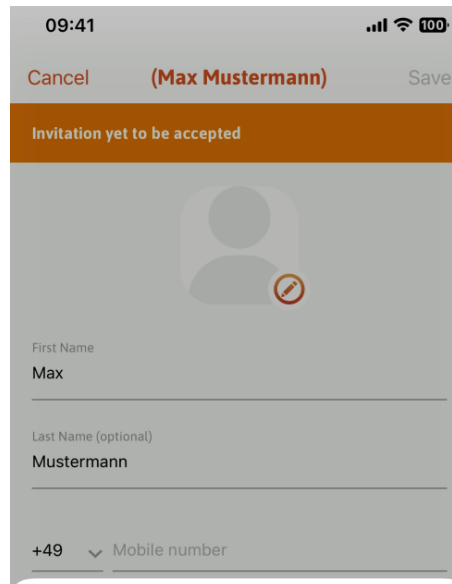

For removing this team member, you can click on the bottom on **Remove Team Member**.

If you choose so, a pop-up menu is going to ask you again if you are sure to remove this team member. Confirm, tapping on **Yes**.
