And assign the product to a product group by selecting a group through the **drop-down menu**.

The screenshot displays the 'Add product' interface in the DISH POS system. On the left, a sidebar menu lists various management options such as 'Dashboard', 'Articles', 'Products', 'Menus', and 'Finance'. The main area is titled 'Add product' and contains several sections for configuring a new article:

- Article Information:** Name (Fresh Garden Salad), Product group (None - highlighted with a red box), and Turnover categories (None).
- Prices:** Price (0.00), Option price (0.00), VAT (None), and checkboxes for 'Open price' and 'VAT included'.
- Production:** Production Order, Course (None), and Production attributes.
- Pop-ups:** Option to '+ Add option menu'.
- Composites:** Option to '+ Add component'.
- Description:** Short name, Search & Filter fields, and Other options like 'Store' and 'Only as an option'.
- Process:** Workflow, Processing type, and Packaging profile dropdowns.
- Identification:** Your reference and ID input fields.

At the bottom, there are three buttons: 'Cancel', 'Save and add new', and 'Save'.

Afterwards, select the turnover group through the **drop-down menu**.

The screenshot displays the 'Add product' interface in the DISH POS v3.46.0 application. On the left, a sidebar menu lists various management options like 'Dashboard', 'Articles', 'Products', 'Menus', etc. The main area is titled 'Add product' and contains several sections: 'Article' (with a '#' icon), 'Product description', 'Images', and 'Product Information'. The 'Article' section is active, showing a form for 'Fresh Garden Salad'. The 'Product group' is set to 'Salads'. The 'Turnover categories' dropdown menu is highlighted with a red box and shows 'None (Default: Food)' selected. Other fields include 'Price' (0.00), 'Option price' (0.00), 'VAT' (9% - Low), 'Price per', 'Unit', 'Production Order', 'Course' (None (Def...)), 'Production attributes' (None), 'Pop-ups' (+ Add option menu), 'Composites' (No components added), 'Short name', 'Search & Filter' (Search field 1 and 2), 'Other' (Store: None, Only as an option), 'Process' (Workflow: Default, Processing type: Default, Packaging profile: None), and 'Identification' (Your reference and ID). At the bottom, there are buttons for 'Cancel', 'Save and add new', and 'Save'.

Then enter a price by using the respective field.

The screenshot displays the 'Add product' form in the DISH POS v3.46.0 application. The interface is split into a left sidebar and a main content area. The sidebar contains a navigation menu with options like 'Dashboard', 'Articles', 'Products', 'Menus', 'Finance', 'General', 'Payment', and 'Self-service'. The main content area is titled 'Article' and contains several sections: 'Prices', 'Description', 'Production', 'Pop-ups', 'Composites', 'Other', 'Process', and 'Identification'. The 'Prices' section is the primary focus, with the 'Price\*' input field highlighted by a red box. This field contains the value '0.00'. Below it, the 'VAT\*' dropdown is set to '9% - Low', with a warning message '(Warning. Article group changed!)'. Other fields in the 'Prices' section include 'Option price' (0.00), 'Price per', and 'Unit'. The 'Description' section has a 'Short name' field. The 'Production' section includes 'Production Order' and 'Course' (set to 'None (Def...)'). The 'Other' section has a 'Store' dropdown (set to 'None') and a checkbox for 'Only as an option'. The 'Process' section has dropdowns for 'Workflow' (Default), 'Processing type' (Default), and 'Packaging profile' (None). The 'Identification' section has input fields for 'Your reference' and 'ID'. At the bottom of the form, there are three buttons: 'Cancel', 'Save and add new', and 'Save'.

Once you set up the product details, click on **Save** to apply your changes.

The screenshot displays the 'Add product' interface in the DISH POS system. On the left, a sidebar menu lists various management options like 'Dashboard', 'Articles', 'Products', and 'Menus'. The main area is titled 'Add product' and contains several sections:

- Article**: Fields for Name (Fresh Garden Salad), Product group (Salads), and Turnover categories (Low VAT).
- Prices**: Price (8.50), Option price (0.00), VAT (9% - Low), and checkboxes for Open price and VAT included. Red warning boxes indicate 'Article group changed!' for both VAT and VAT included.
- Production**: Production Order, Course (None), and Production attributes (None).
- Pop-ups**: Option to add an option menu.
- Composites**: Option to add a component.
- Description**: Short name field.
- Search & Filter**: Search field 1 and Search field 2.
- Other**: Store (None) and Only as an option checkbox.
- Process**: Workflow, Processing type, and Packaging profile dropdowns.
- Identification**: Your reference and ID input fields.

At the bottom, there are three buttons: 'Cancel', 'Save and add new', and 'Save'. The 'Save' button is highlighted with a red border, indicating it is the next step in the process.

To verify if the product got added, you can use the **search function**.

The screenshot shows the DISH POS interface with the 'Products' section active. A search bar is highlighted with a red box. The interface includes a sidebar menu, a top navigation bar, and a main content area displaying a table of products.

ID	Name	Product group	Turnover categories	Price	Option price	VAT	Production attribu
