Then go to **Turnover categories**.

The screenshot shows the DISH POS v3.65.0 interface. The top navigation bar includes '(V) Demo EN Video', 'Dish Support', and 'Demo DISH POS'. A left-hand menu is visible with 'Turnover categories' highlighted in orange. The main dashboard area is titled 'Dashboard' and features a 'Show amounts including VAT' toggle. Below this, 'Today's turnover data' is displayed with four key metrics: Turnover (€ 0.00), Transactions (0), Average spending (€ 0.00), and Open orders (€ 0.00). The 'Open orders' section also shows an amount of 0 and a last update time of 11:21 today. The 'Turnover details' section includes a legend for 'This week' (orange) and 'Previous week' (blue), a bar chart with a y-axis from €30 to €100, and a summary table comparing 'This week' and 'Last week' data for turnover, average spending, and total turnover.

Metric	This week	Last week
Turnover to date	€ 0.00	€ 0.00
Average spending to date	€ 0.00	€ 0.00
Total turnover	€ 0.00	€ 0.00

You are now in the overview of your turnover categories. To create a new one, click on **+ Add turnover category**.

The screenshot displays the DASH POS interface. At the top left, it shows 'DISH POS v3.65.0' and '(V) Demo EN Video'. On the right, there are links for 'Dish Support' and 'Demo DISH POS'. A sidebar menu on the left lists various settings categories, with 'Turnover categories' currently selected. The main content area is titled 'Turnover categories' and features a table with the following entries:

Name	
Low VAT	
High VAT	
Main	
Gift cards	
Order Aggregator	

In the top right corner of the main content area, there is a prominent orange button labeled '+ Add turnover category', which is highlighted with a red rectangular box.

- A new window will open where you have to enter the name of the new category. To do so, use the corresponding **text field**.

Add turnover category

A screenshot of a modal window titled 'Turnover category'. It contains a 'Name' text field which is highlighted with an orange border. Below this is an 'Identification' section with two text fields: 'Your reference' and 'ID'. At the bottom of the window are two buttons: 'Cancel' and 'Save'.

Once you set up the name, click on **Save** to apply the changes.

Add turnover category

A configuration form for a turnover category. The title is 'Turnover category' with a close button. The 'Name*' field contains the text 'test'. Below this is an 'Identification' section with two input fields: 'Your reference' and 'ID'. At the bottom, there are 'Cancel' and 'Save' buttons. The 'Save' button is highlighted with a red border.

If you want to change the order of your turnover categories, simply drag and drop the **turnover category** to the desired position.

The screenshot shows the DISH POS v3.65.0 interface. The top navigation bar includes '(V) Demo EN Video', 'Dish Support', and 'Demo DISH POS'.
