First, click on **Products**.

The screenshot shows the DASH POS dashboard interface. The top navigation bar includes the DASH logo, version 'v3.54.4', '(V) Demo EN Video', 'Dish Support', and 'Demo DASH POS'. The left sidebar contains a 'Minimise menu' button and several menu items: 'Dashboard', 'Products' (highlighted with an orange box), 'Finance', 'General', 'Payment', and 'Self-service'. The main content area is titled 'Dashboard' and features a toggle for 'Show amounts including VAT'. Below this, the 'Today's turnover data' section displays four key metrics: Turnover (€ 0.00), Transactions (0), Average spending (€ 0.00), and Open orders (€ 0.00). The 'Open orders' section also shows an 'Amount' of 0 and a 'Last update' of 'Today at 11:34'. The 'Turnover details' section includes a legend for 'This week' (orange) and 'Previous week' (blue), a line chart with a y-axis from €10 to €100, and a summary table comparing 'This week' and 'Last week' data for turnover, average spending, and transactions.

A screenshot of the 'Add menu' form. The form is titled 'Menu' and has a close button (X) in the top right corner. The 'Name' field is highlighted with a red border. Below the 'Name' field is the 'Numbers / Description' section, which includes a checkbox for 'Derived menu', a 'Derived from' dropdown menu (set to 'None'), and a 'Store' dropdown menu (set to 'None'). The 'Identification' section includes a 'Your reference' text field and an 'ID' text field. At the bottom of the form are 'Cancel' and 'Save' buttons.

Then click on **Save**, to apply the changes.

The screenshot shows the DISH POS v3.54.4 interface. The left sidebar has a 'Minimise menu' button and several menu categories: Dashboard, Products (expanded), Finance, General, Payment, and Self-service. The 'Products' section is expanded to show 'Menu' and 'Menu Order Aggregator'. The main content area is titled 'Menus' and contains a search bar and a list of menu items. A 'Menu' item is selected, showing options to edit, copy, or delete. The interface is in a dark theme.

Add menu

The 'Add menu' form is displayed in a light gray modal window. It contains the following fields and options:

- Name***: A text input field.
- Numbers / Description**: A section header.
- Derived menu**: A checkbox.
- Derived from**: A dropdown menu with 'None' selected.
- Store**: A dropdown menu with 'None' selected.
- Identification**: A section header.
- Your reference**: A text input field.
- ID**: A text input field.
- Buttons**: 'Cancel' and 'Save' buttons at the bottom. The 'Save' button is highlighted with an orange border.

To now manage your menus, select the **menu** you want to adjust.

The screenshot shows the DISH POS v3.54.4 interface. The top navigation bar includes the DISH logo, the current user 'Demo EN Video', 'Dish Support', and 'Demo DISH POS'. The left sidebar contains a 'Minimise menu' button and various menu categories: Dashboard, Products (expanded), Product groups, Price levels, Menus, French menus, Option menus, Price management, Periods, Promotions, Finance, General, Payment, and Self-service. The main content area is titled 'Menu' and features a search bar, a 'Show your reference' toggle, and an '+ Add menu' button. Below these are three columns: 'Menus', 'Selected menu', and 'Products'. The 'Menus' column lists 'Enterprise menu' and 'Store menu'. The 'Selected menu' column contains instructions on creating sub-folders and references. The 'Products' column explains how to add products to menus. A search bar with the text 'Q Search' is present, with the message 'No results found' below it. The 'Menu' item in the list is highlighted with a red box.

Then the main categories will appear right next to it. There are now two ways of adding a submenu. If you like to add a new submenu to the selected menu, click on **+ Add submenu**.

The screenshot displays the DISH POS v3.54.4 interface. The top navigation bar includes 'Dish Support' and 'Demo DISH POS'. The left sidebar contains various management categories: Dashboard, Products (expanded), Finance, General, Payment, and Self-service. The 'Products' section is further divided into Products, Product groups, Price levels, Menus, French menus, Option menus, Price management, Periods, and Promotions. The 'Menus' section is active, showing a list of menu items. The 'Menu' item is selected and expanded, revealing sub-menus: Food, Drinks, Other, and Popular items. The 'Food' sub-menu is highlighted with a red box around its down-facing arrow. The 'Menu Order Aggregator' is also listed. The main content area provides instructions on creating sub-folders and adding products. A search bar is present for both the menu and product lists. A 'Show your reference' toggle and an '+ Add menu' button are located at the top right of the menu management area.

To now add products to your submenu, either search for a product by using the **search bar** or expand the **product groups** by using the respective down-facing arrow.
