You are now in the overview of your facilities. To view the list of your facilities, click on the **down-facing arrow** of your main facility.

The screenshot shows the DISH POS v3.54.4 interface. The top navigation bar includes the logo, the current user 'Demo EN Video', 'Dish Support', and the user profile 'Demo DISH POS'. A sidebar on the left contains a 'Minimise menu' button and a list of menu items: Dashboard, Products, Finance, General (highlighted with a gear icon), and various sub-items under General. The main content area is titled 'Facilities' and features a search bar, two '+ Generate area' and '+ Add facility' buttons, and a warning message. Below the warning, a 'Facilities' section lists 'HD Video Demo English' with a red box highlighting the down-facing arrow next to it.

Then use the **edit icon** of the respective facility to adjust the settings of it.

The screenshot shows the DISH POS v3.54.4 interface. The top navigation bar includes the logo, version, user profile '(V) Demo EN Video', 'Dish Support', and 'Demo DISH POS'. A left sidebar contains a 'Minimise menu' button and a list of menu items: Dashboard, Products, Finance, General (selected), Production stations, Facilities, Cash stores, Printers, App links, Table map, Users, User groups, POS devices, Courses, Customers, Currency, Turnover categories, Customer displays, and Translations. The main content area is titled 'Facilities' and features a search bar, two '+ Generate area' and '+ Add facility' buttons, and a warning message: 'Warning: if you order by QR code via the CMS: be aware that QR codes are associated with points of sale. The QR codes created cannot be reallocated to another point of sale.' Below the warning is a table of facilities:

Facilities	
^ HD Video Demo English	
∨ Restaurant	
Direct Sale	
∨ E-Commerce	
∨ Terrace	
∨ Order Aggregator	
∨ Terrace Test	

The 'Terrace' facility's edit icon is highlighted with a red box.

You are now in the settings of the facility. To assign a time period and specific menu to it, click on **Menu**.

The screenshot displays the 'Edit point of sale' configuration window in the DISH POS v3.54.4 application. On the left, a dark sidebar contains a list of menu items, with 'Menu' (indicated by a gear icon) highlighted with an orange border. The main content area is titled 'Edit point of sale' and features a sub-header 'Point of sale' with a close button (X). Below this, there are two input fields: 'Name\*' containing 'Terrace' and 'Parent\*' with a dropdown menu showing 'HD Video Demo English'. The settings are organized into three columns: 'Numbers / Description' with a 'Receipt printer' dropdown; 'References' with a 'Price level' dropdown set to 'Inherit'; and 'Settings' with several checkboxes: 'Inherits settings' (checked), 'Visible in app' (checked), 'Price incl. VAT' (checked), 'Pop-up of new order text' (unchecked), 'Use take away number' (unchecked), 'Automatically log out after ticket' (unchecked), and 'Automatic ticket printing' (unchecked with a warning icon). At the bottom, there are two input fields for 'Your reference' (value: 10006) and 'ID' (value: 264). At the very bottom of the window are 'Cancel' and 'Save' buttons.

Under Menu planning, you can select whether you want to set a menu for the POS or the Self-service. Simply select the **option** needed.

+ Add

Cancel Save

Then select a time period by using the corresponding **drop-down menu**.

The screenshot displays the 'Edit point of sale' interface in the DISH POS v3.54.4 application. On the left is a dark sidebar menu with options like Dashboard, Products, Finance, General, and more. The main content area is titled 'Edit point of sale' and has a 'Menu' sub-tab selected. The 'Menu' configuration panel includes fields for 'Name' (Terrace) and 'Parent' (HD Video Demo English). Below these are 'POS menu' (Webshop) and 'Self-service menu' (Inherit) dropdowns. The 'Menu planning' section has tabs for 'POS' and 'Self-service', with 'POS' selected. A table with columns 'Period' and 'Menu' is shown, with both dropdowns currently set to 'None'. The 'Period' dropdown is highlighted with a red border. A '+ Add' button is to the right of the table. At the bottom are 'Cancel' and 'Save' buttons.

And select a menu for this period by using the corresponding **drop-down menu**.

The screenshot shows the 'Edit point of sale' interface. On the left is a sidebar with a menu including 'Dashboard', 'Products', 'Finance', 'General', 'Production stations', 'Facilities', 'Cash stores', 'Printers', 'App links', 'Table map', 'Users', 'User groups', 'POS devices', 'Courses', 'Customers', 'Currency', 'Turnover categories', 'Customer displays', and 'Translations'. The 'General' section is expanded. The main area is titled 'Edit point of sale' and has a sub-section 'Menu'. At the top, there are fields for 'Name\*' (Terrace) and 'Parent\*' (HD Video Demo English). Below this, there are sections for 'Menu' configuration: 'POS menu' (Webshop) and 'Self-service menu' (Inherit). The 'Menu planning' section has two tabs: 'POS' (selected) and 'Self-service'. A table is shown with two columns: 'Period' and 'Menu'. The 'Period' column has a dropdown menu with 'Lunch menu' selected. The 'Menu' column has a dropdown menu with 'None' selected, which is highlighted with a red box. To the right of the table is a '+ Add' button. At the bottom of the screen are 'Cancel' and 'Save' buttons.

Now click on **+ Add**, to make the changes effective.
