You are now in the settings of your selected QR codes. Now go to **Content** via the menu on the left.

The screenshot displays the 'Edit QR' settings window in the DISH POS v3.54.4 interface. On the left, a vertical menu lists various settings categories: General, Content, Appearance, Tipping, Legal notice, and Opening hours. The 'Content' option is highlighted with an orange rectangular box. The main content area is titled 'General' and contains the following settings:

- Name***: QR - Payment
- Store**: HD Video Demo English
- Customer interaction**: Allow comments on orders (toggle is turned on)
- Language settings**: Languages (German, English, French, Dutch), Default language * (English)
- Identification**: ID (4)

At the bottom of the settings window, there are 'Cancel' and 'Save' buttons.

Depending on the settings you chose while creating the QR ordering sales channel, you are going to have different text fields displayed.

For each action that a guest can go through on the QR order sales channel you have set up, you can enter individual texts that are then displayed to the guest. To do so, use the given **text fields**.

The screenshot displays the 'Edit QR' configuration screen in the DISH POS v3.54.4 application. On the left is a dark sidebar menu with options like 'Dashboard', 'Products', 'Finance', 'General', 'Payment', and 'Self-service'. The 'Self-service' section is expanded to show 'Time schedules', 'Sales channels', and 'QR codes'. The main content area is titled 'Edit QR' and lists several settings: 'General', 'Content', 'Appearance', 'Tipping', 'Legal notice', and 'Opening hours'. The 'Content' setting is selected, opening a modal window titled 'Content' with a close button (X). Inside the modal, the 'Name' field is set to 'QR - Payment'. There are three text input sections, each with a title and a dropdown arrow: 'Payment text', 'New round text', and 'New round & payment text'. Each section has a rich text editor toolbar with 'Normal', 'B' (bold), 'I' (italic), and 'U' (underline) options. The 'Payment text' field is highlighted with an orange border. At the bottom of the modal are 'Cancel' and 'Save' buttons.

To apply the changes, click on **Save**.

The screenshot displays the DISH POS v3.54.4 interface. On the left is a dark sidebar menu with options: Dashboard, Products, Finance, General, Payment, and Self-service (with sub-options: Time schedules, Sales channels, QR codes). The main area is titled 'Edit QR' and contains a list of settings: General, Content (highlighted with an orange icon), Appearance, Tipping, Legal notice, and Opening hours. A 'Content' dialog box is open, showing three text editors for different QR code messages. Each editor has a toolbar with 'Normal', 'B' (bold), 'I' (italic), and 'U' (underline) options. The first editor contains the text: '<<< DISH >>> You have paid at a later stage!'. The second editor contains: '<<< DISH >>> You have ordered (additional) product(s) and chose to pay later!'. The third editor contains: '<<< DISH >>> You have ordered products(s) and paid immediately!'. At the bottom of the dialog are 'Cancel' and 'Save' buttons, with the 'Save' button highlighted by an orange border.

That's it, you are done. You completed the tutorial and now know how to edit the messages for your payment QR codes.
