You are now in the overview of your French menus. To add a new menu, click on **+ Add French menu**.

The screenshot shows the DISH POS v3.65.0 interface. The top navigation bar includes 'Dish Support', 'Update is available', and 'Demo DISH POS'. The left sidebar contains a 'Minimise menu' button and a list of menu categories: Dashboard, Products (expanded), Product groups, Price levels, Menus, French menus, Option menus, Price management, Periods, Promotions, Finance, General, Payment, and Self-service. The main content area is titled 'French menu' and features a table with three columns: 'French menus', 'Selected French menu', and 'Products'. A search bar is located below the table headers. The table contains one entry: '3 course menu' with a price of '€ 29.00' and icons for edit, copy, and delete. A red box highlights the '+ Add French menu' button in the top right corner of the table area.

A new window will open where you will enter all the information of the French menu. Start by adding the name into the respective **text field**.

The screenshot shows the 'French menu' configuration form. At the top, there is a title 'French menu' with a close button. Below the title, there are two input fields: 'Name\*' with the value '2 course' and 'Turnover categories\*' with a dropdown menu showing 'Low VAT'. The form is divided into sections: 'Prices' with a 'Price\*' field containing '24.00'; 'Identification' with 'Your reference' and 'ID' fields, both currently empty. At the bottom of the form, there are two buttons: 'Cancel' and 'Save'. The 'Save' button is highlighted with a red border.

Your new French menu will then be displayed. Select your **French menu** to start adding the courses to it.
