

Welkom bij de DISH POS app. In deze tutorial laten we zien hoe je de QR-code van een tafel kunt weergeven, zodat de klant daarmee kan betalen.

Selecteer eerst de bijbehorende **tafel**.

Voeg vervolgens artikelen toe aan de bestelling door op het betreffende **item** te tikken.

The screenshot shows the DISH POS interface for 'Tafel 2'. The top navigation bar includes 'DRINKS', 'FOOD', and 'ANDERE'. The main menu is organized into a grid of categories and items. The 'Cappuccino' item under the 'Warme Dranken' category is highlighted with a red border. The interface also features a numeric keypad, a total amount display (0,00), and various utility icons.
