

Dobrodošli na nadzornu ploču **DISH Reservation**. U ovom vodiču pokazat ćemo vam kako pretraživati goste i pregledavati rezervacije povezane s gostom.

The screenshot shows the DISH Reservation dashboard interface. The top header includes the DISH RESERVATION logo, a notification bell, the restaurant name 'Test Restaurant - Test', a language selector (UK flag), and a refresh icon. The left sidebar contains navigation links: Reservations, Table plan, Menu, Guests, Feedback, Reports, Settings, and Integrations. The main content area features a teal banner with a message about walk-in customers and buttons for 'WALK-IN' and 'ADD RESERVATION'. Below this is a date selector showing 'Fri, 13 Oct - Fri, 13 Oct'. A message states 'You have no limits configured for the selected date.' with an 'Add a new limit' button. A filter bar shows 'All', 'Completed', 'Upcoming' (selected), and 'Cancelled' filters, along with counts for reservations (0), guests (0), and tables (0/5). The main area displays 'No reservations available' with an icon of a person looking through binoculars. At the bottom, there is a 'Print' button, a status indicator for 'Too many guests in house? Pause online reservations', a footer with 'Designed by DISH Digital Solutions GmbH. All rights reserved.', and a help icon (question mark) next to links for FAQ, Terms of use, Imprint, Data privacy, and Privacy Settings.

Prvo idite na **Gosti** u izborniku s vaše lijeve strane.
