

Bun venit în tabloul de bord al **serviciului DISH Reservation**. În acest tutorial, vă vom arăta cum să căutați oaspeți și să vizualizați rezervările asociate cu un oaspete.

The screenshot displays the DISH Reservation dashboard interface. The top navigation bar includes the DISH RESERVATION logo, a notification bell, the restaurant name 'Test Restaurant - Test', a language selector (UK flag), and a refresh icon. The left sidebar contains a menu with options: Reservations, Table plan, Menu, Guests, Feedback, Reports, Settings, and Integrations. The main content area features a teal banner with a message about walk-in customers and buttons for 'WALK-IN' and 'ADD RESERVATION'. Below this is a date selector showing 'Fri, 13 Oct - Fri, 13 Oct'. A message states 'You have no limits configured for the selected date.' with an 'Add a new limit' button. A filter section shows 'All', 'Completed', 'Upcoming' (selected), and 'Cancelled' options, along with counts for reservations (0), guests (0), and tables (0/5). The central area displays 'No reservations available' with an illustration of a person looking through binoculars. At the bottom, there is a 'Print' button, a status message 'Too many guests in house? Pause online reservations' with a pause icon, a footer note 'Designed by DISH Digital Solutions GmbH. All rights reserved.', and a help icon (question mark). The footer also includes links for FAQ, Terms of use, Imprint, Data privacy, and Privacy Settings.

Mai întâi, accesează **secțiunea Oaspeți** din meniul din stânga.

The screenshot displays the DISH RESERVATION admin interface. The sidebar on the left contains the following menu items: Reservations, Table plan, Menu, **Guests** (highlighted with an orange box), Feedback, Reports, Settings, and Integrations. The main content area shows a header with a notification: "Have a walk-in customer? Received a reservation request over phone / email? Don't forget to add it to your reservation book!" with buttons for "WALK-IN" and "ADD RESERVATION". Below this is a date selector showing "Fri, 13 Oct - Fri, 13 Oct". The main section displays a message: "You have no limits configured for the selected date." with a button "Add a new limit". There are filters for "All", "Completed", "Upcoming" (selected), and "Cancelled", along with counts: 0, 0, and 0/5. A large empty box with a magnifying glass icon and the text "No reservations available" is shown. At the bottom, there is a "Print" button, a status message "Too many guests in house? Pause online reservations" with a pause icon, and a footer with "Designed by DISH Digital Solutions GmbH. All rights reserved." and links for FAQ, Terms of use, Imprint, Data privacy, and Privacy Settings.

 Acum vă aflați în prezentarea generală a bazei de date a oaspeților.
