

Bienvenido al panel de control de **DISH Reservation**. En este tutorial, te mostramos cómo gestionar la configuración de tus reservas.

The screenshot displays the DISH Reservation admin interface. On the left is a dark sidebar with navigation links: Reservations, Table plan, Menu, Guests, Feedback, Reports, Settings, and Integrations. The main content area has a top header with the title 'DISH RESERVATION', a user profile 'Test Bistro Training', a language selector (UK flag), and a refresh icon. Below the header is a teal banner with a message about walk-in customers and two buttons: 'WALK-IN' and 'ADD RESERVATION'. A date range selector shows 'Thu, 28 Sep - Thu, 28 Sep'. A status summary bar indicates 'There is 1 active limit configured for the selected time period' with a 'Show more' link. Below this are filter tabs: 'All' (selected), 'Completed', 'Upcoming', and 'Cancelled'. To the right of the tabs are counters for a calendar icon (0), a group of people icon (0), and a table icon (0/49). The main content area is empty, showing a large circular icon of a person with a magnifying glass and the text 'No reservations available'. At the bottom left, there is a 'Print' button and a notification 'Too many guests in house? Pause online reservations' with a pause icon. At the bottom right, there is a help icon (question mark) and a footer with the text 'Designed by Hospitality Digital GmbH. All rights reserved.' and links for 'FAQ', 'Terms of use', 'Imprint', 'Data privacy', and 'Privacy Settings'.

Primero, vaya a **Configuración** en el menú de su izquierda.

DISH RESERVATION

Test Bistro Training

Have a walk-in customer? Received a reservation request over phone / email? Don't forget to add it to your reservation book!

WALK-IN ADD RESERVATION
