

Dobrodošli na nadzornu ploču **DISH Reservation**. U ovom vodiču pokazat ćemo vam kako upravljati postavkama rezervacije.

The screenshot shows the DISH Reservation dashboard interface. The top header includes the DISH RESERVATION logo, a user profile dropdown for 'Test Bistro Training', a language selector (UK flag), and a refresh icon. The left sidebar contains navigation links: Reservations, Table plan, Menu, Guests, Feedback, Reports, Settings (with a dropdown arrow), and Integrations. The main content area features a teal banner with a message about walk-in customers and two buttons: 'WALK-IN' and 'ADD RESERVATION'. Below this is a date range selector showing 'Thu, 28 Sep - Thu, 28 Sep'. A status message indicates 'There is 1 active limit configured for the selected time period' with a 'Show more' link. A filter bar shows 'All' selected, with options for 'Completed', 'Upcoming', and 'Cancelled'. Summary statistics are displayed: 0 calendar icons, 0 people icons, and 0/49 table icons. The central area shows 'No reservations available' with an illustration of a person looking through binoculars. At the bottom, there is a 'Print' button, a status message 'Too many guests in house? Pause online reservations' with a pause icon, and a footer with 'Designed by Hospitality Digital GmbH. All rights reserved.' and a help icon (question mark). The footer also includes links for FAQ, Terms of use, Imprint, Data privacy, and Privacy Settings.

Prvo idite na **Postavke** u izborniku s lijeve strane.
