

Bem-vindo ao painel de **reservas do DISH**. Neste tutorial, mostraremos como gerenciar suas configurações de notificação.

The screenshot displays the DISH RESERVATION administration interface. On the left is a dark sidebar with navigation links: Reservations, Table plan, Menu, Guests, Feedback, Reports, Settings (with a dropdown arrow), and Integrations. The main content area has a dark header with the title 'DISH RESERVATION', a notification bell, a user profile, and a language selector (UK flag). Below the header is a teal banner with a message about walk-in customers and two buttons: 'WALK-IN' and 'ADD RESERVATION'. A date range selector shows 'Thu, 28 Sep - Thu, 28 Sep'. A summary box indicates 'There is 1 active limit configured for the selected time period' with a 'Show more' link. Below this are filter buttons: 'All', 'Completed', 'Upcoming' (selected), and 'Cancelled'. To the right of these are counts: a calendar icon with '0', a group of people icon with '0', and a table icon with '0/37'. The main content area shows a large grey box with a magnifying glass icon and the text 'No reservations available'. At the bottom left of the main area is a 'Print' button. The footer contains a status message 'Too many guests in house? Pause online reservations' with a pause icon, the text 'Designed by Hospitality Digital GmbH. All rights reserved.', and a row of links: FAQ, Terms of use, Imprint, Data privacy, and Privacy Settings. A yellow question mark icon is located in the bottom right corner of the main content area.

Primeiro, vá em **Configurações** no menu à sua esquerda.

DISH RESERVATION

Have a walk-in customer? Received a reservation request over phone / email? Don't forget to add it to your reservation book! [WALK-IN](#) [ADD RESERVATION](#)

Thu, 28 Sep - Thu, 28 Sep

There is 1 active limit configured for the selected time period [Show more](#)

☐ All ☐ Completed ☒ Upcoming ☐ Cancelled 📅 0 👤 0 🍴 0/37

No reservations available
