

Bienvenido al panel de control de **DISH Reservation**. En este tutorial, te mostramos cómo administrar la configuración de tu cuenta.

The screenshot displays the DISH Reservation admin interface. On the left is a dark sidebar with navigation links: Reservations, Table plan, Menu, Guests, Feedback, Reports, Settings (with a dropdown arrow), and Integrations. The main content area has a dark header with the text 'DISH RESERVATION', a notification bell, the text 'Test Bistro Training' with a dropdown, a language selector (UK flag), and a refresh icon. Below the header is a light blue banner with the text 'Have a walk-in customer? Received a reservation request over phone / email? Don't forget to add it to your reservation book!' and two orange buttons: 'WALK-IN' and 'ADD RESERVATION'. A date range selector shows 'Thu, 28 Sep - Thu, 28 Sep'. Below this, a message states 'There is 1 active limit configured for the selected time period' with a 'Show more' link. A filter bar contains radio buttons for 'All', 'Completed', 'Upcoming' (which is selected), and 'Cancelled', followed by summary icons for a checklist (0), guests (0), and a table (0/37). The main content area shows a large grey box with a magnifying glass icon and the text 'No reservations available'. At the bottom left of the main area is a 'Print' button. The footer includes a status message 'Too many guests in house? Pause online reservations' with a pause icon, the text 'Designed by Hospitality Digital GmbH. All rights reserved.', and a row of links: FAQ, Terms of use, Imprint, Data privacy, and Privacy Settings. A yellow circular help icon with a question mark is located at the bottom right of the main content area.

Primero, vaya a **Configuración** en el menú de su izquierda.
