

Witamy w panelu **DISH Reservation**. W tym samouczku pokażemy Ci, jak zarządzać ustawieniami konta.

The screenshot displays the DISH Reservation administrative interface. On the left is a dark sidebar with navigation links: Reservations, Table plan, Menu, Guests, Feedback, Reports, Settings (with a dropdown arrow), and Integrations. The main content area has a dark header with the text 'DISH RESERVATION', a notification bell, the user 'Test Bistro Training' with a dropdown, a language selector (UK flag), and a help icon. Below the header is a light blue banner with a message about walk-in customers and two buttons: 'WALK-IN' and 'ADD RESERVATION'. A date range selector shows 'Thu, 28 Sep - Thu, 28 Sep'. A summary box indicates 'There is 1 active limit configured for the selected time period' with a 'Show more' link. Below this are filter buttons: 'All', 'Completed', 'Upcoming' (selected), and 'Cancelled'. To the right of these are icons for a calendar (0), guests (0), and a table (0/37). The main area shows a large grey box with a magnifying glass icon and the text 'No reservations available'. At the bottom left of the main area is a 'Print' button. The footer contains a status message 'Too many guests in house? Pause online reservations' with a pause icon, the text 'Designed by Hospitality Digital GmbH. All rights reserved.', and a row of links: FAQ, Terms of use, Imprint, Data privacy, and Privacy Settings. A large yellow question mark icon is in the bottom right corner.

Najpierw przejdź do **Ustawień** w menu po lewej stronie.

DISH RESERVATION

Test Bistro Training

Have a walk-in customer? Received a reservation request over phone / email? Don't forget to add it to your reservation book!
