

Bem-vindo ao painel de **reservas do DISH**. Neste tutorial, mostraremos como gerenciar as configurações da sua conta.

The screenshot displays the DISH RESERVATION admin interface. On the left is a dark sidebar with navigation links: Reservations, Table plan, Menu, Guests, Feedback, Reports, Settings (with a dropdown arrow), and Integrations. The main content area has a dark header with the text 'DISH RESERVATION', a notification bell, the user 'Test Bistro Training' with a dropdown, a language selector (UK flag), and a refresh icon. Below the header is a light blue banner with the text 'Have a walk-in customer? Received a reservation request over phone / email? Don't forget to add it to your reservation book!' and two orange buttons: 'WALK-IN' and 'ADD RESERVATION'. A date range selector shows 'Thu, 28 Sep - Thu, 28 Sep'. A summary box states 'There is 1 active limit configured for the selected time period' with a 'Show more' link. Filter buttons include 'All', 'Completed', 'Upcoming' (selected), and 'Cancelled'. Summary statistics show '0' for a checklist icon, '0' for a group of people icon, and '0/37' for a table icon. The main area contains a large white box with a magnifying glass icon and the text 'No reservations available'. At the bottom left is a 'Print' button. At the bottom right is a yellow circle with a question mark. A footer bar contains a warning 'Too many guests in house? Pause online reservations' with a pause icon, the text 'Designed by Hospitality Digital GmbH. All rights reserved.', and links for 'FAQ', 'Terms of use', 'Imprint', 'Data privacy', and 'Privacy Settings'.

Primeiro, vá em **Configurações** no menu à sua esquerda.
