Luego haga clic en **nuevo** para agregar un dispositivo.

Ingrese el **nombre del dispositivo** y seleccione la **ubicación** a la que desea conectarlo.

The screenshot shows the 'Devices Create' interface in the DISH system. On the left is a dark blue sidebar with navigation links: DASHBOARD, RESTAURANT, KITCHEN, SALES, MARKETING, LOCALISATION, TOOLS (expanded), and SYSTEM. The 'TOOLS' section is active, showing 'Devices', 'Media Manager', and 'Ordering Widget'. The main content area has a light gray background. At the top left of this area is a 'Save & Close' button. Below it, there are four input fields arranged in a 2x2 grid. The top row is highlighted with an orange border. The first field is 'Device name' with the value 'Device no. 1' and a subtitle 'Device name that will help recognize device'. The second field is 'Location' with a dropdown menu showing 'TestJordan' and a subtitle 'Restaurant location name'. The bottom row contains 'Api key' with the value 'YTljNmlxZTJkOTYy' and a subtitle 'This key is displayed only once. It should be used in mobile app setup page.', and 'Restaurant ID' with the value 'test_jordan' and a subtitle 'Restaurant ID is part of full website address: test_jordan.order.dish.co'.

Devices Create

Save & Close

Device name

Device no. 1

Device name that will help recognize device

Location

TestJordan

Restaurant location name

Api key

YTljNmlxZTJkOTYy

This key is displayed only once. It should be used in mobile app setup page.

Restaurant ID

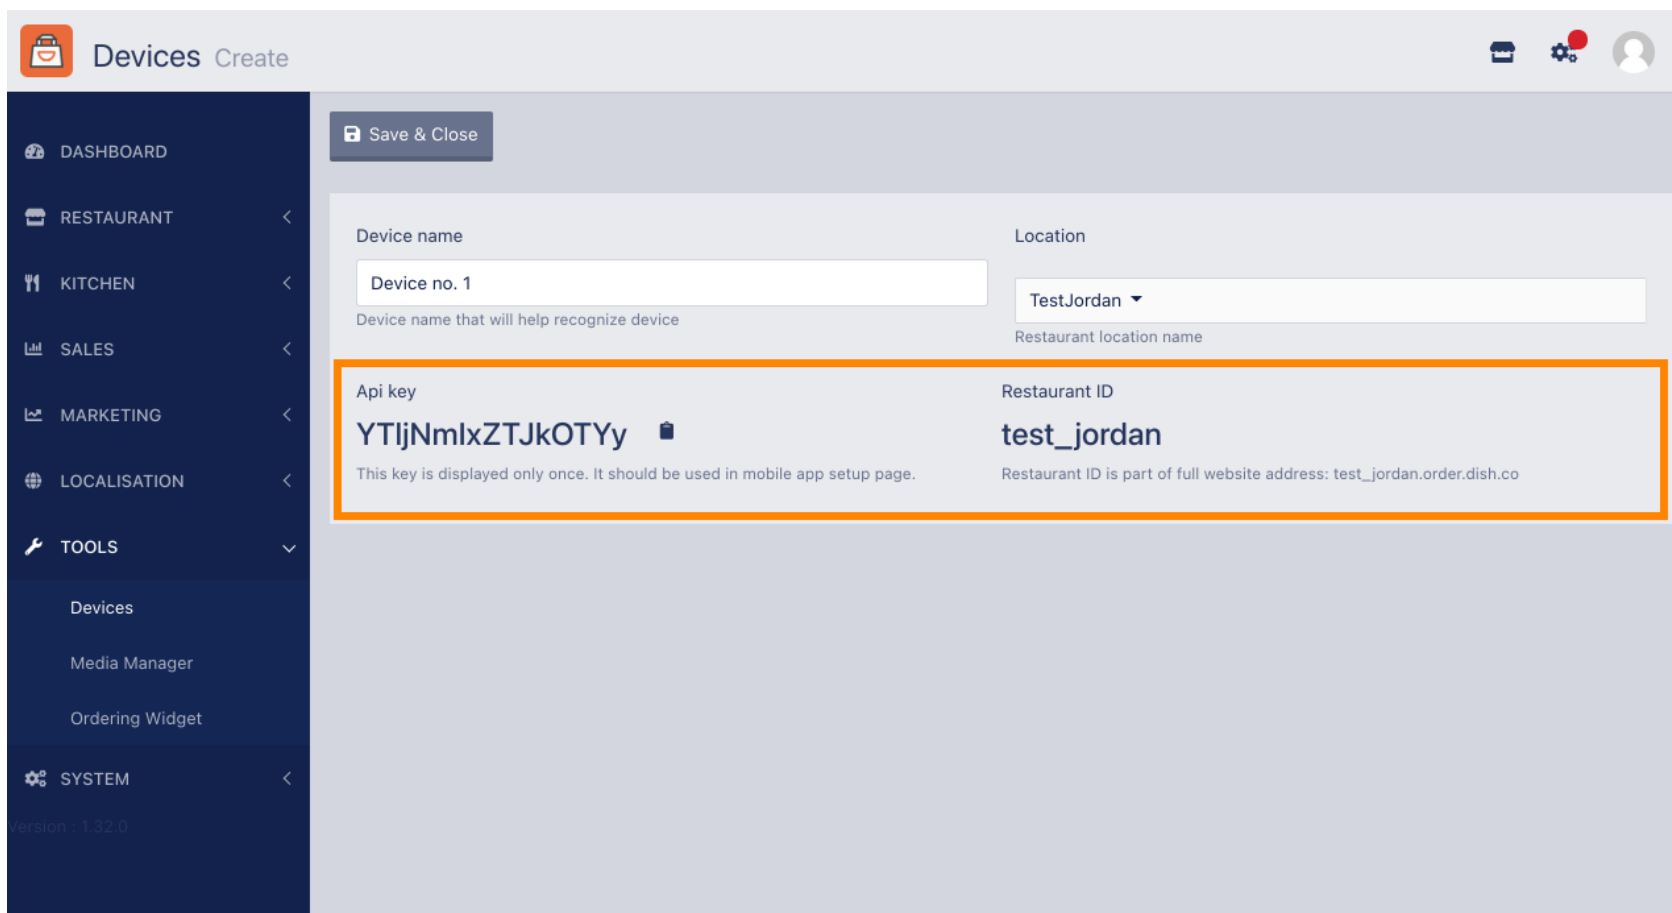

test_jordan

Restaurant ID is part of full website address: test_jordan.order.dish.co

version : 1.32.0

Proteja la **clave API** y **el ID del restaurante** . Debe introducirlos en su terminal de pedidos. **Nota: Aquí encontrará el tutorial correspondiente : <https://bit.ly/3s0OuFq>**

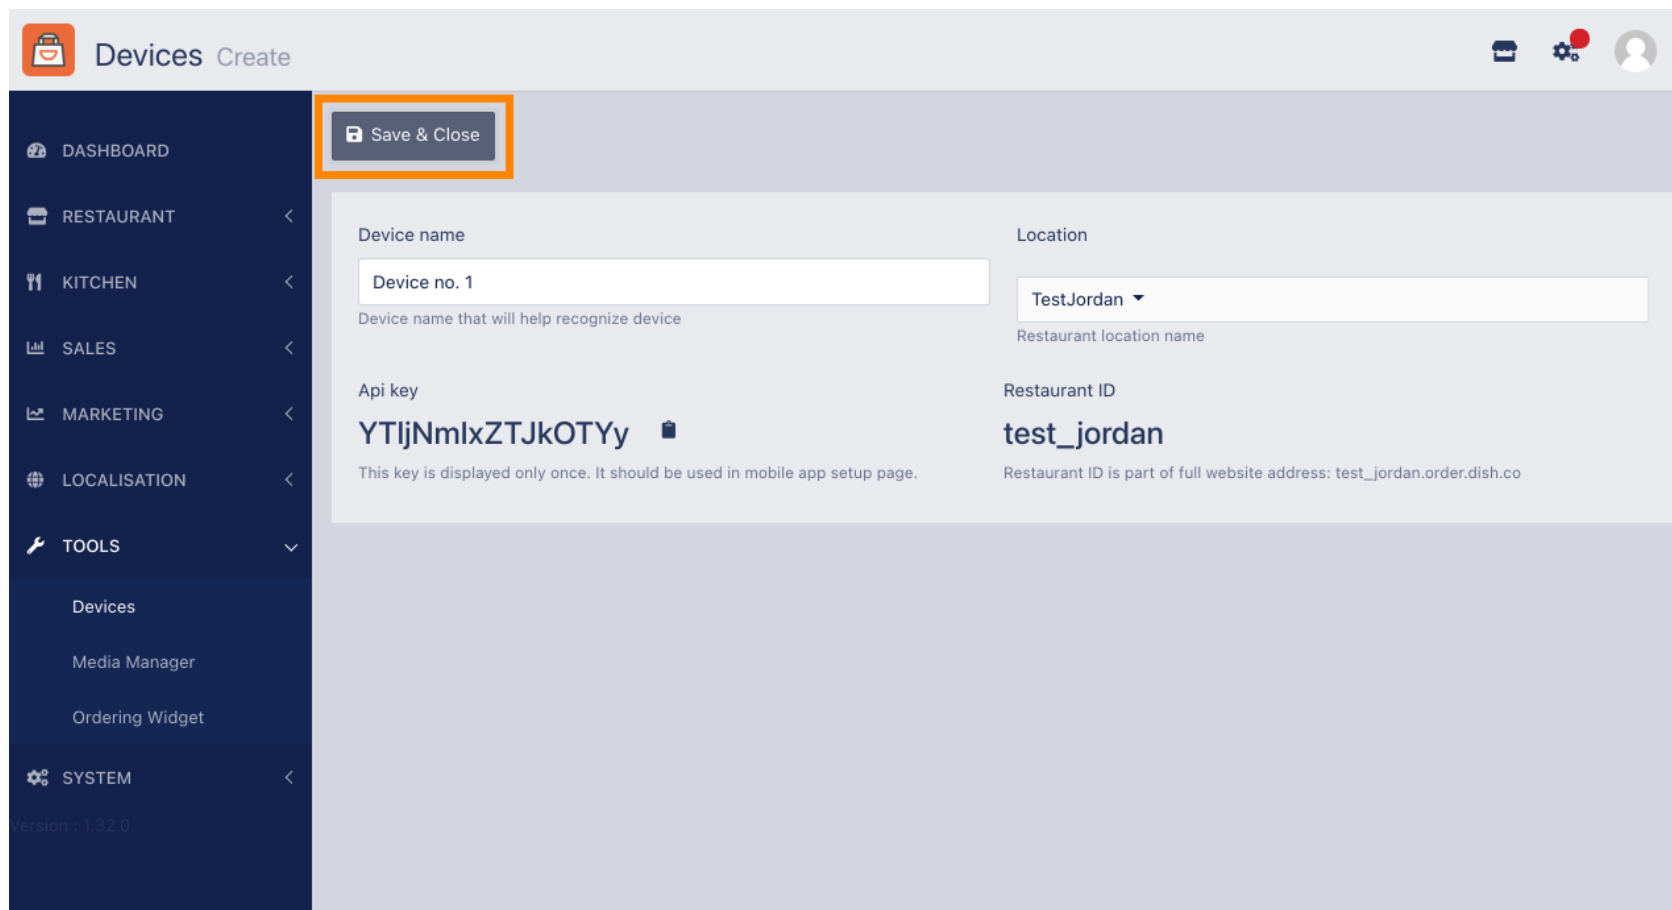

Devices Create

Save & Close

Device name	Location
Device no. 1	TestJordan
Device name that will help recognize device	Restaurant location name
Api key	Restaurant ID
YTljNmlxZTJkOTYy	test_jordan
This key is displayed only once. It should be used in mobile app setup page.	Restaurant ID is part of full website address: test_jordan.order.dish.co

version : 1.32.0

Ahora haga clic en **guardar y cerrar** para aplicar los cambios.

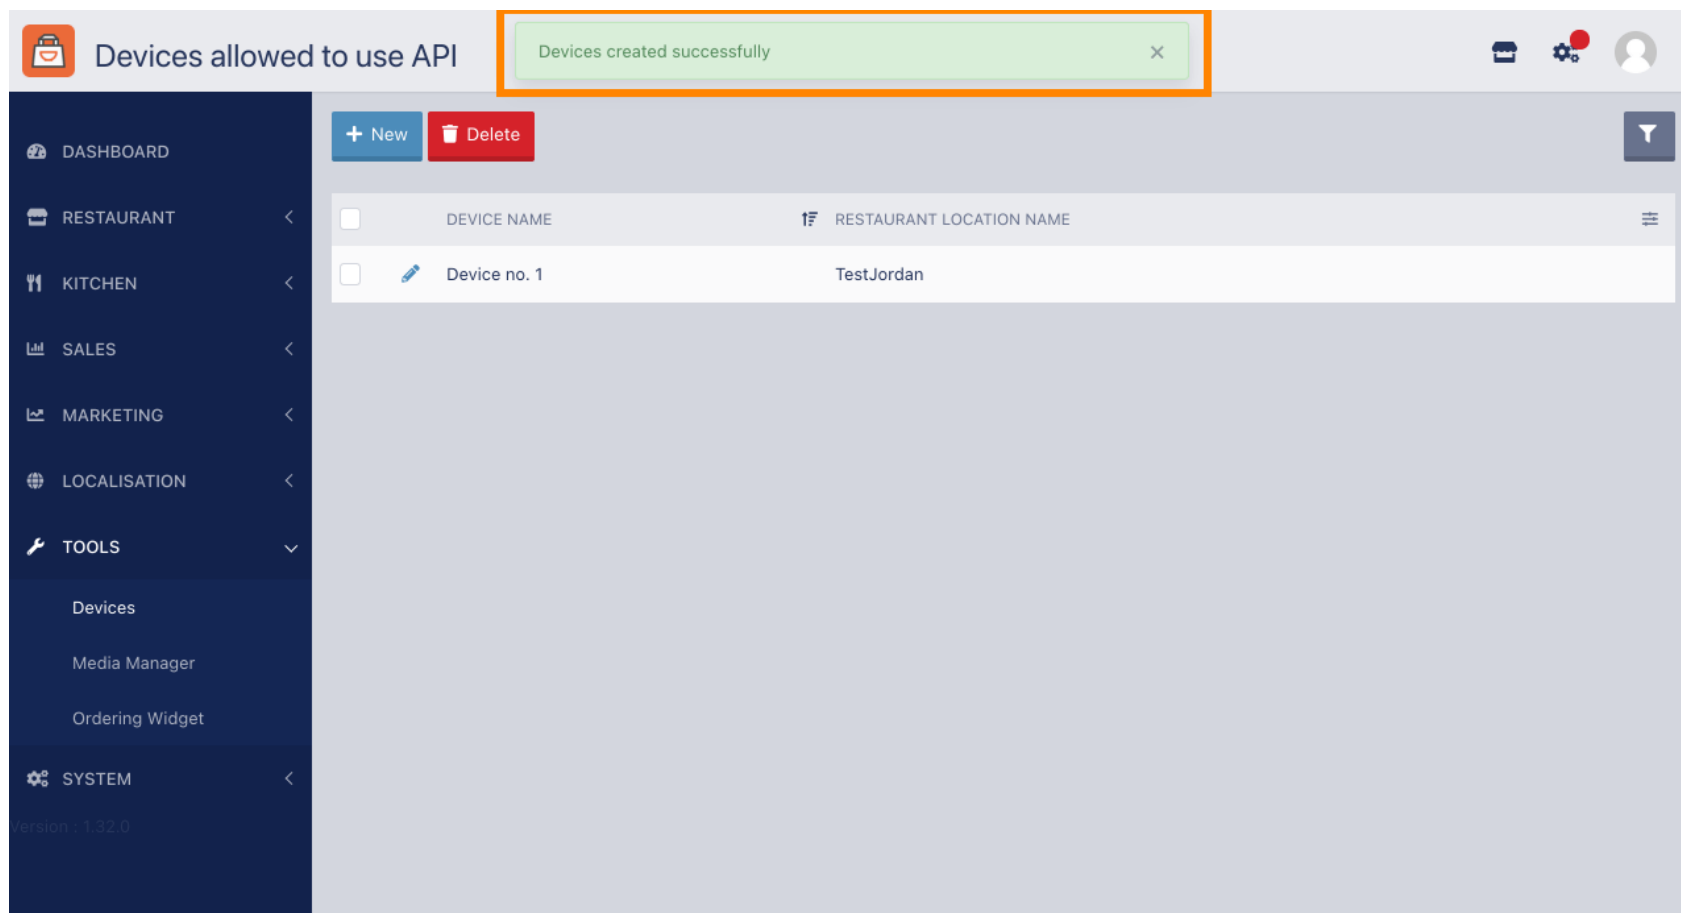

The screenshot shows the 'Devices Create' interface in the DISH system. On the left is a dark blue sidebar with navigation links: DASHBOARD, RESTAURANT, KITCHEN, SALES, MARKETING, LOCALISATION, TOOLS (expanded), and SYSTEM. The 'TOOLS' section is active, showing 'Devices', 'Media Manager', and 'Ordering Widget'. The main content area is titled 'Devices Create' and contains a form with the following fields:

- Device name:** A text input field containing 'Device no. 1'. Below it, a note states: 'Device name that will help recognize device'.
- Location:** A dropdown menu showing 'TestJordan'. Below it, a note states: 'Restaurant location name'.
- Api key:** A text input field containing 'YTljNmlxZTJkOTYy'. Below it, a note states: 'This key is displayed only once. It should be used in mobile app setup page.'.
- Restaurant ID:** A text input field containing 'test_jordan'. Below it, a note states: 'Restaurant ID is part of full website address: test_jordan.order.dish.co'.

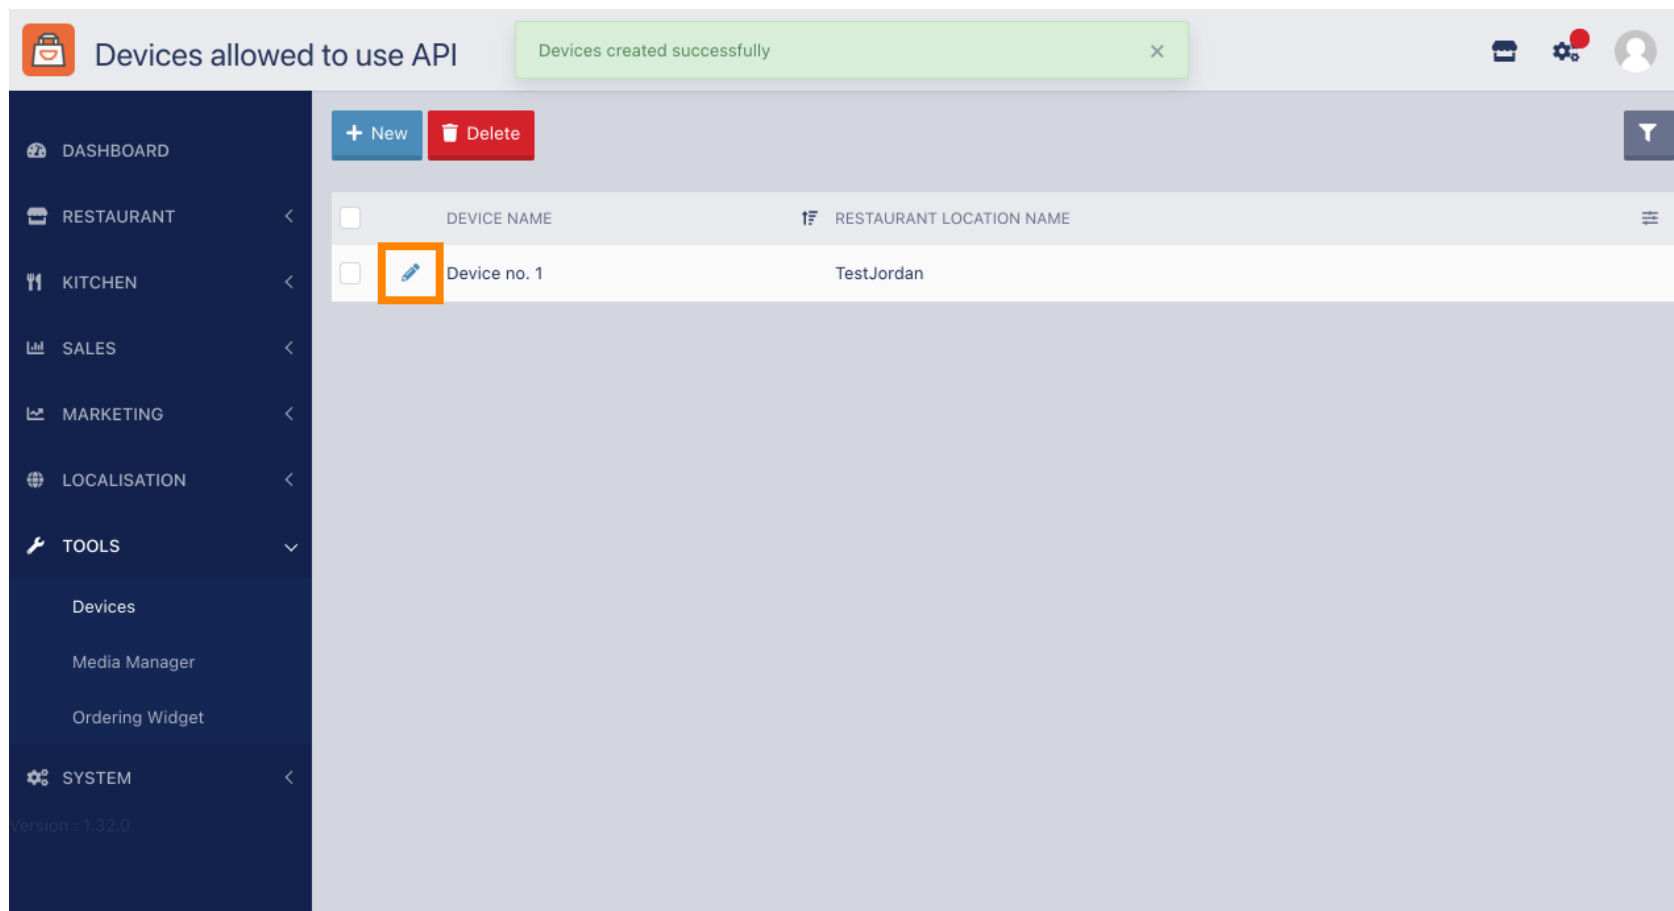

At the top of the form, there is a 'Save & Close' button, which is highlighted with an orange rectangle. The top right of the interface shows icons for a calendar, settings, and a user profile.

-  La ventana emergente de confirmación verde en la parte superior de la pantalla indica que el dispositivo se creó correctamente.

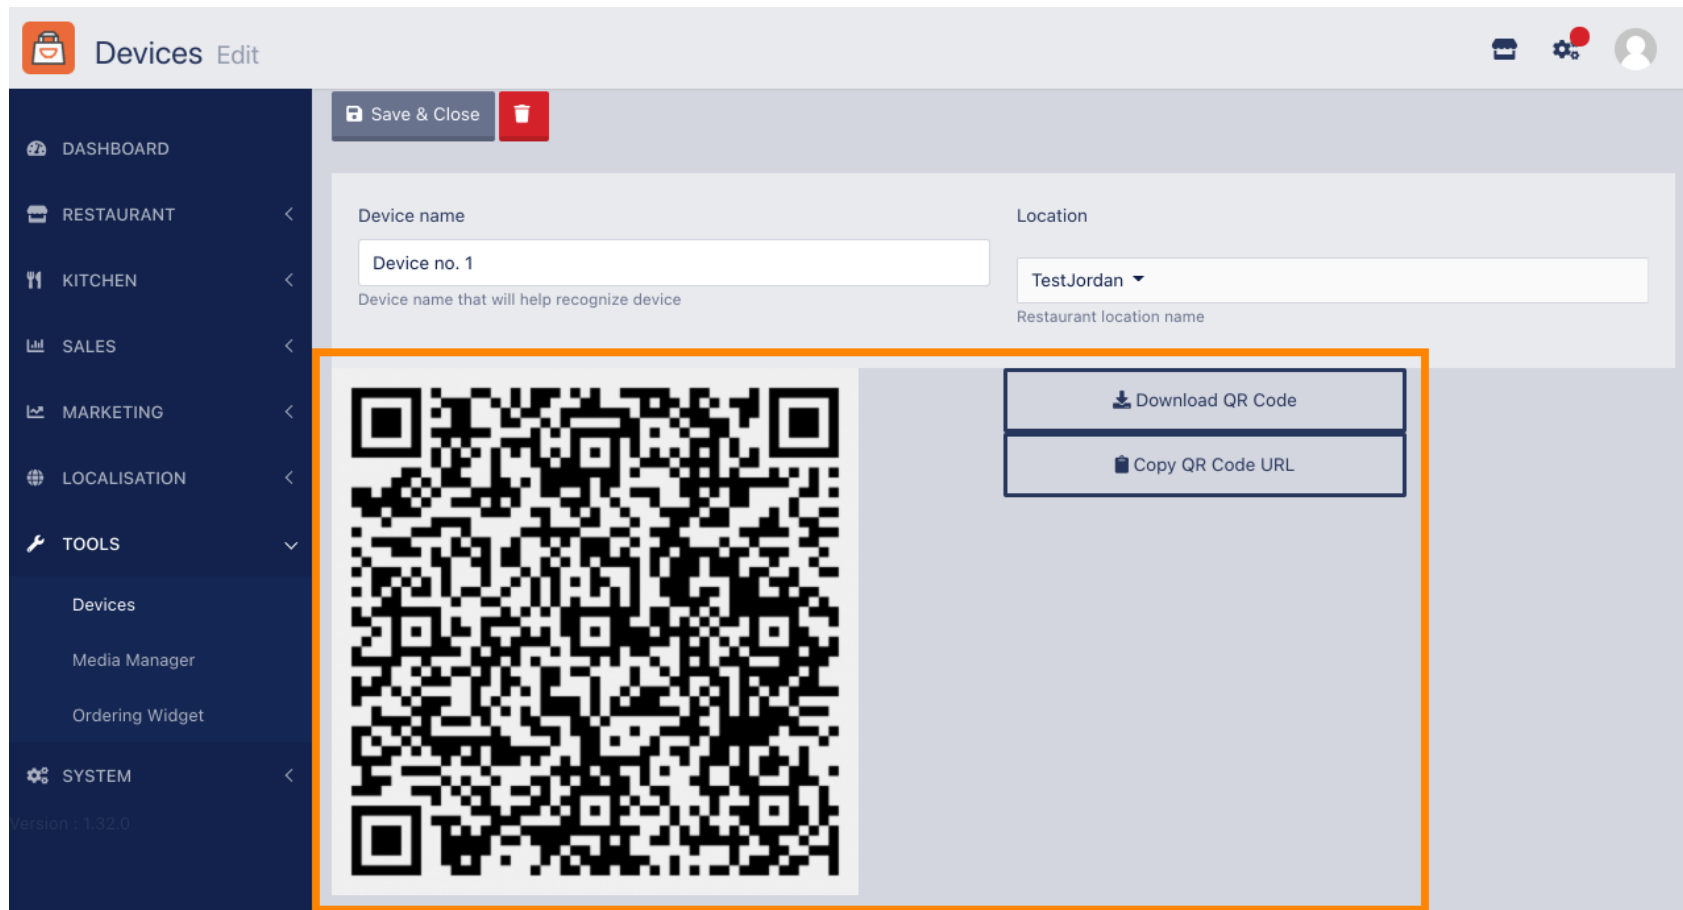

Una vez que haya creado un dispositivo, haga clic en el **ícono de lápiz** de su nuevo dispositivo.

	DEVICE NAME	RESTAURANT LOCATION NAME
	Device no. 1	TestJordan

Luego, podrá descargar y copiar el **código QR** individual para iniciar sesión más fácilmente. **Nota:** Cómo iniciar sesión en la terminal de pedidos: <https://bit.ly/3s0OuFq>.

The screenshot shows the 'Devices Edit' interface in the DISH system. On the left is a dark blue sidebar with navigation options: DASHBOARD, RESTAURANT, KITCHEN, SALES, MARKETING, LOCALISATION, TOOLS (expanded), and SYSTEM. Under 'TOOLS', 'Devices' is selected. The main content area has a light gray background. At the top, there's a 'Save & Close' button and a red trash icon. Below this, there are two input fields: 'Device name' (containing 'Device no. 1') and 'Location' (a dropdown menu showing 'TestJordan'). Below the 'Device name' field is a hint: 'Device name that will help recognize device'. Below the 'Location' field is a hint: 'Restaurant location name'. In the center, a large QR code is displayed, highlighted by an orange border. To the right of the QR code, there are two buttons: 'Download QR Code' and 'Copy QR Code URL'.
