

Willkommen beim Dashboard von **DISH Reservation**. In diesem Tutorial zeigen wir Ihnen, wie Sie Ihr Passwort ändern.

The screenshot shows the DISH Reservation dashboard. The top header includes the DISH RESERVATION logo, a notification bell, the user 'Test Bistro Training', a language selector (UK flag), and a help icon. The left sidebar contains navigation links: Reservations, Table plan, Menu, Guests, Feedback, Reports, Settings, and Integrations. The main content area features a teal banner with a message about walk-in customers and buttons for 'WALK-IN' and 'ADD RESERVATION'. Below this is a date range selector set to 'Thu, 19 Oct - Thu, 19 Oct' and a service filter set to 'All services'. A summary bar indicates 'There is 1 active limit configured for the selected time period' with a 'Show more' link. Below the summary bar are filters for reservation status: All (selected), Completed, Upcoming, and Cancelled. To the right of these filters are icons for a checklist (0), guests (0), and a table icon (0/37). The main content area is empty, displaying a large circular icon of a person with a magnifying glass and the text 'No reservations available'. At the bottom left, there is a 'Print' button and a status message: 'Too many guests in house? Pause online reservations'. At the bottom right, there is a help icon (question mark) and a footer with the text 'Designed by DISH Digital Solutions GmbH. All rights reserved.' and links for FAQ, Terms of use, Imprint, Data privacy, and Privacy Settings.
