

Welcome to the dashboard of **DISH Reservation**. In this tutorial, we show you how to change your password.

The screenshot shows the DISH Reservation dashboard. The top header includes the 'DISH RESERVATION' logo, a user profile 'Test Bistro Training', a language selector (UK flag), and a help icon. The left sidebar contains navigation links: Reservations, Table plan, Menu, Guests, Feedback, Reports, Settings, and Integrations. The main content area features a teal banner with a message about walk-in customers and buttons for 'WALK-IN' and 'ADD RESERVATION'. Below this is a date range selector set to 'Thu, 19 Oct - Thu, 19 Oct' and a service filter set to 'All services'. A summary bar indicates 'There is 1 active limit configured for the selected time period' with a 'Show more' link. Below the summary bar are filters for reservation status: All (selected), Completed, Upcoming, and Cancelled. To the right of these filters are icons for a calendar (0), guests (0), and a table icon (0/37). The main content area displays a large circular icon of a person with a magnifying glass and the text 'No reservations available'. At the bottom left, there is a 'Print' button and a notification 'Too many guests in house? Pause online reservations'. At the bottom right, there is a help icon (question mark) and a footer with links for FAQ, Terms of use, Imprint, Data privacy, and Privacy Settings. The footer also includes the text 'Designed by DISH Digital Solutions GmbH. All rights reserved.'

First, go to **Settings** on the menu to your left.

And then select **Account**.

To change your password, click on the hyperlink [here](#).

The screenshot shows the 'My Data' page in the DISH Reservation system. The left sidebar contains navigation links: Reservations, Table plan, Menu, Guests, Feedback, Reports, Settings (expanded), Hours, Reservations, Tables/Seats, Reservation limits, Offers, Notifications, Account (highlighted), and Integrations. The main content area is divided into two columns. The left column, titled 'Personal information', contains fields for Salutation (Mr.), First name (Test Max), Last name (Trainer), and Login e-mail (training@hd.digital), with a 'SAVE' button below. The right column contains 'Export data' and 'Delete account' sections. At the bottom of the left column, under the 'Change password' heading, is the text 'To reset your password, click [here](#).' where the word 'here' is enclosed in an orange box. The footer includes 'Designed by DISH Digital Solutions GmbH. All rights reserved.' and a row of links: FAQ, Terms of use, Imprint, Data privacy, and Privacy Settings.

 A new window will open where you can change your password.

The screenshot shows a web interface for changing a password. At the top left is the DISH by METRO logo, and at the top right is a language dropdown menu set to "English". The main heading is "Change Password". Below this are three input fields, each with a toggle icon on the right: "Password", "New Password", and "Confirmation". At the bottom, there are two buttons: "Back to application" (outlined) and "Save" (solid orange).

You need to enter your current **password**, your **new password** and for confirmation your new password again.
