

De eerste stap is het openen van de **DISH Order-app** op uw terminal.

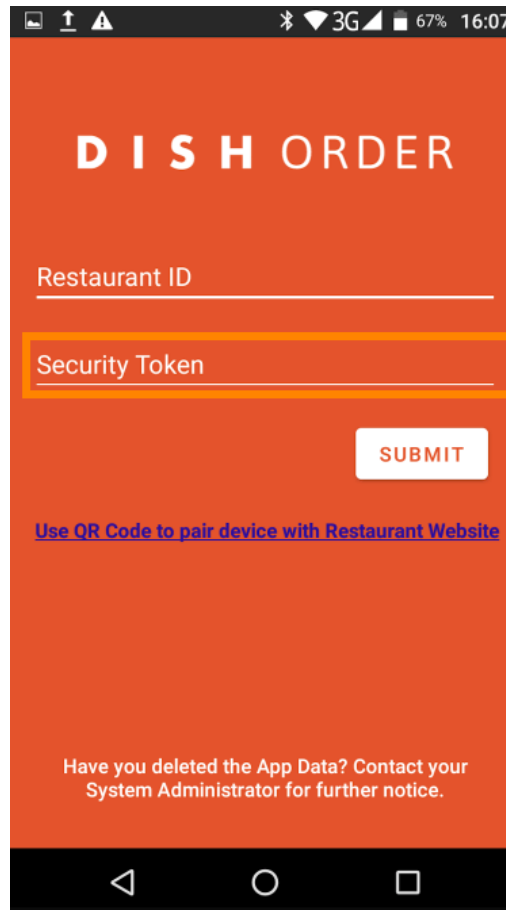

Voer nu je **restaurant-ID** in. Let op: je vindt deze in je admin-paneel. Bekijk de video voor meer instructies : <https://bit.ly/3td3gux>.

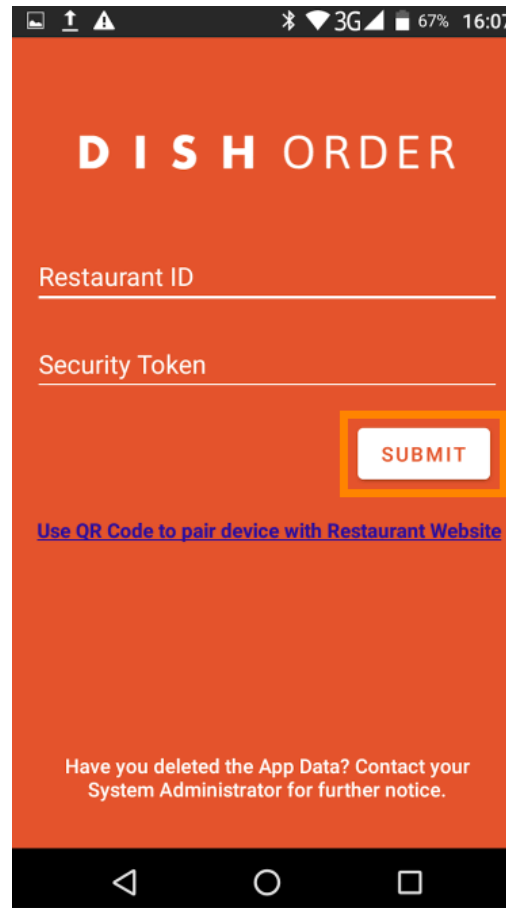

The screenshot shows the DISH ORDER app interface on a mobile device. At the top, the status bar displays icons for signal, Wi-Fi, 3G, battery at 67%, and the time 16:07. The app's title "DISH ORDER" is centered in white text on an orange background. Below the title, there is a text input field labeled "Restaurant ID" with an orange border. Underneath this is a "Security Token" field, represented by a horizontal line. To the right of the Security Token field is a white "SUBMIT" button. Below the input fields, there is a blue hyperlink that reads "Use QR Code to pair device with Restaurant Website". At the bottom of the screen, a small white text message states: "Have you deleted the App Data? Contact your System Administrator for further notice." The Android navigation bar is visible at the very bottom.

En daarna je **security token** . Let op: je vindt deze in je admin-paneel. Het is de API-sleutel. Bekijk de video voor meer instructies : <https://bit.ly/3td3gux> .

- 📱 Nadat u uw gegevens hebt ingevuld, klikt u op **Verzenden** om in te loggen.

The screenshot shows the DISH ORDER login interface on a mobile device. The screen has an orange background. At the top, the status bar shows icons for signal, battery, and time (16:07). The app title "DISH ORDER" is displayed in white. Below it, there are two input fields: "Restaurant ID" and "Security Token". A white "SUBMIT" button is highlighted with a yellow border. Below the button, there is a link: "Use QR Code to pair device with Restaurant Website". At the bottom, a message reads: "Have you deleted the App Data? Contact your System Administrator for further notice." The Android navigation bar is visible at the very bottom.

U kunt ook op de link klikken om een QR-code te scannen en in te loggen. Let op: de camera aan de achterkant van de bestelterminal gaat open zodra u uw QR-code scant. Bekijk de video voor meer instructies : <https://bit.ly/3td3gux> .

DISH ORDER

Restaurant ID

Security Token

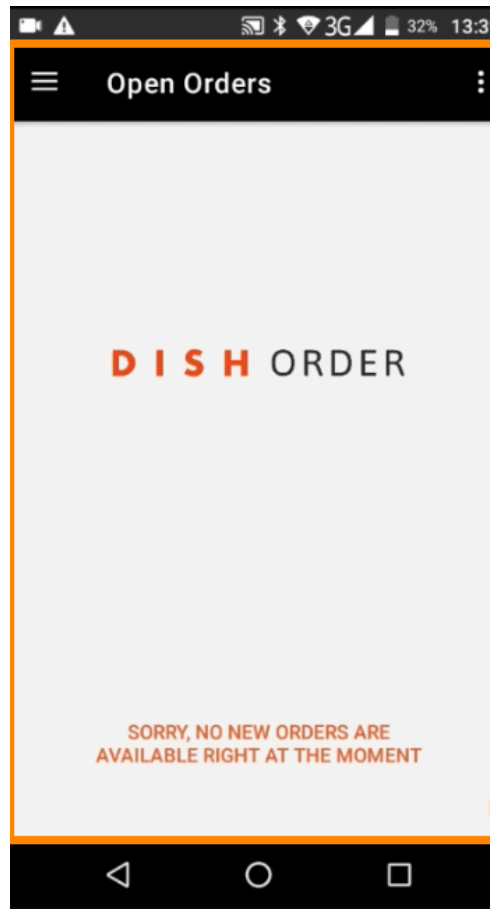

SUBMIT

Use QR Code to pair device with Restaurant Website

Have you deleted the App Data? Contact your System Administrator for further notice.

Dat is alles. Je bestelterminal is nu verbonden met je account. Let op: ga verder met het testen van je bestelterminal via <https://bit.ly/322DfBP>. Daarna kun je direct bestellingen van je klanten ontvangen.
