

The seventh step is to add a **Description**, which will be displayed on your website.

The screenshot shows the 'up-to-date' website setup interface. At the top, there is a navigation bar with the business name 'up-to-date' and address 'TEST STREET 2, BERLIN, DE'. On the right, there is a language selector set to 'English' and a share icon. Below the navigation bar is a progress indicator with nine steps: 1. Opening hours, 2. Options, 3. Offerings, 4. Domain, 5. Menu, 6. Imprint, 7. Description (highlighted in yellow), 8. DISH WEBLISTING, and 9. Preview. The main content area is titled 'Description' with a speech bubble icon. Below the title, there is a bolded instruction: 'This is the text displayed on your website, and gives your customers a first impression of your business.' There are three input fields: 'Welcome title' with the placeholder 'A greeting to your visitors, this appears on the top of your website'; 'Tagline' with the placeholder 'Search Impactful: This is a title for your website description'; and 'Description'.
