Sign in

Log in with your **METRO** account

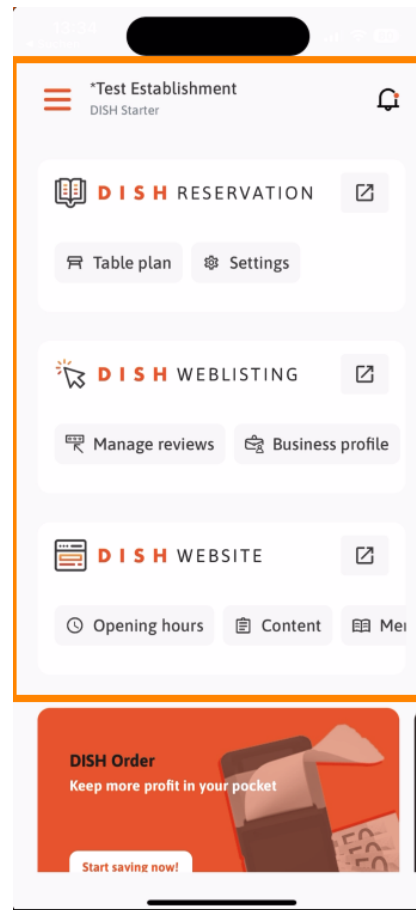

And tap on **Sign in** to continue.

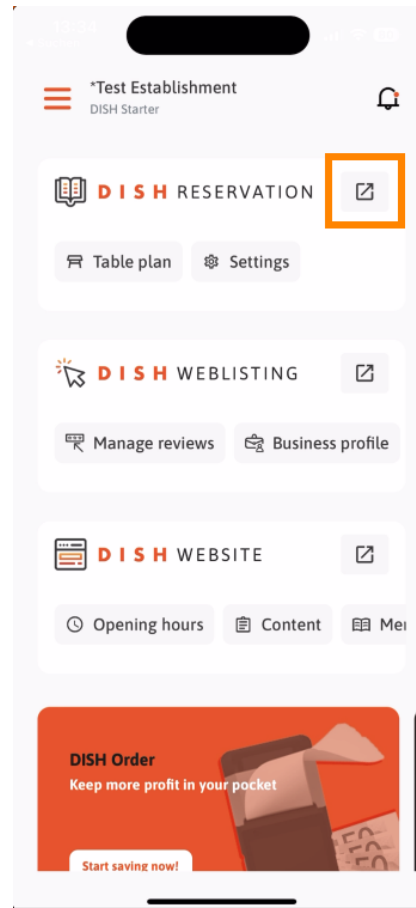

The screenshot shows the DISH mobile app's sign-in interface. At the top, there is a black header bar with a white back arrow on the left and the text "Log in" in red on the right. Below the header, the title "Sign in to DISH" is displayed in bold black text, followed by the instruction "Please sign in to your DISH account using your mobile number or email". There are two input fields: "Mobile number" and "Email". The "Email" field is currently selected, indicated by a red underline and the word "Email" in red text above it. The email address "training@hd.digital" is entered in the field, and a green checkmark icon is visible to the right of the text. Below the email field is a "Password" field with a "Show" link to its right. A "Forgot password?" link is located below the password field. At the bottom of the form, there is a link "Having trouble? Contact Support" and a large orange "Sign in" button, which is highlighted with an orange rectangular border. Below the button, the text "Log in with your METRO account" is displayed, with "METRO" in blue. The bottom of the screen shows a black home indicator bar.

You are now at the **home screen** of the DISH mobile app. Here you have a broad overview of your tools and add-ons.

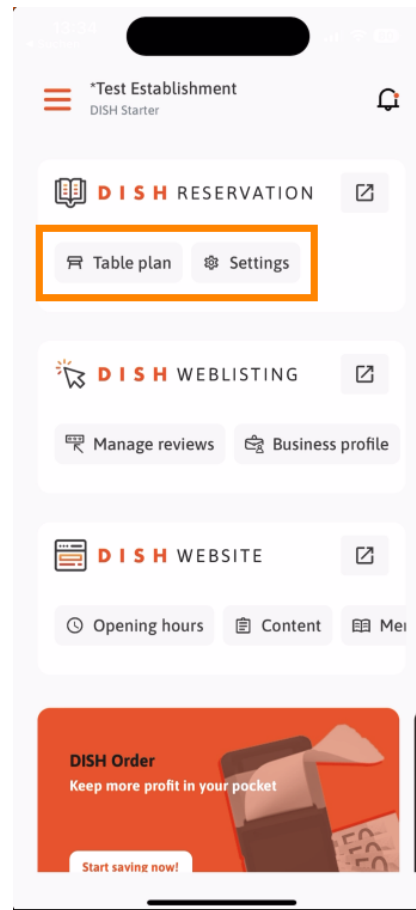

To open a tool tap on the corresponding **direct link** of it.

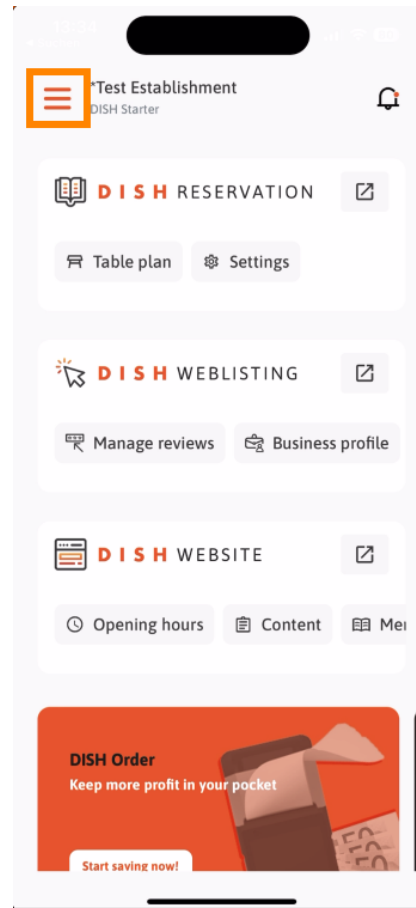

Each tool has its own quick links to certain features. To access these features, simply tap on the respective **quick link**.

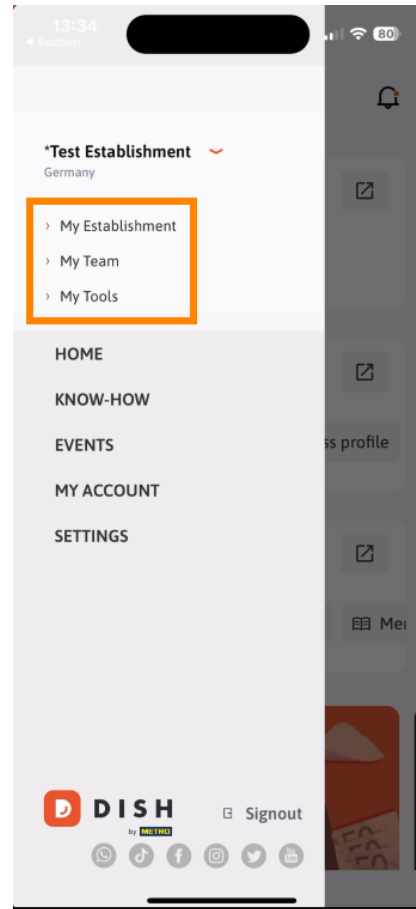

To access more functions of the DISH mobile app tap on the **menu**.

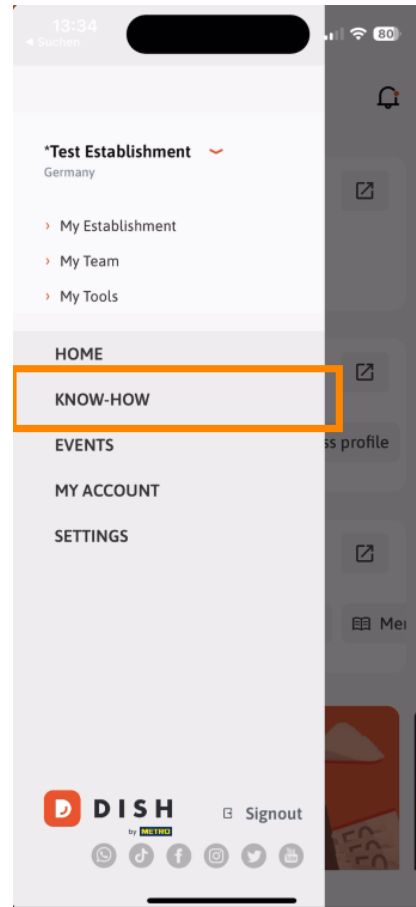

You can view and edit your **establishment details**, **your team** and **set up your tools** right from the app.

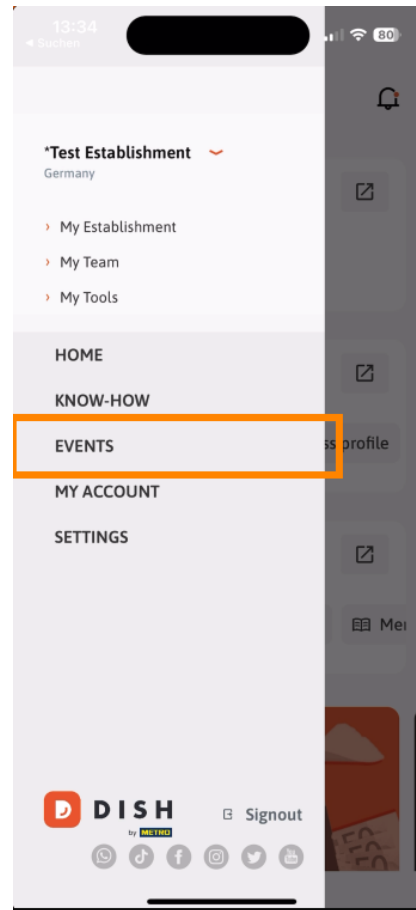

By tapping on **KNOW-HOW** you will be directed to the latest articles about food and gastronomy trends.

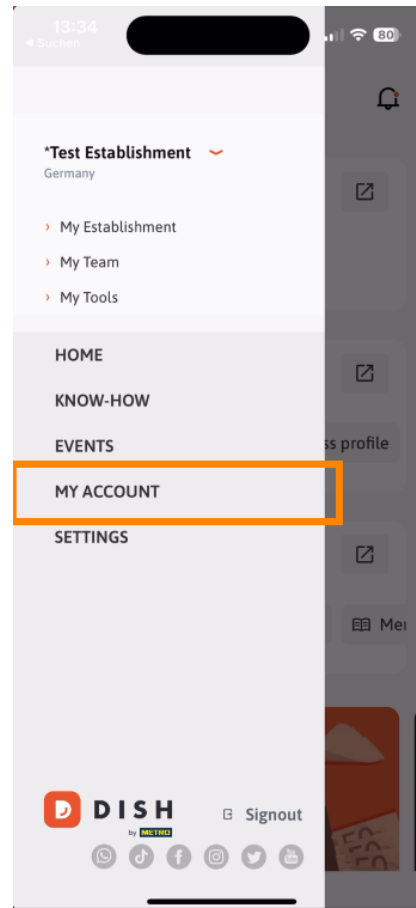

And by tapping on **EVENTS** you will be directed to an overview of upcoming events in the gastronomy industry.

Tap on **MY ACCOUNT** to open the account settings.

You then can edit information regarding your own person.
