A left sidebar menu lists various options: Reservations, Table plan, Menu, Guests, Feedback, Reports, Settings (with a dropdown arrow), Hours, Reservations (highlighted with an orange border), Tables/Seats, Offers, Notifications, Account, and Help. At the bottom of the sidebar, there is a status message: "Too many guests in house? Pause online reservations" next to a pause icon. The main content area features a teal banner with the text "Have a walk-in customer? Received a reservation request over phone / email? Don't forget to add it to your reservation book!" and two orange buttons: "WALK-IN" and "ADD RESERVATION". Below this is a date range selector showing "Wed, 21/04/2021 - Wed, 21/04/2021". A filter bar contains three radio buttons: "All" (selected), "Completed", and "Upcoming", along with icons for a calendar and a group of people, both showing a count of 0. The central part of the screen displays a large white box with a circular icon of a person looking through binoculars and the text "No reservations available". A "Print" button is located at the bottom left of this box. At the bottom of the page, there is a "Start Co-Browsing" button, a footer note "Designed by Hospitality Digital GmbH. All rights reserved.", and a help icon (a yellow circle with a question mark). The bottom right corner contains links for "FAQ", "Terms of use", "Imprint", and "Data privacy".
